## jioeuinly JIO-SSPB-329

# jioeuinly Tablet Case Instruction Manual

For Awow Mid-1089ips - 10.1-Inch Tablet

## 1. PACKAGE CONTENTS

Please verify that all items listed below are included in your package:

- 1 x jioeuinly Tablet Case (Model: JIO-SSPB-329)

## 2. SETUP INSTRUCTIONS

Follow these steps to properly install your tablet into the case:

1. **Open the Case:** Lay the case flat on a clean surface with the interior facing upwards.
2. **Align the Tablet:** Carefully align your Awow Mid-1089ips 10.1-inch tablet with the case's internal frame. Ensure the tablet's camera, ports, and buttons align with the corresponding cutouts in the case.
3. **Insert the Tablet:** Gently press the tablet into the flexible frame of the case until it is securely seated. Ensure all edges are properly covered and protected.
4. **Check Camera Cutouts:** Verify that the tablet's camera lens is unobstructed by the case's cutouts. This case features multiple pre-cutouts to accommodate various camera positions on different tablets.

# MULTIPLE VIEWING

It turns into a convenient stand.  
Frees your hands and gives you a  
best viewing angle.

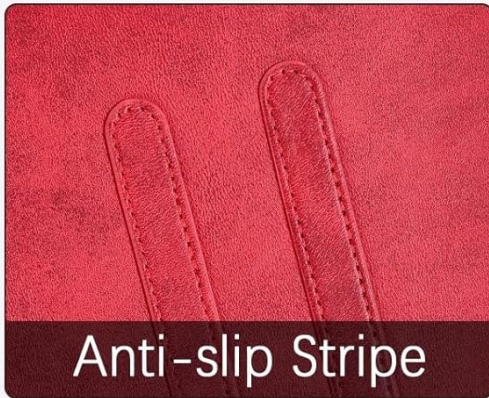

Image: Tablet case with a tablet inserted, demonstrating proper fit and compatibility. Please ensure your tablet size matches the case specifications before installation.

# SUITABLE FOR DIFFERENT PLATES

The 3 pre-cutouts can be used by tablets with different camera positions

Image: The tablet case features multiple camera cutouts to ensure compatibility with various tablet camera placements. Verify your tablet's camera aligns with one of these openings.

## 3. OPERATING INSTRUCTIONS

This case offers several features to enhance your tablet experience:

- **360-Degree Rotation:** The tablet can be rotated 360 degrees within the case, allowing for both portrait and landscape viewing orientations.
- **Multi-Viewing Stand:** The case features an anti-slip strip design that allows you to fold the cover into a stable stand. This supports multiple viewing angles for comfortable media consumption or typing.
- **Camera Access:** The case provides reserved openings for the back camera, supporting its usage. Please note that this case does not support any tablet's auto-sleep/wake function.
- **Storage Pocket:** A convenient storage pocket is integrated into the case for carrying cards, documents, or cash.

Image: The case can be folded into a stand, providing multiple viewing angles for your tablet. The anti-slip strip helps maintain stability.

# ADJUSTABLE MULTIPLE ANGLES

Supports multiple viewing angles with 360° free rotate

Image: This diagram illustrates the 360-degree rotation capability, allowing you to switch between portrait and landscape modes effortlessly.

# STORAGE POCKET

The pocket is convenient for carrying cards, documents, and cash

Image: The integrated storage pocket provides a convenient space for carrying small items like cards, documents, or cash.

## 4. MAINTENANCE

To ensure the longevity and appearance of your tablet case, follow these maintenance guidelines:

- **Cleaning:** For general cleaning, wipe the exterior PU leather surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.
- **Interior Care:** The soft anti-slip interior helps prevent scratches. Keep it free from dust and debris by gently wiping it with a dry, soft cloth.
- **Protection:** The case is designed to provide full body protection against scratches, shocks, fingerprints, and dust. While durable, avoid exposing the case to extreme temperatures or sharp objects.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight.

# COMPATIBLE WITH A LOT OF TABLET

Please kindly check your tablet size before purchase as shown

Image: The case offers all-over protection, safeguarding your tablet from drops and impacts on all sides and corners.

# ALL-OVER- PROTECTION

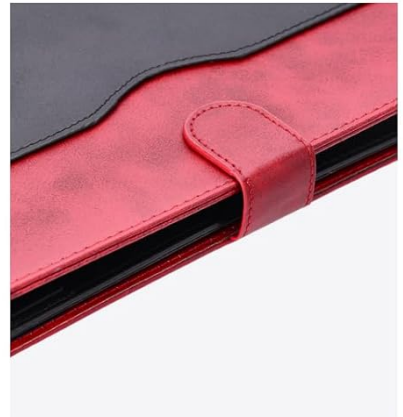

Goes into every side & corner,

Device ports, speakers,  
buttons all work  
fine

Slim & Lightweight

It can protect the  
plate very well

Image: Detailed views of the case highlighting precise cutouts for device ports, speakers, and buttons, ensuring full functionality while maintaining a slim and lightweight profile.

## 5. TROUBLESHOOTING

If you encounter any issues with your tablet case, please refer to the following common solutions:

- **Tablet Does Not Fit:** Ensure your tablet is an Awow Mid-1089ips 10.1-inch model. This case is specifically designed for this tablet size. Double-check the tablet's dimensions against the case specifications.
- **Stand is Unstable:** Make sure the anti-slip strip on the case interior is properly engaged when forming the stand. Adjust the angle until a stable position is achieved. Ensure the surface you are placing the stand on is flat and stable.
- **Camera Obstruction:** While the case has multiple cutouts, ensure your tablet's camera is correctly aligned with one of them. If the camera is partially obstructed, gently adjust the tablet's position within the case.
- **Auto-Sleep/Wake Function Not Working:** This case does not support the auto-sleep/wake function. You will need to manually lock/unlock your tablet. This is a design feature, not a defect.
- **Difficulty Accessing Ports/Buttons:** Ensure the tablet is fully seated and aligned within the case. The cutouts are precisely designed for the Awow Mid-1089ips.
