Aitjunz BROWN

Aitjunz 26-inch Tall Nightstand with Charging Station

Model: BROWN

INTRODUCTION

Thank you for choosing the Aitjunz 26-inch Tall Nightstand with Charging Station. This manual provides essential information for the proper assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

This nightstand combines functional storage with modern convenience, featuring two drawers, an open shelf, and an integrated charging station. Its design incorporates Roman column elements for a rustic aesthetic.

Important Safety Information

- Ensure the nightstand is placed on a flat, stable surface to prevent tipping.
- Do not overload the shelf or drawers beyond their intended capacity.
- Keep all electrical cords and the charging station away from water and heat sources.
- Use the charging station only with the provided power outlet and ensure it is properly grounded.
- Keep small parts away from children during assembly.

SETUP AND ASSEMBLY

Assembly is required for this nightstand. Please follow the detailed instructions provided in the packaging. All accessories are labeled to facilitate the assembly process.

OPERATING INSTRUCTIONS

Charging Station Usage

The nightstand is equipped with a built-in charging station for your convenience. It includes:

- Two (2) 5V/2.1A USB ports
- Two (2) 125V/12A AC power outlets

To use, simply plug the nightstand's power cord into a standard wall outlet. Then, connect your devices to the USB ports or AC outlets on the tabletop. A 2.3-inch diameter cable management hole on the back panel helps keep cords organized.

Roman Column Design

Classical and farmhouse fusion, which has the beauty of delicate lines and retains the rustic style of the farmhouse

Drawer Face Decoration

The drawer faces are decorated with Romanesque rounded lines, giving the entire cabinet a layered and rustic look

Sturdy Pedestals

The nightstand is made of sturdy engineered wood, and the Roman columns are designed to increase the base's contact with the floor

MAINTENANCE

To ensure the longevity and appearance of your Aitjanz nightstand, follow these maintenance guidelines:

- **Cleaning:** Wipe the surface with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent staining or damage to the wood finish.
- **Electrical Components:** Periodically check the charging station and power cord for any signs of wear or damage. Disconnect from power before cleaning or inspecting.
- **Drawer Functionality:** If drawers become stiff, check the slides for debris and clean as necessary. A small amount of silicone lubricant can be applied to the slides if needed.
- **Stability:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain structural integrity.

TROUBLESHOOTING

Common Issues and Solutions

- **Charging Station Not Working:**

- Ensure the nightstand's power cord is securely plugged into a functional wall outlet.
- Check if the device you are trying to charge is properly connected to the USB port or AC outlet.
- Test the wall outlet with another appliance to confirm it has power.

- **Drawers Stick or Do Not Close Smoothly:**

- Verify that the drawer slides are correctly aligned and free of obstructions.
- Ensure the drawer is not overloaded.
- Check that all assembly screws for the drawer slides are tightened.

- **Nightstand Feels Unstable:**

- Confirm that the nightstand is on a level surface.
- Retighten all assembly screws and fasteners.

If you encounter any problems during assembly or use that cannot be resolved with the above steps, please contact the seller for assistance. A satisfactory solution will be provided within 24 hours for assembly-related issues.
