

Aroepurt SP-7250

Instruction Manual for Aroepurt Case Compatible for Siragon SP-7250 Phone

Model: SP-7250 | Brand: Aroepurt

1. INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your Aroepurt Case Compatible for Siragon SP-7250 Phone Case Stand Cover. This product is designed to offer robust protection and enhanced functionality for your Siragon SP-7250 smartphone, including a built-in stand, magnetic support, and a tempered glass screen protector.

Please read this manual carefully before using the product to ensure proper installation and to maximize its benefits.

2. WHAT'S IN THE BOX

Upon opening the package, please verify that all components are present and undamaged:

- 1 x Aroepurt Phone Case (Red)
- 1 x Tempered Glass Screen Protector

3. PRODUCT FEATURES

The Aroepurt Case for Siragon SP-7250 offers several key features:

- **Hybrid Construction:** Combines a durable PC hard back panel with a soft silicone frame for comprehensive protection.
- **Shock Airbags:** Features four-corner shock airbags designed to absorb impact from drops.
- **Integrated Folding Stand:** Provides multi-angle support for hands-free viewing.
- **Magnetic Support:** Compatible with magnetic car mounts for convenient in-car use.
- **Frosted Anti-Fingerprint Surface:** Reduces fingerprints and smudges, maintaining a clean appearance.
- **Carbon Fiber Texture:** Stylish design element on the case back.
- **Enhanced Protection:** Case design is higher than the camera and screen for improved flat surface protection.
- **Tempered Glass Screen Protector:** Included for additional screen defense against scratches and impacts.

4. SETUP AND INSTALLATION

4.1 Installing the Phone Case

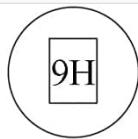

1. Ensure your Siragon SP-7250 phone is clean and free of dust or debris.

2. Gently insert the phone into the soft silicone frame of the case, starting with one side and then pressing the other side into place.
3. Ensure all corners and edges of the phone are securely seated within the case.

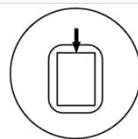

4.2 Installing the Tempered Glass Screen Protector

For optimal adhesion and clarity, perform this installation in a dust-free environment.

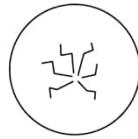

1. **Clean the Screen:** Use the provided alcohol wipe to thoroughly clean your phone's screen. Follow with the microfiber cloth to dry and remove any streaks. Ensure no dust particles remain.
2. **Align the Protector:** Carefully peel off the protective film from the adhesive side of the tempered glass. Align the screen protector with the edges of your phone's screen, paying attention to cutouts for the camera and speaker.
3. **Apply and Smooth:** Once aligned, gently lower the protector onto the screen. The adhesive will begin to spread. Use your finger or a soft card to push out any air bubbles towards the edges.

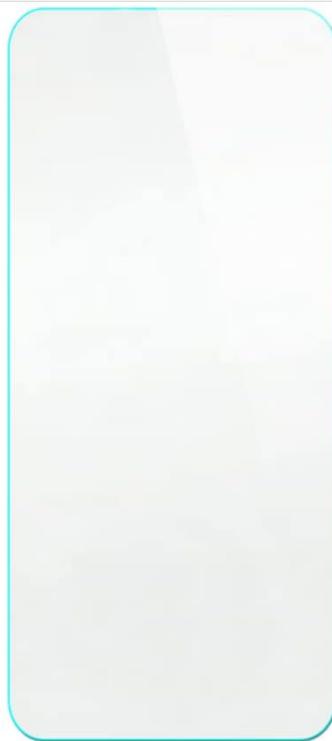

9H High Hardness

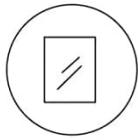

Perfect Adhesion

Shatterproof

Case Friendly

Scratch Proof

Scratch proof screen effectively avoids sharp objects scratching or abrasion

Image: Demonstrates the scratch-proof capability of the tempered glass screen protector, showing it resisting damage from a hammer impact.

5. OPERATING INSTRUCTIONS

5.1 Using the Folding Stand

The integrated stand allows for hands-free viewing in both portrait and landscape orientations.

- To deploy the stand, locate the kickstand on the back of the case and gently pull it outwards until it locks into position.
- Adjust the angle by slightly pushing or pulling the phone until the desired viewing angle is achieved.
- To retract the stand, gently push it back into its recess until it sits flush with the case.

Drop Protection

Protects your phone when dropping and keeps it secure at all times

Image: The phone case with its kickstand extended, demonstrating its use for horizontal media viewing.

One-Hand Operation

Touch more spots on the screen

Effectively prevent accidental drops of cell phones

Wristband

Slip-proof & drop-proof
Stay carefree

Magnetic

Fit car magnetic mount

Image: The phone case with its kickstand extended, demonstrating its use for vertical viewing, such as video calls.

5.2 Using the Hand Strap/Wristband

The integrated strap on the back of the case provides a secure grip for one-handed operation and helps prevent accidental drops.

- Slide your fingers through the strap to comfortably hold your phone. This enhances stability while typing, browsing, or taking photos.

Multi-function Stand Case

For hands-free viewing and secure holding

Image: A person holding the phone securely using the integrated hand strap/wristband, demonstrating its use for one-handed operation and preventing drops.

5.3 Using the Magnetic Feature

The case contains an integrated magnetic plate for compatibility with magnetic car mounts (mount not included).

- Simply place the back of the phone case onto a compatible magnetic car mount. The strong magnet will securely hold your device.

6. MAINTENANCE

To ensure the longevity and appearance of your phone case and screen protector, follow these maintenance guidelines:

- Cleaning the Case:** Wipe the case regularly with a soft, damp cloth. For stubborn stains, a mild soap solution can be used. Avoid harsh chemicals or abrasive cleaners.
- Cleaning the Screen Protector:** Use a microfiber cloth to gently wipe the screen protector. For smudges, a screen cleaner spray designed for electronics can be used.
- Avoid Extreme Temperatures:** Do not expose the case or screen protector to extreme heat or cold, as this

may affect their material integrity.

- **Inspect Regularly:** Periodically check the case for any signs of wear or damage, especially around the corners and edges.

7. TROUBLESHOOTING

If you encounter any issues with your Aroepurt phone case or screen protector, refer to the following common solutions:

- **Case Does Not Fit Properly:**

- Ensure you have the correct model case for your Siragon SP-7250 phone.
- Remove any existing screen protectors or films that might interfere with the fit.

- **Bubbles Under Screen Protector:**

- Small bubbles often disappear within 24-48 hours.
- For larger bubbles, gently lift the nearest edge of the protector and re-apply, pushing the bubble out with a soft card. Ensure the screen is dust-free before re-application.

- **Stand Not Holding Position:**

- Ensure the stand is fully extended and locked into its designated position.
- Avoid placing excessive weight or force on the stand.
