

MoKo P840401427200

MoKo Keyboard Case for iPad Pro 13 Inch (M4, 2024) - Instruction Manual

Model: P840401427200

INTRODUCTION

Thank you for choosing the MoKo Keyboard Case for your iPad Pro 13 Inch (M4, 2024/2025). This manual provides detailed instructions on how to set up, operate, and maintain your new keyboard case to ensure optimal performance and protection for your device. Please read this manual thoroughly before use.

COMPATIBILITY

This keyboard case is specifically designed for the following models:

- NEW iPad Pro 13 Inch (M4) 2024 (Models: A2925, A2926, A3007)
- iPad Pro 13 Inch (M5) 2025 (Models: A3360, A3361, A3362)

Note: This case is **not** compatible with iPad Pro 12.9" (2022/2021/2020/2018), iPad Air 12.9" 2024, or any other iPad models. Please verify your iPad model number on the back of your device before use.

Multi-touch Trackpad

Transform the way you navigate your iPad using the large precision trackpad with multi-touch gesture support.

WHAT'S IN THE BOX

Your package should contain the following items:

- 1 x MoKo iPad Pro 13 Inch Case
- 1 x Magnetic Wireless Keyboard
- 1 x User Manual

Note: Apple Pencil is not included.

SETUP

1. Installing Your iPad

1. Gently align your iPad Pro 13 Inch with the case.
2. Press the iPad firmly into the protective TPU back case until it is securely seated. Ensure all edges are properly covered.

2. Connecting the Keyboard (Bluetooth Pairing)

1. **Charge the Keyboard:** Ensure the keyboard is sufficiently charged. Connect the charging cable to the keyboard and a power source.
2. **Power On:** Push the power switch on the keyboard to the "ON" position. The power indicator light will illuminate for 3 seconds.
3. **Activate Pairing Mode:** Press the **Fn + C** keys simultaneously on the keyboard. The Bluetooth indicator light will start blinking, indicating the keyboard is in pairing mode.
4. **Enable Bluetooth on iPad:** On your iPad, go to **Settings > Bluetooth** and turn Bluetooth ON.
5. **Select Keyboard:** Your iPad will search for available devices. Select "Bluetooth Keyboard" (or similar name) from the list of devices.
6. **Confirm Connection:** Once connected, the Bluetooth indicator light on the keyboard will stop blinking. Your keyboard is now paired and ready for use.

OPERATING INSTRUCTIONS

1. Using the Multi-Touch Trackpad

The integrated multi-touch trackpad allows for precise navigation and gesture control on your iPad, eliminating the

need for an external mouse. Common gestures include:

- **Single Finger Tap:** Left-click.
- **Two Finger Tap:** Right-click (context menu).
- **Two Finger Scroll:** Scroll up/down or left/right.
- **Pinch to Zoom:** Zoom in or out.
- **Three Finger Swipe Up:** Open App Switcher.
- **Three Finger Swipe Down:** Return to Home Screen.

2. Adjusting Backlight Colors and Brightness

The keyboard features 7 different backlight colors and 3 adjustable brightness levels for comfortable typing in various lighting conditions.

- **Change Backlight Color:** Press the **RGB key** (often depicted with a lightbulb icon) to cycle through the 7 available colors.
- **Adjust Brightness:** Press the **Fn + RGB key** (or a dedicated brightness key) to cycle through the 3 brightness levels (low, medium, high, off).

3. Utilizing Multi-Angle Stands

The case offers multiple stable viewing angles to enhance your experience whether you are typing, watching videos, browsing, or reading. The anti-slip grooves ensure your iPad remains secure in your chosen position.

- Adjust the iPad's position within the case to align with the desired groove for your preferred viewing angle.

5. Charging the Keyboard

To charge the keyboard, connect the provided USB-C charging cable to the keyboard's charging port and a suitable USB power adapter. The charging indicator light will show the charging status.

- **Charging Time:** Approximately 2 hours for non-backlit use, 3 hours for backlit use.
- **Working Time:** Up to 90 hours for non-backlit typing, up to 5 hours for backlit typing.

MAINTENANCE

To ensure the longevity and optimal performance of your MoKo Keyboard Case, follow these maintenance guidelines:

- **Cleaning the Case:** Wipe the exterior of the case with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Keyboard:** Use a soft, dry cloth to clean the keyboard surface. For dust between keys, use compressed air. Do not spray liquid directly onto the keyboard.
- **Storage:** When not in use for extended periods, store the keyboard case in a cool, dry place. Ensure the keyboard is turned off to conserve battery.
- **Avoid Extreme Conditions:** Do not expose the product to extreme temperatures, direct sunlight, or high humidity.
