boAt Lunar Discovery

boAt Lunar Discovery Smartwatch User Manual

Model: Lunar Discovery

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your boAt Lunar Discovery Smartwatch. Please read this manual thoroughly before operating the device and retain it for future reference. The boAt Lunar Discovery is designed to enhance your daily life with features like a 1.39-inch HD display, turn-by-turn navigation, Bluetooth calling, and comprehensive health monitoring.

2. WHAT'S IN THE BOX

Upon unboxing your boAt Lunar Discovery Smartwatch, you should find the following items:

- boAt Lunar Discovery Smartwatch
- Charging Cable
- User Manual

3. SETUP GUIDE

3.1 Initial Charging

Before first use, fully charge your smartwatch. Connect the provided charging cable to the charging port on the back of the watch and plug the USB end into a compatible power adapter (not included). A full charge typically takes approximately 2 hours.

3.2 Power On/Off

To power on, press and hold the side button until the boAt logo appears. To power off, press and hold the side button, then select 'Power Off' on the screen.

3.3 App Installation and Pairing

Download the boAt Crest App from your smartphone's app store. Open the app, create an account or log in, and follow the on-screen instructions to pair your Lunar Discovery smartwatch via Bluetooth. Ensure Bluetooth is enabled on your smartphone.

4.5 Health and Wellness Monitoring

The Lunar Discovery smartwatch offers comprehensive health tracking features:

- **Heart Rate Monitoring:** Track your heart rate throughout the day.
- **SpO2 Monitoring:** Measure your blood oxygen saturation levels.
- **Sleep Monitoring:** Analyze your sleep patterns and quality.
- **Energy Score:** Provides insights into your body's energy levels.
- **700+ Active Modes:** Track a wide range of sports and activities.
- **Daily Activity Tracker:** Monitor steps, distance, and calories burned.
- **Sedentary Alerts:** Receive reminders to move after periods of inactivity.

Up to 7 Days of Battery Life

4 Days with BT Calling

4.8 Emergency SOS

In case of an emergency, the smartwatch features an SOS function to quickly alert pre-selected contacts.

4.9 Battery Life

The boAt Lunar Discovery offers up to 7 days of battery life under normal usage without Bluetooth calls. With Bluetooth calling enabled, the battery life is approximately 4 days.

5. MAINTENANCE

To ensure the longevity and optimal performance of your boAt Lunar Discovery Smartwatch, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the watch screen and strap with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then dry thoroughly.
- **Charging:** Use only the provided charging cable. Avoid exposing the charging contacts to water or corrosive liquids.
- **Storage:** Store the watch in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** While IP67 rated, avoid prolonged submersion in water, hot water, or chemical liquids. Do not press buttons underwater.

6. TROUBLESHOOTING

If you encounter issues with your smartwatch, refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the watch. Restart both devices and try pairing again through the boAt Crest App.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors regularly.
- **Notifications not received:** Check app permissions on your phone to ensure the boAt Crest App has access to notifications. Verify that DND (Do Not Disturb) mode is not active on the watch.
- **Short battery life:** Reduce screen brightness, disable continuous heart rate monitoring, or limit Bluetooth calling frequency to extend battery life.

For further assistance, please contact boAt customer support.
