## IMPORTANT SAFETY INFORMATION

Your child's safety is our top priority. Please read and follow all instructions carefully to ensure safe use of this product.

- **Tip-Over Prevention:** This dresser is designed to meet or exceed ASTM F2057-23 standards from CPSC to reduce the risk of tip-over. Always use the included anti-tip kit to secure the dresser to a wall.
- **Chemical Safety:** The multi-step painting process used is lead- and phthalate-free, ensuring a safe environment for your child.
- **Supervision:** Never leave a child unattended near the dresser, especially if drawers are open.
- **Weight Limits:** Do not overload drawers. Distribute weight evenly.

**Figure 2:** Image highlighting the product's safety certifications, including Greenguard Gold certification for low chemical emissions. This emphasizes the commitment to a healthier environment for your baby.

## SETUP AND ASSEMBLY

This dresser requires assembly. Please ensure all parts are present before beginning. Refer to the separate assembly instructions provided with your purchase for detailed step-by-step guidance.

### Converting to a Changing Station (Optional)

The Sammy Scallop Dresser can be easily converted into a convenient changing station by adding a compatible DaVinci changing tray (Model #M0619, sold separately). This allows the dresser to serve a dual purpose during your child's infant years.

**Figure 3:** Diagram illustrating the transformation of the dresser into a changing station by adding a changing tray. The image shows the dresser on the left and the dresser with the changing tray on top on the right, indicating the easy conversion.

## OPERATING INSTRUCTIONS

The DaVinci Sammy Scallop Dresser is designed for ease of use and durability.

- **Drawer Operation:** The dresser features pre-installed Euro-glides, allowing for smooth and easy opening and closing of the drawers, even when your hands are full.
- **Storage:** Utilize the six spacious drawers to organize clothing, blankets, toys, and other essentials.
- **Changing Station Use:** If using with a changing tray, always ensure the tray is securely placed and follow all safety guidelines for infant changing.

## MAINTENANCE AND CARE

Proper care will help maintain the beauty and longevity of your dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or strong chemicals, as they

may damage the finish.

- **Dusting:** Regularly dust with a dry, soft cloth.
- **Spills:** Clean spills immediately to prevent staining.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Humidity:** Maintain a consistent humidity level in the room to prevent wood from warping or cracking.

## TROUBLESHOOTING

---

If you encounter any issues with your dresser, consider the following common solutions:

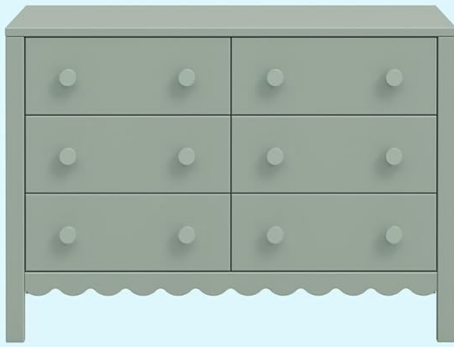

- **Sticky Drawers:** Ensure drawers are properly aligned on their glides. Check for any obstructions within the drawer tracks. A small amount of silicone spray on the glides can improve smoothness.
- **Wobbling/Instability:** Verify that all assembly hardware is tightened securely. Ensure the dresser is placed on a level surface. Re-check the anti-tip kit installation.
- **Damaged Finish:** For minor scratches, touch-up paint may be available from the manufacturer. Avoid using harsh chemicals for cleaning.
