Casaottima 32-Inch Small Computer Desk Instruction Manual

Model: SPCB01171401003USCP

Brand: Casaottima

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Casaottima 32-Inch Small Computer Desk. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

SAFETY INFORMATION

- Always assemble the desk according to the provided instructions.
- Do not overload the desk. It is designed for small spaces and may not support excessively heavy items.
- Ensure the desk is stable and secure before use.
- Avoid dragging the desk across floors, as this may loosen screws or damage the structure. Lift the desk when relocating.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

SETUP AND ASSEMBLY

Assembly is recommended for one person. A screwdriver is recommended for assembly. Follow the steps below carefully.

- 1. Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
- 2. Assemble the Metal Frame:** Connect the alloy steel frame components using the provided hardware. Ensure all connections are secure but do not overtighten until the entire frame is assembled.
- 3. Attach the Desk Top:** Secure the engineered wood desk top to the assembled metal frame. Align screw holes and tighten all screws firmly.
- 4. Install Fabric Drawers:** Insert the four fabric drawers into their designated slots within the desk frame. The drawers are designed for easy placement.
- 5. Attach Side Accessories:** The side hook and cloth storage bag can be mounted on either the left or right side of the desk, according to your preference. Secure them using the provided attachments.
- 6. Adjust Footpads:** Screw the adjustable non-slip footpads into the bottom of the desk legs. Adjust them to ensure the desk is level and stable on uneven surfaces.

Fabric Storage Bag

Provide more storage space for small things and have neater desktop space

Iron Hook

Organize your headphones, bags and other things and keep them accessible

Adjustable Footpads

The non-slip footpads protect your flooring from scuffs and make the desk even

OPERATING INSTRUCTIONS

The Casaottima desk is designed for versatile use in various settings.

- **Work Surface:** Utilize the spacious desktop for your computer, books, or other work essentials.
- **Fabric Drawers:** Use the four fabric drawers to store office supplies, documents, or personal items, keeping your workspace tidy.
- **Side Hook:** Hang headphones, bags, or other accessories on the versatile side hook for easy access.
- **Cloth Storage Bag:** The removable cloth bag is ideal for organizing books, files, or other items, freeing up desktop space.
- **Reversible Design:** The modular design allows the drawer unit and side accessories to be positioned on either the left or right side of the desk to best suit your room layout and needs.

configurations, including an L-shaped setup when combined with another unit.

MAINTENANCE

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Drawer Care:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow them to air dry completely.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability.
- **Footpads:** Ensure adjustable footpads are properly positioned to prevent wobbling and protect your floor.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk is wobbly.	Uneven floor; loose hardware.	Adjust the footpads until the desk is stable. Check and tighten all assembly screws.
Parts do not fit together.	Incorrect orientation of parts; manufacturing defect.	Review the assembly instructions carefully to ensure parts are oriented correctly. If issues persist, contact customer support.
Drawers do not slide smoothly.	Drawers are not fully inserted or are overloaded.	Ensure fabric drawers are fully pushed into their slots. Reduce the weight of items in the drawers.
