

## TEISVAY T2V

# TEISVAY T2V Electric Bidet Toilet Seat User Manual

Model: T2V

## 1. INTRODUCTION AND SAFETY INFORMATION

This manual provides essential information for the safe installation, operation, and maintenance of your TEISVAY T2V Electric Bidet Toilet Seat. Please read this manual thoroughly before installation and use, and retain it for future reference.

### Important Safety Precautions

- Ensure the power outlet is properly grounded and matches the voltage requirements of the bidet seat.
- Do not immerse the bidet seat or remote control in water or other liquids.
- Unplug the unit from the power outlet before cleaning or performing any maintenance.
- Keep the remote control away from water to prevent damage.
- This product is designed for household use only. Do not use outdoors or for commercial purposes.
- Children should be supervised to ensure they do not play with the appliance.

## 2. PRODUCT OVERVIEW

The TEISVAY T2V Electric Bidet Toilet Seat offers enhanced hygiene and comfort with its advanced features. This section details the components and key functionalities.

### 3. SPECIFICATIONS

Feature	Detail
Model Number	T2V
Manufacturer	TEISVAY
Item Weight	10 pounds
Product Dimensions	19 x 17 x 5 inches
Color	White
Material	Acrylic, Plastic
Shape	V-Shape (Elongated)
Included Components	Bidet Toilet Seat
Batteries Required	Yes (for remote control)

### 4. INSTALLATION GUIDE

Follow these steps for proper installation of your TEISVAY T2V Electric Bidet Toilet Seat. Ensure all necessary components are present before beginning.

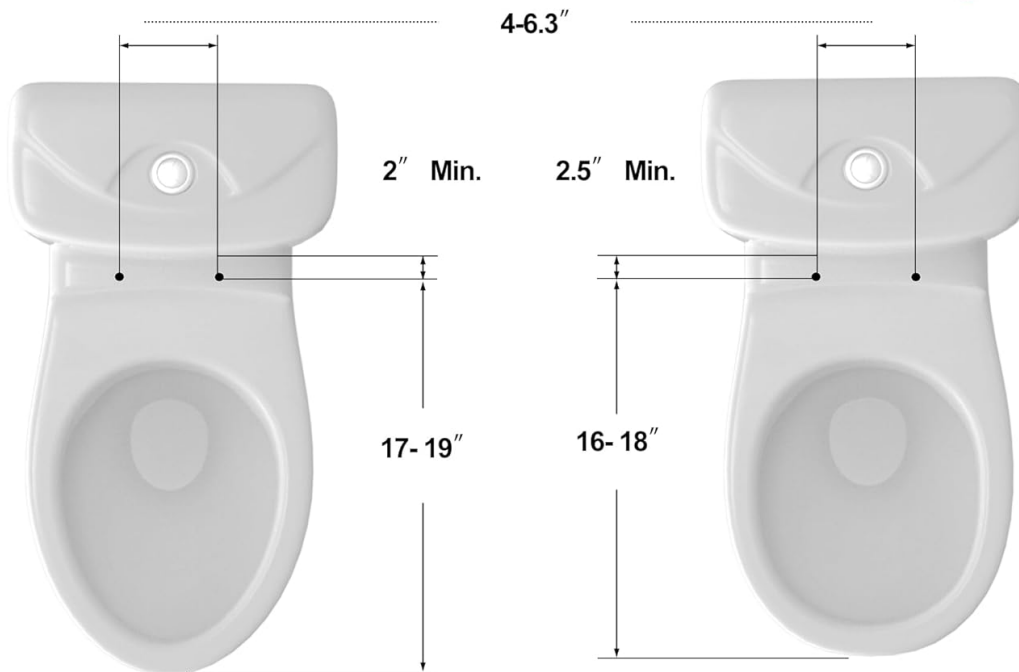

#### 4.1 Check Toilet Compatibility

This bidet seat is designed for elongated toilets. Verify your toilet dimensions match the requirements shown below.

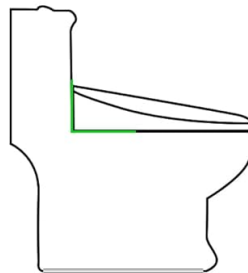

# FIT WITH ELONGATED BIDET

✓ ELONGATED

ROUND ✗

✓ FITS

✗ NOT FITS

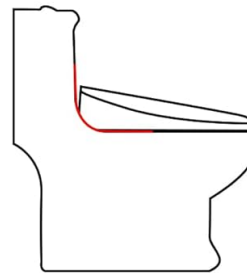

Image: A comparison diagram showing the required dimensions for an elongated toilet (17-19 inches from bolt holes to front rim) versus a round toilet, indicating compatibility with elongated models.

## 4.2 Included Components

Before installation, confirm you have all the parts listed:

Image: An exploded view diagram displaying all components included in the package, such as the bidet toilet, fixing plate, T-valve, adjust piece, nut, spacer, bolt, pipe, manual, filter, pipe connection accessories, remote control, and fragrance disc.

## 4.3 Installation Steps

1. **Prepare Toilet:** Turn off the water supply to your toilet and flush to empty the tank. Remove your existing toilet seat.
2. **Install Fixing Plate:** Attach the fixing plate to the toilet bowl using the provided bolts, nuts, and spacers. Adjust its position to align with the bidet seat.
3. **Install Bidet Seat:** Slide the bidet toilet seat onto the fixing plate until it clicks into place.
4. **Connect Water Supply:** Install the T-valve to the toilet's water supply line. Connect the bidet's water hose to the T-valve and the bidet seat. Ensure all connections are tight to prevent leaks.
5. **Connect Power:** Plug the bidet seat into a grounded electrical outlet.
6. **Restore Water Supply:** Slowly turn on the water supply to the toilet and check for any leaks.

## 5. OPERATING INSTRUCTIONS

Your TEISVAY T2V bidet seat is operated via a wireless remote control and a side knob. Familiarize yourself with the functions to customize your experience.

## ONE-TOUCH KNOB & REMOTE CONTROL

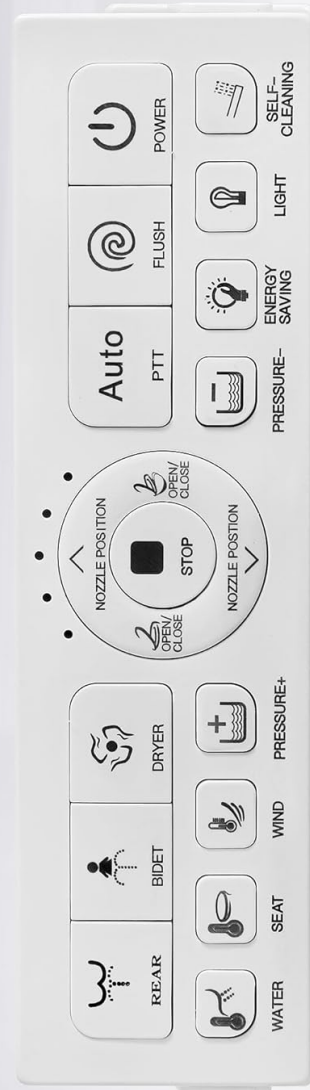

Image: The wireless remote control with clearly labeled buttons for various functions such as water temperature, seat temperature, wind, pressure, nozzle position, dryer, bidet, rear wash, stop, auto, flush, power, energy saving, light, and self-cleaning.

### 5.1 Remote Control Functions

- **POWER:** Turns the bidet seat on/off or puts it in standby mode.
- **REAR:** Initiates a rear wash.
- **BIDET:** Initiates a female wash.
- **DRYER:** Activates the warm air dryer.
- **WATER TEMP:** Adjusts water temperature (multiple levels).
- **SEAT TEMP:** Adjusts seat temperature (4 levels, up to 102°F).
- **WIND TEMP:** Adjusts warm air dryer temperature.
- **PRESSURE +/-:** Increases or decreases water pressure.
- **NOZZLE POSITION:** Moves the nozzle forward or backward.
- **STOP:** Stops any active wash or dry function.
- **AUTO:** Activates an automatic wash and dry cycle.

- **ENERGY SAVING:** Sets seat temperature to room temperature and restores heating during use.
- **LIGHT:** Toggles the LED night light on/off.
- **SELF-CLEANING:** Activates the nozzle self-cleaning function.

# HEATED SEAT

Precise Temperature Setting,  
Choose The Mostsuitable Temperature According to The Season.

Image: A visual representation of the heated seat feature, showing adjustable temperature levels for personalized comfort, ranging from room temperature up to 104°F.

# SELF CLEANING & MULTIPLE NOZZLE

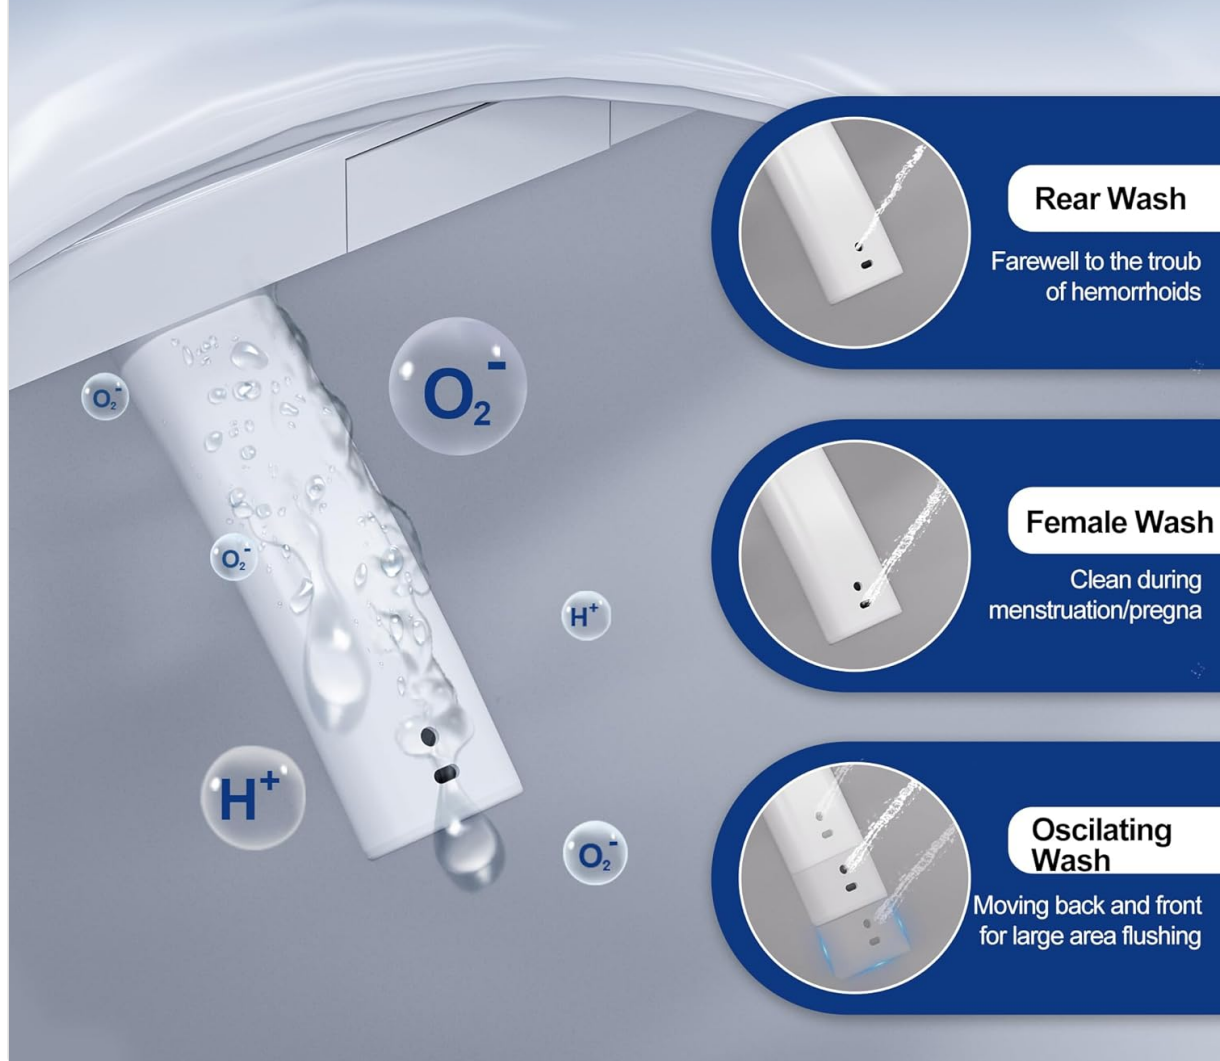

Image: An illustration of the bidet's self-cleaning nozzle and its multiple wash modes: Rear Wash for general cleansing, Female Wash for feminine hygiene, and Oscillating Wash for broader coverage.

# WARM DRYER

Comfortable and Healthy

Reduce The Use of Toilet Paper, Low-Carbon and Environmentally Friendly

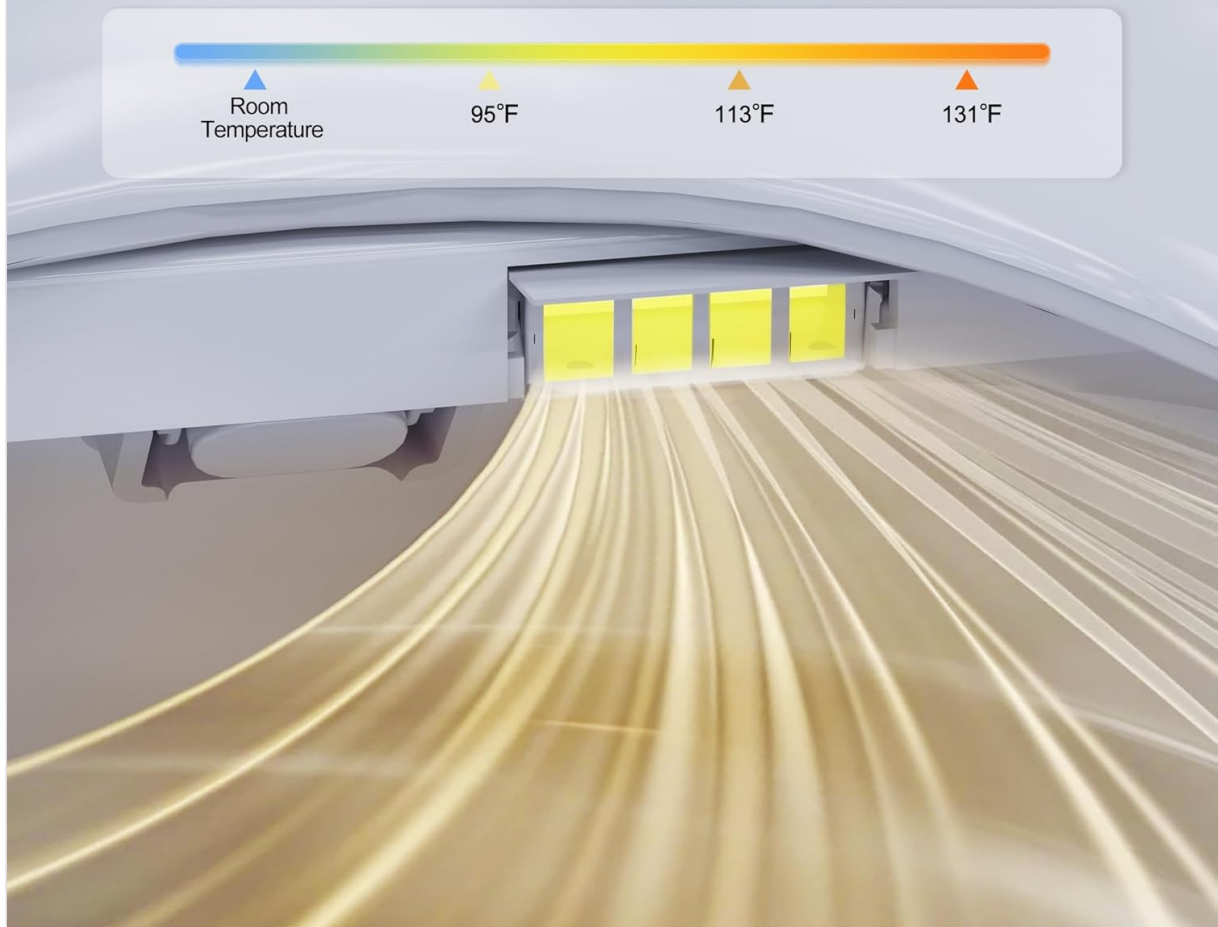

Image: A graphic depicting the warm air drying feature, highlighting its efficiency and adjustable temperature range from room temperature up to 131°F.

## 5.2 One-Touch Knob Operation

The side knob provides quick access to essential functions:

Image: An illustration of the one-touch knob, indicating its functions for initiating rear wash, adjusting water pressure, starting front wash, and activating stop/air drying.

- Rotate clockwise for Rear Wash / adjust water pressure.
- Rotate counter-clockwise for Front Wash / adjust water pressure.
- Press the knob to STOP current function or activate Air Dry.

### 5.3 Memory Settings

The bidet seat automatically saves your last used settings for water pressure, water temperature, drying temperature, nozzle position, and seat temperature. This allows for a personalized experience without needing to re-adjust every time.

## 6. MAINTENANCE AND CLEANING

Regular cleaning and maintenance ensure optimal performance and hygiene of your bidet seat.

### 6.1 General Cleaning

- Always unplug the bidet seat before cleaning.
- Use a soft, damp cloth and a mild, non-abrasive cleaner to wipe down the exterior surfaces.
- Do not use harsh chemicals, abrasive cleaners, or brushes, as these can damage the surface.
- Ensure no water enters the electrical components.

### 6.2 Nozzle Cleaning

The bidet features a self-cleaning nozzle. Additionally, you can manually clean the nozzle:

- Activate the nozzle extension function (refer to remote control instructions) to expose the nozzle.
- Gently wipe the nozzle with a soft cloth or toothbrush and mild soap.
- Do not force the nozzle or use excessive pressure.

## 7. TROUBLESHOOTING

If you encounter issues with your bidet seat, refer to the following common problems and solutions. If the problem persists, contact customer service.

Problem	Possible Cause	Solution
No power	Power cord unplugged, circuit breaker tripped, remote batteries low.	Check power connection, reset breaker, replace remote batteries.
No water spray	Water supply valve closed, water filter clogged, nozzle blocked.	Open water valve, clean/replace filter, check nozzle for obstructions.
Water temperature not warm	Heater setting too low, energy-saving mode active.	Adjust water temperature setting, deactivate energy-saving mode.
Seat not heating	Seat heater setting too low, energy-saving mode active.	Adjust seat temperature setting, deactivate energy-saving mode.
Remote control not responding	Low batteries, obstruction between remote and bidet.	Replace remote batteries, ensure clear line of sight.

## 8. WARRANTY AND CUSTOMER SUPPORT

Your TEISVAY T2V Electric Bidet Toilet Seat comes with a **1-Year Warranty** from the date of purchase, covering manufacturing defects under normal use. For any inquiries, technical assistance, or warranty claims, please contact our customer service.

Image: A customer service representative, indicating the availability of 24-hour customer service and a 1-year product warranty.

### Customer Service

We offer **24 Hours Customer Service** to assist you with any questions or issues you may have. Please refer to your purchase documentation for contact details or visit the official TEISVAY website.

### Environmental Responsibility

Using a bidet seat contributes to environmental sustainability by reducing toilet paper consumption.

Image: A graphic highlighting the environmental benefits of the bidet seat, including an Eco Mode that saves up to 60% power and the potential to save 90 rolls of toilet paper annually.
