

BrickSoul 21265 Upgrade Design

BrickSoul LED Light Kit for LEGO Minecraft The Crafting Table 21265

Model: 21265 Upgrade Design
Brand: BrickSoul

1. INTRODUCTION

This BrickSoul LED Light Kit is specifically designed to enhance your LEGO Minecraft The Crafting Table 21265 building set. It transforms your model into a vibrant and dynamic display piece, bringing intricate details to life with custom lighting. This manual provides comprehensive instructions for the safe and effective use of your lighting kit, ensuring a smooth installation and an impressive final result.

2. WHAT'S IN THE BOX

Please verify that all components listed below are included in your package:

- 21265 LED Light Kit components
- Battery Box (AAA batteries not included)
- Instructions for Use (digital guides available online)

Image: Package contents of the BrickSoul LED Light Kit, showing the light components, instruction manual, and battery box.

3. SAFETY INFORMATION

- The light kit is made from premium ABS plastic and copper wire, ensuring durability and safety.
- Power the kit using a USB connection or AAA batteries (not included). The recommended input voltage is 3-5V.
- Ensure proper voltage to prevent damage to the lights or your LEGO model.
- Handle wires and connectors with care to avoid bending or breaking.
- This product is designed for adults and is not a toy. Keep out of reach of small children.

4. SETUP AND INSTALLATION

The BrickSoul LED kit is designed for easy installation. Follow the step-by-step instructions provided in the numbered bags and refer to the clear online video or PDF guides for detailed visual assistance. Installation typically involves

removing a few bricks from your LEGO model, integrating the lights, and then reassembling the bricks. The lighting kit is expertly designed to integrate neatly into your model, ensuring a smooth and professional appearance without tangled wires or clutter.

5. OPERATING INSTRUCTIONS

Once the light kit is fully installed, connect it to a power source. You have two options:

- **USB Power:** Connect the provided USB cable to a compatible USB power adapter (e.g., phone charger, power bank, computer USB port) with a 3-5V output.
- **Battery Power:** Insert AAA batteries (not included) into the battery box, ensuring correct polarity.

The light kit typically features an on/off function. Activate the lights by using the switch on the battery box or by connecting/disconnecting the USB power source.

6. MAINTENANCE

- Keep the light kit and your LEGO model clean and free from dust using a soft, dry cloth or a soft brush.

- Avoid exposing the kit to excessive moisture or extreme temperatures.
- Periodically check wire connections to ensure they are secure.
- If using batteries, replace them when lights dim or stop working to ensure optimal performance.

7. TROUBLESHOOTING

- **Lights not turning on:** Verify that the power source (USB or batteries) is connected correctly and providing power. If using batteries, ensure they are new or fully charged and inserted with the correct polarity.
- **Dim or flickering lights:** This may indicate a low battery charge or an insufficient power supply. Replace batteries or try a different USB power source.
- **Individual lights not working:** Check the connections for that specific light. Gently re-seat any loose connectors. If a wire appears bent or broken, contact BrickSoul support for assistance.
- **Wires are tangled:** The kit is designed for clean wiring. If wires become tangled during installation, carefully untangle them and re-route as per the instructions to maintain a neat appearance.

8. SPECIFICATIONS

- **Product Dimensions:** 4.3 x 5.3 x 3 inches
- **Item Weight:** 4.8 ounces
- **Item Model Number:** 21265-cv
- **Manufacturer:** BrickSoul
- **Recommended Power Input:** 3-5V (USB or AAA batteries)
- **Materials:** ABS plastic, Copper wire

9. WARRANTY AND SUPPORT

BrickSoul stands behind the quality of its products. We offer a worry-free warranty and support for your LED light kit.

- **Accidental Damage:** In case of a bent connector, broken wire, or other accidental damage, BrickSoul offers quick and hassle-free replacements.
- **Customer Support:** If you encounter any issues or have questions regarding installation, operation, or maintenance, please do not hesitate to contact the BrickSoul support team. We are committed to ensuring a smooth and stress-free lighting experience for all our customers.
