Fixwal L Shaped Desk 0002

Fixwal L-Shaped Gaming Desk with Power Outlets and LED Lights

Model: L Shaped Desk 0002

INTRODUCTION

Thank you for choosing the Fixwal L-Shaped Gaming Desk. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your new desk. Please read this manual thoroughly before assembly and retain it for future reference.

SAFETY INFORMATION

To prevent injury or damage to the product, please observe the following safety guidelines:

- Do not exceed the maximum weight capacity of 150 lbs (68 kg) for the desk surface.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for looseness.
- Keep liquids away from the power outlets and LED light strip to prevent electrical hazards.
- Assemble the desk on a soft, clean surface to avoid scratching the components.
- This L-shaped desk is not reversible; the drawer can only be installed on the right side.

Warning: This desk should not be loaded beyond 150 lbs to ensure safety and stability.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or

damaged, please contact customer support.

- Desk Panels (Main desktop, L-extension, monitor stand, drawer panels, bottom shelf)
- Metal Frame Components (Legs, support bars)
- Hardware Kit (Screws, bolts, Allen wrench)
- LED Strip Light Kit (LED strip, controller, remote)
- Power Outlet Unit (2 AC outlets, 1 USB-A, 1 USB-C port, power cord)
- Adjustable Foot Pads
- Assembly Instructions Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly typically takes 30-60 minutes. Follow the included step-by-step instructions carefully. It is recommended to have two people for assembly.

Key Assembly Tips:

- Identify all parts: Lay out all components and hardware, matching them with the parts list in the separate assembly guide.
- Do not overtighten screws initially: Hand-tighten screws during initial assembly, then fully tighten once the entire structure is aligned.
- Install the monitor stand: The monitor stand is designed to accommodate two 21-24 inch monitors and supports up to 50 lbs.
- Ensure stability: The desk features cross-bracing for enhanced stability. Ensure these are correctly installed.
- Adjust foot pads: Use the adjustable anti-slip foot pads to level the desk on uneven surfaces and protect your floor.

OPERATING INSTRUCTIONS

LED Strip Lights:

The integrated LED strip lights offer customizable ambiance for your workspace or gaming setup.

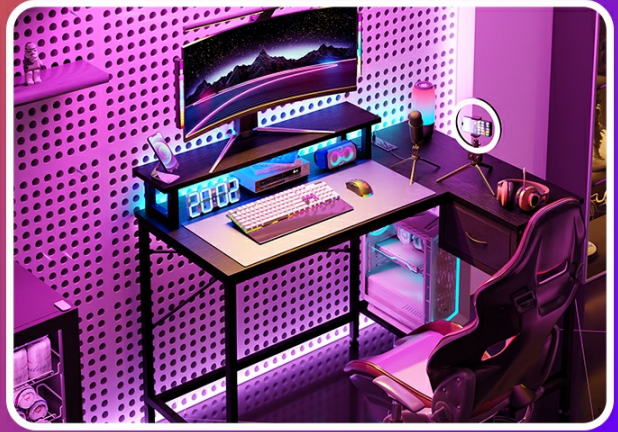

- **Control Methods:** The LED lights can be controlled via a physical switch control or a Bluetooth control application on your smartphone.
- **Color Options:** Choose from 12 static RGB colors.
- **Brightness:** Adjust between 6 brightness levels.
- **Dynamic Modes:** Explore various dynamic lighting modes.
- **Memory Function:** The lights retain your last setting when powered off and on.

For Bedroom

For Gaming Room

Image: An infographic highlighting the RGB LED light strip's capabilities, such as 20 dynamic modes, a built-in microphone for sound reactivity, music synchronization, and a timing function.

Power Outlets:

The integrated power strip provides convenient access to charging ports.

- **AC Outlets:** Two standard 120V/12A AC outlets for powering devices like monitors or laptops.
- **USB Ports:** One USB-A charging port and one USB-C charging port (5V/2A) for mobile devices, power banks, and gaming accessories.
- **Power Cord:** The unit includes a 4.9-foot power cord for connection to a wall outlet.

amperage, and USB port output.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your Fixwal desk.

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Dusting:** Regularly dust the LED strip and power outlets to ensure proper function and prevent dust buildup.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Cable Management:** Organize cables to prevent tangles and reduce strain on the power outlets.

TROUBLESHOOTING

If you encounter issues with your desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk is wobbly/unstable	Loose screws; uneven floor; incorrect assembly of cross-bracing.	Ensure all screws are fully tightened. Adjust the foot pads to level the desk. Verify cross-bracing is installed correctly.
LED lights not working	Power not connected; faulty connection; remote battery dead.	Check if the LED strip is properly plugged into its power source. Ensure connections are secure. Replace remote battery if applicable.
Power outlets not providing power	Desk power cord unplugged; circuit breaker tripped; device not properly plugged in.	Ensure the desk's main power cord is securely plugged into a working wall outlet. Check your home's circuit breaker. Verify devices are fully inserted into the outlets.
Parts do not align during assembly	Incorrect orientation of parts; manufacturing defect.	Double-check the assembly instructions and part numbers. If parts are still misaligned, contact customer support for assistance.

SPECIFICATIONS

Feature	Detail
Brand	Fixwal
Model Number	L Shaped Desk 0002
Product Dimensions (D x W x H)	19.7"D x 43"W x 30.1"H
Color	Black
