SAFETY INFORMATION

Warning:

- Ensure the desk is firmly anchored to minimize the risk of tipping.
- Use the device only after carefully reading the instructions for use and follow all electrical safety regulations.
- Keep children and pets away from the desk during operation.
- Do not overload the desk. Refer to specifications for weight limits.
- Avoid placing liquids directly on the control panel or electrical components.

PRODUCT FEATURES

- **Height Adjustable:** The OffiGo desk offers electric height adjustment from 78 cm to 120 cm, with 3 memory functions

for easy switching between preferred heights. The lifting mechanism operates smoothly and quietly (45-55 decibels).

- **Integrated Storage:** Features a robust monitor stand, two smooth-gliding fabric drawers, and a keyboard tray, providing ample storage for your monitor, books, and accessories. The steel frame structure ensures stability and prevents drawer deformation. The monitor stand design promotes a comfortable working posture, effectively relieving fatigue.
- **Convenient Power & Lighting:** Equipped with 2 power outlets and 2 USB charging ports to meet the charging needs of your computers, mobile phones, and other electronic devices. An integrated LED light strip allows for easy adjustment of lighting effects with one click, creating a unique ambiance for work, study, or entertainment.
- **Hidden Cable Management:** A cable tray located behind the electric desk helps organize various cables neatly, keeping your desk tidy and preventing cable clutter.
- **Easy Installation:** The desk features a unique steel frame construction designed for easy installation. Detailed instructions and all necessary tools are included, with each accessory clearly marked.

MAINTENANCE

- **Cleaning:** Wipe the desk surface and frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cable Management:** Periodically check the cable management tray to ensure cables are neatly organized and not pinched.
- **Motor Care:** The electric motor is designed for durability. Avoid obstructing the desk's movement during height adjustment.

TROUBLESHOOTING

- **Desk Not Moving:**
 - Check if the power cord is securely plugged into both the desk and the wall outlet.
 - Ensure all motor and control panel wires are correctly connected to the control box.
 - If an error code appears on the display, consult the full product manual for specific error resolutions.
- **Uneven Height Adjustment:**
 - Ensure the desk is placed on a level surface.
 - Check that all screws are tightened properly during assembly.
- **LED Lights Not Working:**
 - Verify the LED light strip is properly connected to its controller and the power source.
 - Check if the power button for the LED lights is pressed.
