4. ASSEMBLY INSTRUCTIONS

Your COBI construction set includes a detailed, step-by-step instruction booklet. Please follow these instructions carefully for optimal assembly.

1. **Unpack Components:** Carefully open the box and remove all block elements and the instruction booklet. Verify that all 93 elements are present.
2. **Review Instructions:** Before starting, familiarize yourself with the entire instruction booklet. Pay attention to the order of steps and any specific warnings.
3. **Assemble Step-by-Step:** Follow the illustrated instructions sequentially. Each step shows which blocks to use and where to place them.
4. **Ensure Secure Connections:** Press blocks firmly together to ensure a stable and durable connection.
5. **Verify Placement:** Double-check each step to ensure blocks are placed correctly according to the diagrams.

If you encounter any difficulties, refer back to the instruction booklet or contact COBI customer support.

5. CARE AND MAINTENANCE

To ensure the longevity and appearance of your COBI model, follow these care guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For more thorough cleaning, gently wipe with a slightly damp cloth and then dry immediately. Avoid harsh chemicals or abrasive cleaners.

- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid accidental disassembly or damage to delicate parts.

6. TROUBLESHOOTING

If you encounter issues during or after assembly, consider the following:

- **Missing Parts:** Carefully re-check the packaging and surrounding area for any small, overlooked pieces. If parts are genuinely missing, contact COBI customer support with your model number and a description of the missing parts.
- **Assembly Difficulties:** Review the instruction booklet again, paying close attention to the specific step causing difficulty. Sometimes, a small detail can be missed. Ensure blocks are oriented correctly.
- **Loose Connections:** Ensure all blocks are pressed firmly together. If a connection remains loose, check if the correct block type is being used as per the instructions.
