BONTEC MWS05-FBA

BONTEC Foldable Space-Saving Desk

Model: MWS05-FBA

1. SAFETY INFORMATION

Please read all safety instructions carefully before using the BONTEC Foldable Space-Saving Desk. Failure to follow these instructions may result in injury or damage to the product.

- Always ensure the desk is fully open and locked in position before use.
- Keep fingers and other body parts away from moving parts when adjusting the height or folding the desk to prevent pinching.
- Use the desk on a stable and flat surface to prevent tipping or instability.
- Do not exceed the maximum weight limit of 12.2 kg (approximately 26.9 lbs) on the desk surface. Overloading can cause damage or instability.

2. PRODUCT OVERVIEW

The BONTEC Foldable Space-Saving Desk is designed for versatility and ergonomic comfort, suitable for various environments such as bedrooms, living rooms, and offices. Its compact design allows for easy storage when not in use.

This image displays the BONTEC Foldable Desk. On the left, the desk is shown in its fully assembled, upright position with a laptop on its surface, ready for use. On the right, the desk is shown in its compact, folded state, highlighting its space-saving design.

Key Features:

- **Height Adjustable:** From 75.5 cm to 111 cm (29.7 to 43.7 inches) for ergonomic sitting or standing positions.
- **90° Adjustable Top:** Allows for various uses, including writing, reading, and compact storage.
- **Space-Saving Design:** Double folding mechanism for easy storage in small spaces.
- **Mobile with Lockable Wheels:** Four wheels, two of which are lockable, for easy movement and secure positioning.
- **Easy Assembly & Maintenance:** No tools required for assembly; waterproof top is easy to clean.

3. SETUP AND ASSEMBLY

The BONTEC Foldable Space-Saving Desk requires minimal assembly. No special tools are needed.

1. **Unpack the Desk:** Carefully remove all components from the packaging.
2. **Attach the Wheels:** The only assembly required is attaching the four wheels to the base. Ensure the two wheels with brakes are attached to the front arms of the base for optimal stability when locked.
3. **Unfold the Desk:** Gently unfold the desk from its compact storage position until it is fully extended. Ensure all locking mechanisms click into place securely.

This image highlights the mobility feature of the BONTEC Foldable Desk. It shows a person easily moving the desk across a room, emphasizing the convenience provided by its wheels. A close-up inset shows the 'Sturdy lockable wheels', indicating that the desk can be secured in place.

4. OPERATING INSTRUCTIONS

4.1. Adjusting Height

The desk's height can be adjusted to suit your preference for sitting or standing work.

1. Locate the height adjustment handle on the main column of the desk.
2. Press or squeeze the handle to release the locking mechanism.
3. Gently raise or lower the desktop to your desired height (between 75.5 cm and 111 cm).
4. Release the handle to lock the desk securely in place. Ensure it is stable before placing items on it.

This image demonstrates the height adjustability of the BONTEC Foldable Desk. It shows the desk at its minimum height of 755mm (suitable for sitting) and its maximum height of 1110mm (suitable for standing), catering to various user needs and postures. A 'Height Adjustment Handle' is highlighted.

4.2. Adjusting Tabletop Tilt

The desktop can be tilted up to 90 degrees for various activities or for compact storage.

1. Locate the flip handle or knob underneath the desktop.
2. Loosen the knob or engage the flip handle to release the tabletop lock.
3. Adjust the tabletop to your desired angle: 0°-30° for writing, 30°-60° for reading, or 90° for storage.
4. Tighten the knob or secure the flip handle to lock the tabletop in position.

Storage

This image illustrates the versatility of the BONTEC Foldable Desk's tabletop. It shows the desk with the top flat (0°), tilted for writing (0°-30°), tilted for reading (30°-60°), and fully folded to 90° for compact storage. A 'Flip Handle' is also indicated for adjusting the tilt.

## 4.3. Using the Lockable Edge Stopper

The desk features a lockable edge stopper to prevent items from sliding off when the tabletop is tilted.

- To engage the stopper, slide it to the left until it locks into place, creating a raised edge.
- To disengage the stopper, slide it to the right.
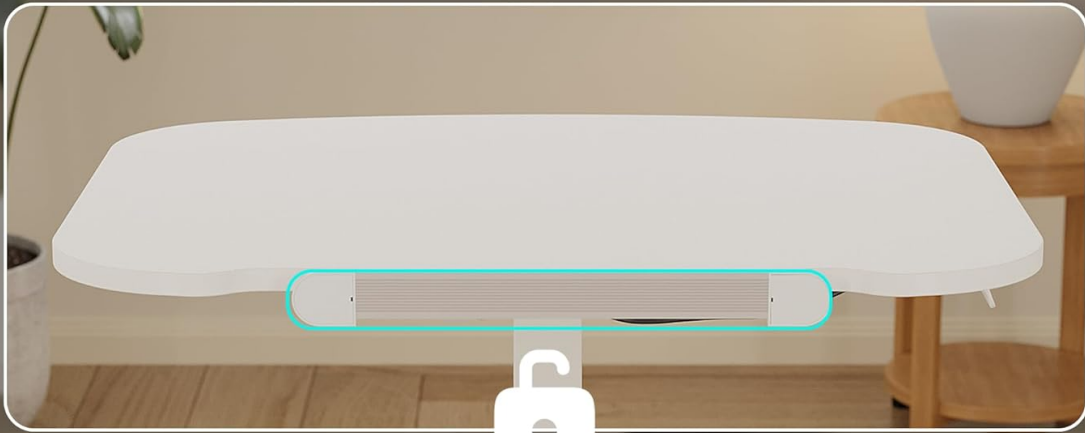

This image details the lockable edge stopper feature of the BONTEC Foldable Desk. It shows the stopper in two positions: locked (moved to the left, providing a barrier for items on the tilted surface) and unlocked (allowing the surface to be flat or items to be removed easily).

4.4. Moving and Locking the Desk

The desk is equipped with four wheels for easy mobility. Two of these wheels are lockable to secure the desk in position.

- To move the desk, ensure the wheel brakes are disengaged.
- To lock the desk in place, press down on the levers of the two lockable wheels until they click. This will prevent the desk from rolling.
- To unlock, lift the levers on the lockable wheels.

4.5. Folding for Storage

The desk features a double folding mechanism for compact storage.

1. Adjust the desk height to its lowest position.
2. Flip the desktop to the 90° vertical position.
3. Loosen the knob or engage the mechanism that allows the base to fold.
4. Fold the base inwards until the desk is in its compact, upright storage configuration.

Easy to Fold

Adjust the height to the lowest	90° Flip Desktop	Loosen the knob	Storage

This image provides a step-by-step guide on how to easily fold the BONTEC Foldable Desk for storage. The process involves adjusting the height to the lowest setting, flipping the desktop to 90 degrees, loosening a knob, and then folding the base for compact storage.

This image demonstrates the compact storage capabilities of the BONTEC Foldable Desk. It shows the desk neatly stored under a bed and upright next to a sofa, illustrating how it can be discreetly put away in small living spaces when not in use.

5. MAINTENANCE

The BONTEC Foldable Space-Saving Desk is designed for simple maintenance.

- **Cleaning:** The desk features a waterproof top that is easy to clean. Use a soft, damp cloth and mild detergent if necessary. Avoid abrasive cleaners or harsh chemicals that could damage the surface.
- **Inspection:** Periodically check all screws and connections to ensure they are tight and secure. Retighten if necessary.
- **Moving Parts:** Keep the height adjustment mechanism and folding joints free of dust and debris to ensure smooth operation.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your BONTEC Foldable Space-Saving Desk.

- **Desk is wobbly:** Ensure all wheels are securely attached and, if applicable, the two lockable wheels are engaged. Check that the height adjustment mechanism is fully locked. Ensure the desk is on a flat, stable surface.
- **Difficulty adjusting height:** Check for any obstructions in the column. Ensure the height adjustment handle is fully engaged when attempting to move the desk and fully released to lock it.
- **Tabletop does not tilt smoothly:** Ensure the tilt knob/handle is sufficiently loosened. Check for any debris or obstructions in the tilting mechanism.
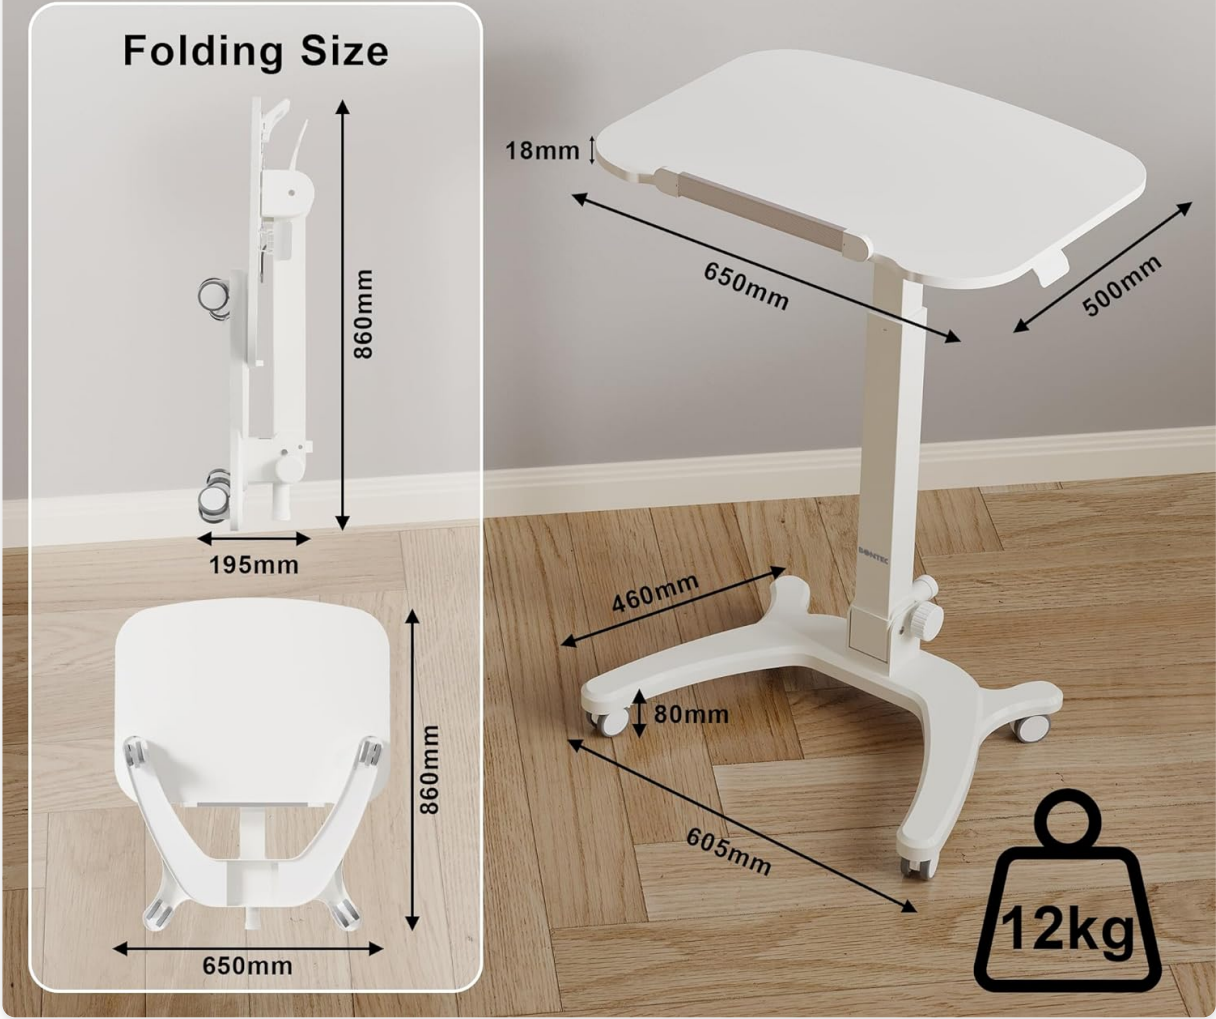

If you experience issues not covered here, please contact BONTEC customer support.
