4.2. General Assembly Steps

1. **Unpack and Organize:** Open the product box and carefully remove all numbered bags of building pieces, the instruction manual, and the brick separator. Organize the bags according to their numbers.
2. **Follow the Manual:** Refer to the colorful HD instruction manual. Each section of the manual corresponds to a numbered bag or a specific flower assembly.
3. **Assemble Individual Flowers:** Begin by assembling each flower and leaf component as directed in the manual. Pay close attention to the color and shape of the bricks.
4. **Assemble the Vase:** Construct the decorative vase using the dedicated vase block set and instructions. The assembled vase will be approximately 3.5 inches wide and 5.5 inches tall.
5. **Insert Stems:** Once all flowers and leaves are assembled, attach them to their respective stems. The stem lengths are adjustable to fit vases ranging from 6 to 10 inches.
6. **Arrange in Vase:** Carefully place the assembled flowers and leaves into the constructed vase. Adjust their positions and stem lengths to create your desired floral arrangement. The final arrangement will

be approximately 14 inches tall when placed in the vase.

5. USAGE AND DISPLAY

Once assembled, your BrickTribe Flower Bouquet can be displayed in various settings. The adjustable stem lengths allow for customization to fit different vase sizes and aesthetic preferences.

- **Arrangement:** Experiment with different arrangements of the flowers and leaves within the vase to create unique displays.
- **Placement:** Ideal for home decor, office desks, dining tables, or as a centerpiece.
- **Compatibility:** The bouquet is compatible with clear glass or ceramic vases of various colors, allowing for diverse display options.

6. MAINTENANCE

To keep your BrickTribe Flower Bouquet looking its best:

- **Cleaning:** Dust regularly with a soft, dry cloth or a soft brush. For deeper cleaning, gently wipe with a damp cloth and allow to air dry completely. Avoid harsh chemicals.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss.

7. TROUBLESHOOTING

Issue	Possible Cause	Solution
Missing pieces	Manufacturing error or pieces misplaced during assembly.	Carefully check all packaging and the assembly area. If pieces are genuinely missing, contact BrickTribe customer service.
Difficulty connecting bricks	Incorrect orientation or slight manufacturing variations.	Ensure bricks are correctly aligned. Apply firm, even pressure. Use the included brick separator to detach incorrectly placed bricks.
Unclear bag labeling	Bags may not be explicitly numbered 1, 2, 3, etc.	Refer to the instruction manual's diagrams for piece identification. Often, a number after a period in the serial number on the bag indicates the corresponding manual section.
