5. MAINTENANCE AND CLEANING

Regular cleaning ensures optimal performance and hygiene of your grinder.

- **Spice Container:** The transparent spice container is washable. Detach it from the grinder body and wash with mild soap and water. Ensure it is completely dry before reattaching.
- **Grinder Body:** Wipe the exterior of the grinder body with a soft, damp cloth. Do not immerse the grinder body in water or any other liquid, as this can damage the electronic components.
- **Ceramic Grinding Core:** The ceramic grinding core is removable for periodic cleaning. Carefully remove it and clean any spice residue with a small brush. Ensure it is dry before reassembling.
