R for Rabbit Lullabies

R for Rabbit Lullabies Automatic Baby Cradle Swing User Manual

Model: Lullabies | Brand: R for Rabbit

1. INTRODUCTION

Thank you for choosing the R for Rabbit Lullabies Automatic Baby Cradle Swing. This manual provides essential information for the safe assembly, operation, and maintenance of your baby's new cradle. Please read all instructions carefully before use and retain this manual for future reference.

The R for Rabbit Lullabies cradle is designed to provide a comfortable and soothing environment for infants aged 0 to 2 years, supporting a maximum weight of 12 kg. It features an automatic swing mechanism, remote control, smart timer, and soothing music to assist in calming your baby.

2. IMPORTANT SAFETY WARNINGS

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- **EN Certified:** This product is EN Certified, meeting stringent European safety standards for babies.

- **Age and Weight Limit:** Suitable for infants from 0 to 2 years, with a maximum weight capacity of 12 kg. Do not use for children exceeding this weight or age.

- **Supervision:** Never leave your child unattended in the cradle. Always keep your child in view.

- **Harness System:** Always use the 5-point safety harness to secure your child in the cradle. Ensure it is properly adjusted and fastened.

- **Assembly:** Ensure the cradle is fully and correctly assembled before placing a child inside.

- **Placement:** Place the cradle on a flat, stable, and level surface. Do not place near windows, cords, or heat sources.

- **Modifications:** Do not modify the cradle or use accessories not approved by R for Rabbit.

- **Choking Hazard:** Keep small parts away from children. Regularly check for loose or damaged components.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Cradle Bed with Bedside Table (main sleeping unit)
- Frame Components (legs and support structure)
- Mosquito Net
- Remote Control
- Power Adapter
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

The R for Rabbit Lullabies cradle features a 'Plug & Play' installation design for easy setup.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.

2. **Assemble Frame:** Connect the frame components as indicated in the diagrams. Ensure all connections click securely into place. The anti-skid base should be facing downwards.

3. **Attach Cradle Bed:** Securely attach the cradle bed unit to the assembled frame. Verify that it is firmly seated and stable.

4. **Install Mosquito Net:** Drape and secure the mosquito net over the cradle bed, ensuring full coverage and proper attachment points.

5. **Power Connection:** Connect the power adapter to the cradle and plug it into a suitable electrical outlet. Alternatively, insert 4 AA batteries into the designated battery compartment (batteries not included).

6. **Final Check:** Before first use, double-check all connections, the stability of the frame, and the security of the safety harness.

5. OPERATING INSTRUCTIONS

5.1 Powering the Cradle

The cradle can be powered using two methods:

- **Power Adapter:** Connect the provided power adapter to the cradle and a wall outlet.
- **AA Batteries:** Insert 4 AA batteries into the battery compartment located on the side of the cradle's control unit. This provides portability.

5.2 Automatic Swing Function

The cradle features a remote-controlled automatic swing mechanism with 5 adjustable speeds.

- **Activate Swing:** Press the 'Swing' button on the remote control or the control panel on the cradle.

- **Adjust Speed:** Use the speed buttons (1-5) on the remote to select the desired swing intensity. Speed 1 is the gentlest, and Speed 5 is the fastest.
- **Manual Swing:** The cradle also supports manual swinging if preferred.

5 Levels of Gentle Swing Mode

Smooth & gentle swing as per European Standards to ensures baby's utmost safety

5.5 Mosquito Net

The integrated mosquito net provides protection for your baby from insects.

- **Deployment:** Unfold the mosquito net and secure it around the cradle opening.
- **Storage:** When not in use, the net can be folded away or removed.

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and hygiene of your R for Rabbit Lullabies cradle.

- **Cleaning Fabric:** The fabric components of the cradle should be hand washed only. Use mild soap and cold water. Do not bleach or tumble dry.
- **Cleaning Frame:** Wipe the metal and plastic frame components with a damp cloth and mild soap. Dry thoroughly.
- **Regular Checks:** Periodically inspect all parts for wear, damage, or loose fasteners. Tighten any loose

screws. Discontinue use if any part is broken or missing.

- **Storage:** When not in use for extended periods, store the cradle in a clean, dry place away from direct sunlight and extreme temperatures.

7. TROUBLESHOOTING

If you encounter any issues with your cradle, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cradle does not swing automatically.	No power; remote control batteries low; motor issue.	Ensure power adapter is securely plugged in or replace AA batteries. Check remote control batteries. If issue persists, contact customer support.
Music is not playing or is too quiet.	Volume too low; music not selected.	Increase volume using the remote or control panel. Select a tune or nature sound.
Remote control is unresponsive.	Remote control batteries low or depleted.	Replace the button cell battery in the remote control. Ensure line of sight to the cradle's receiver.
Cradle feels unstable.	Improper assembly; placed on uneven surface.	Re-check all assembly connections. Ensure the cradle is on a flat, level, and stable surface.
