- 1x Storage Case

An overview of the KEMEI KM-2292 hair clipper, KM-2210 hair trimmer, various guide combs, charging cables, cleaning brush, oil, hair cape, and storage case.

## SAFETY INFORMATION

Always use the haircut cloak to protect your face and eyes. Keep small parts away from children to prevent choking hazards. Do not ingest or inhale any parts of this kit. Always unplug and allow the clippers to cool before cleaning. Store in a dry place out of reach of children.

## SETUP

### Initial Charging

Before first use, fully charge both the KM-2292 hair clipper and KM-2210 hair trimmer.

1. Connect the USB charging cable to the charging port on the device.
2. Plug the other end of the USB cable into a compatible USB power adapter (not included), computer, car charger, or mobile power bank.
3. The intelligent light indicator will illuminate to show charging status.
4. Charge the KM-2292 clipper for approximately 210 minutes for 180 minutes of working time.
5. Charge the KM-2210 trimmer for approximately 150 minutes for 150 minutes of working time.

### OPERATING INSTRUCTIONS

#### Attaching Guide Combs

Select the desired guide comb for your preferred hair length.

1. For the KM-2292 clipper, choose from 3mm, 4.5mm, 6mm, 9mm, or 12mm combs.
2. For the KM-2210 trimmer, choose from 1mm, 2mm, 3mm, 4mm, or 5mm combs.
3. Align the comb with the clipper/trimmer blade and push firmly until it clicks into place.
4. To remove, gently pull the comb away from the blade.

### **Adjusting Blade Length (KM-2292 Clipper)**

The KM-2292 clipper features an adjustable taper lever on the side. This lever allows for fine-tuning of the cutting length without changing guide combs. Move the lever up or down to adjust the blade position.

# Powerful motor

Quick and efficient hair cutting

This image highlights the R-shaped blade and the adjustable length lever on the KEMEI KM-2292 clipper, indicating how to customize cutting length.

## Powering On/Off

Locate the power switch on the device. Slide it to the "ON" position to activate the clipper/trimmer. Slide it to the "OFF" position to turn it off.

## PROFESSIONAL

### Hair Clippers and Trimmer Kit

A detailed image showcasing various features of both the KEMEI KM-2292 clipper and KM-2210 trimmer, including wear-resistant cutterheads, sharp teeth, teeth distance adjusting lever, ON/OFF switch, indicator light, and USB charging port.

### Hair Cutting

Ensure hair is clean and dry. Use the hair cutting cape to protect clothing. Begin cutting with a longer guide comb and gradually switch to shorter combs if a closer cut is desired. Move the clipper/trimmer against the direction of hair growth for an even cut.

An instructional video demonstrating the use of the KEMEI Professional Hair Clippers Set for hair cutting.

### MAINTENANCE

#### Cleaning the Blades

After each use, turn off and unplug the device. Use the provided cleaning brush to remove loose hairs from the blades.

#### Oiling the Blades

Regularly apply a few drops of the included lubricating oil to the blades. This helps maintain blade sharpness and ensures smooth operation. Turn the device on for a few seconds after oiling to distribute the oil evenly.

The KEMEI Professional Hair Clippers Set, emphasizing the need for regular cleaning with the included brush and oiling the blades to maintain performance.

## TROUBLESHOOTING

### Device Not Turning On

- Ensure the device is fully charged. Connect it to the charger and check the indicator light.
- Verify the power switch is in the "ON" position.

### Poor Cutting Performance

- Clean the blades thoroughly to remove any trapped hair or debris.
- Apply lubricating oil to the blades.
- Ensure the correct guide comb is securely attached.
- For the KM-2292 clipper, check the adjustable taper lever position.

### Excessive Noise or Vibration

- Clean and oil the blades.
- If the issue persists, contact customer support.
