ODK B040118

ODK Gaming Desk User Manual

Model: B040118

1. Introduction

Thank you for choosing the ODK Gaming Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new gaming desk. Please read it thoroughly before use and retain it for future reference.

2. Safety Warnings

Attention: Please assemble the desk carefully and adhere to the table's weight load capacity to prevent injuries.

- Ensure all screws and fasteners are tightened securely during assembly.
- Do not exceed the maximum weight capacity of the desk. Refer to the specifications section for details.
- Keep electrical components (power outlets, LED lights) away from liquids.
- Do not attempt to modify the desk's structure or electrical components.
- Place the desk on a flat, stable surface to prevent tipping.

3. Product Features

- **Integrated Power Connection:** Equipped with a built-in power panel featuring 2 outlets and 2 USB ports for convenient device charging.
- **Integrated LED Lights:** Features an RGB LED strip on the monitor shelf, offering 10 static colors and 10 dynamic modes for enhanced gaming ambiance.
- **Removable Monitor Shelf:** Large monitor shelf designed to accommodate a monitor arm, two 24-inch screens, plus a PS5.
- **Z-shaped Table Legs:** Utilizes a robust mechanical structure with Z-shaped legs and two independent triangular mechanical structures for improved stability and high safety factor.
- **Carbon Fiber Tabletop:** Professional tabletop with a carbon fiber coating, making it waterproof, scratch-resistant, and easy to clean and maintain. Suitable for gaming, studying, and working.
- **Quick Assembly:** Comes with detailed assembly instructions, clearly labeled parts, and assembly tools.

4. Setup and Assembly

The ODK Gaming Desk is designed for quick and straightforward assembly. Please follow the included detailed instructions carefully.

1. **Unpack Components:** Carefully unpack all parts and verify against the parts list provided in the separate assembly manual. Ensure all parts are present and undamaged.
2. **Assemble Frame:** Begin by assembling the Z-shaped table legs and crossbars according to the diagrams. Use the provided tools and ensure all screws are finger-tight before final tightening.
3. **Attach Tabletop:** Secure the carbon fiber tabletop to the assembled frame. Ensure proper alignment before tightening all screws firmly.
4. **Install Monitor Shelf:** Attach the removable monitor shelf to the designated area on the tabletop.
5. **Integrate LED Strip:** Carefully install the LED strip into its designated slot.*Note: Some users have reported that*

installing the LED strip before fully securing the tabletop might be easier. If you encounter difficulty, consider temporarily loosening tabletop screws to properly seat the LED strip.

6. **Connect Power Panel:** Install the integrated power panel and connect its power cable.
7. **Attach Accessories:** Install the headphone hook and cup holder as desired.
8. **Final Check:** Double-check all connections and screws to ensure the desk is stable and secure before placing any equipment on it.

5. Operating Instructions

5.1. LED Lighting System

The integrated RGB LED strip provides customizable lighting effects.

- **Power On/Off:** Use the ON/OFF button on the RGB Lights Controller to turn the LED lights on or off.

- **Static Colors:** Press the 'C' (Color) button to cycle through 10 static color options.
- **Dynamic Modes:** Press the 'M' (Mode) button to cycle through 10 dynamic lighting modes.
- **Adjust Brightness/Speed:** Use the speed/brightness adjustment buttons to increase or decrease the brightness of static colors or the speed of dynamic modes.

Image: The RGB Lights Controller, showing buttons for power, color, mode, and speed/brightness adjustments.

5.2. Integrated Power Outlets and USB Ports

The desk includes a built-in power panel for convenient charging.

- Plug the desk's main power cable into a standard wall outlet.
- Use the two AC outlets (220-250V/16A) to power your computer, monitor, or other devices.
- Use the two USB ports (5V/2A) to charge smartphones, tablets, or other USB-powered devices.

6. Maintenance

The carbon fiber tabletop is designed for easy maintenance.

- **Cleaning:** Wipe the tabletop with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the carbon fiber coating.
- **Spills:** The tabletop is waterproof. In case of spills, wipe them immediately to prevent any potential damage to underlying components or the desk's finish.
- **Structural Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Electrical Components:** Keep the power outlets and USB ports clean and free of dust. Do not insert foreign objects into the ports.

7. Troubleshooting

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose screws; uneven floor.	Check and tighten all assembly screws. Ensure the desk is on a flat surface. Adjust leveling feet if available.
LED lights are not turning on.	Power cable not connected; LED strip not properly seated; controller malfunction.	Ensure the desk's main power cable is plugged in. Check if the LED strip is fully inserted into its slot. Verify controller connection.
Power outlets/USB ports not working.	Desk's main power cable unplugged; circuit breaker tripped; faulty device.	Confirm the desk's power cable is securely plugged into a live outlet. Check your home's circuit breaker. Test with a different device.
Difficulty installing LED strip during assembly.	Misalignment with tabletop.	If the LED strip does not fit easily, slightly loosen the screws holding the tabletop to the frame, insert the LED strip, then retighten the screws.

8. Specifications

Brand: ODK

Model Number: B040118 (011801001)

Color: Black Carbon Fiber with Monitor Shelf

Product Dimensions (L x W x H): 120 x 50 x 75 cm (47.2 x 19.7 x 29.5 inches)

Item Weight: 10.8 Kilograms (23.8 lbs)

Material: Carbon Fiber (Tabletop), Metal (Frame)

Special Features: Integrated LED Lighting, Removable Monitor Shelf, Z-shaped Table Legs, Integrated Power Outlet (2 AC, 2 USB), Carbon Fiber Tabletop.

Power Outlet Specifications: 220-250V/16A AC outlets, 5V/2A USB ports.
