SEDETA 3568_2N

SEDETA 5 Tier Corner Bookshelf Instruction Manual

Model: 3568_2N

1. INTRODUCTION

Thank you for choosing the SEDETA 5 Tier Corner Bookshelf. This versatile unit is designed to provide ample storage and display space, featuring a convertible design for corner or parallel installation, integrated LED lighting, storage bags, and a pegboard with hooks. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your bookshelf.

2. SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum weight limit of **100 pounds per shelf**. Overloading can compromise the structural integrity and lead to collapse.
- **Assembly:** Follow all assembly instructions carefully. Ensure all screws and fasteners are securely tightened before use. Improper assembly can result in instability.
- **Anti-Tipping:** Utilize the provided anti-tipping hardware to secure the bookshelf to a wall, especially in households with children or pets, to prevent accidental tipping.
- **Placement:** Place the bookshelf on a flat, stable, and level surface. Adjust the leveling feet as necessary to ensure stability.
- **Children:** Do not allow children to climb on or play with the bookshelf.
- **Electrical Safety:** When installing or operating the LED lights, ensure all connections are secure and follow the specific instructions provided with the LED kit. Do not expose electrical components to water.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

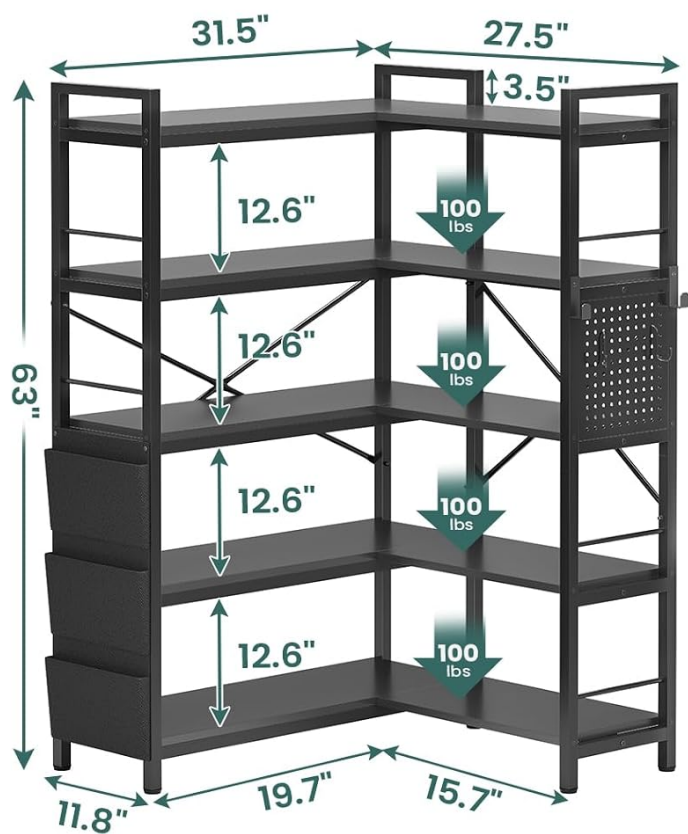

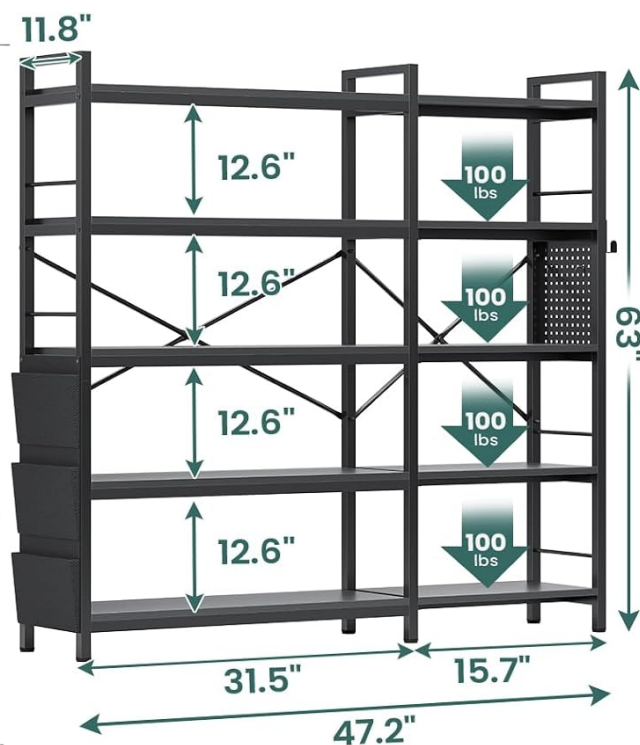

- Metal Frame Components
- Engineered Wood Shelf Panels (5 tiers)
- Fabric Storage Bags (quantity as specified in packaging)
- Pegboard and Hooks
- RGB LED Light Kit (including remote control/APP connectivity module)
- Hardware Pack (screws, bolts, Allen wrench, anti-tipping kit)
- Adjustable Leveling Feet
- Assembly Instructions Manual

4. SETUP AND ASSEMBLY

This bookshelf offers flexible installation options: a corner configuration or a parallel wall configuration. Refer to the detailed, numbered instructions included in your package for step-by-step guidance. The following images illustrate key aspects of the assembly process and configuration options.

4.1 Configuration Options

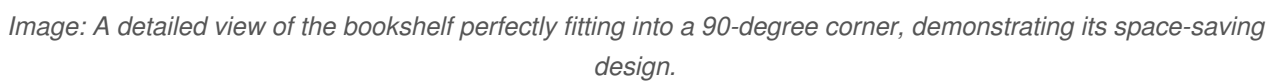

Parallel Installation

Corner Installation

Image: This diagram illustrates the two primary installation methods: parallel along a wall or configured into a corner. Key dimensions and the 100 lbs per shelf weight capacity are highlighted for both setups.

Proper choice for your home office bookshelf

The bookshelf is designed with robust features for stability and safety.

- **X-Reinforced Structure:** Two sets of X-shaped bars are included to provide additional strength and stability to the frame. Ensure these are installed as per the instructions.
- **Adjustable Feet:** The bookshelf is equipped with adjustable leveling feet to ensure stability on uneven floor surfaces. Rotate the feet to adjust the height until the unit is level and steady.
- **Anti-Falling Side Bars:** Each shelf features side bars to prevent items from falling off.
- **Anti-Tipping Mechanism:** Secure the bookshelf to the wall using the provided anti-tipping hardware to prevent accidental tipping.

5. OPERATING INSTRUCTIONS

5.1 RGB LED Light System

The bookshelf includes an RGB LED light system for customizable ambiance.

- **Control:** The LED lights can be controlled via a dedicated mobile application (APP) or a physical key control. Download the recommended APP by scanning the QR code in the LED light kit instructions.
- **Color and Modes:** Choose from over 60,000 colors and 29 flashing modes to suit your preference.
- **Music Sync:** The built-in sensitivity-adjustable microphone allows the LED light color to change rhythmically with sound and music.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.

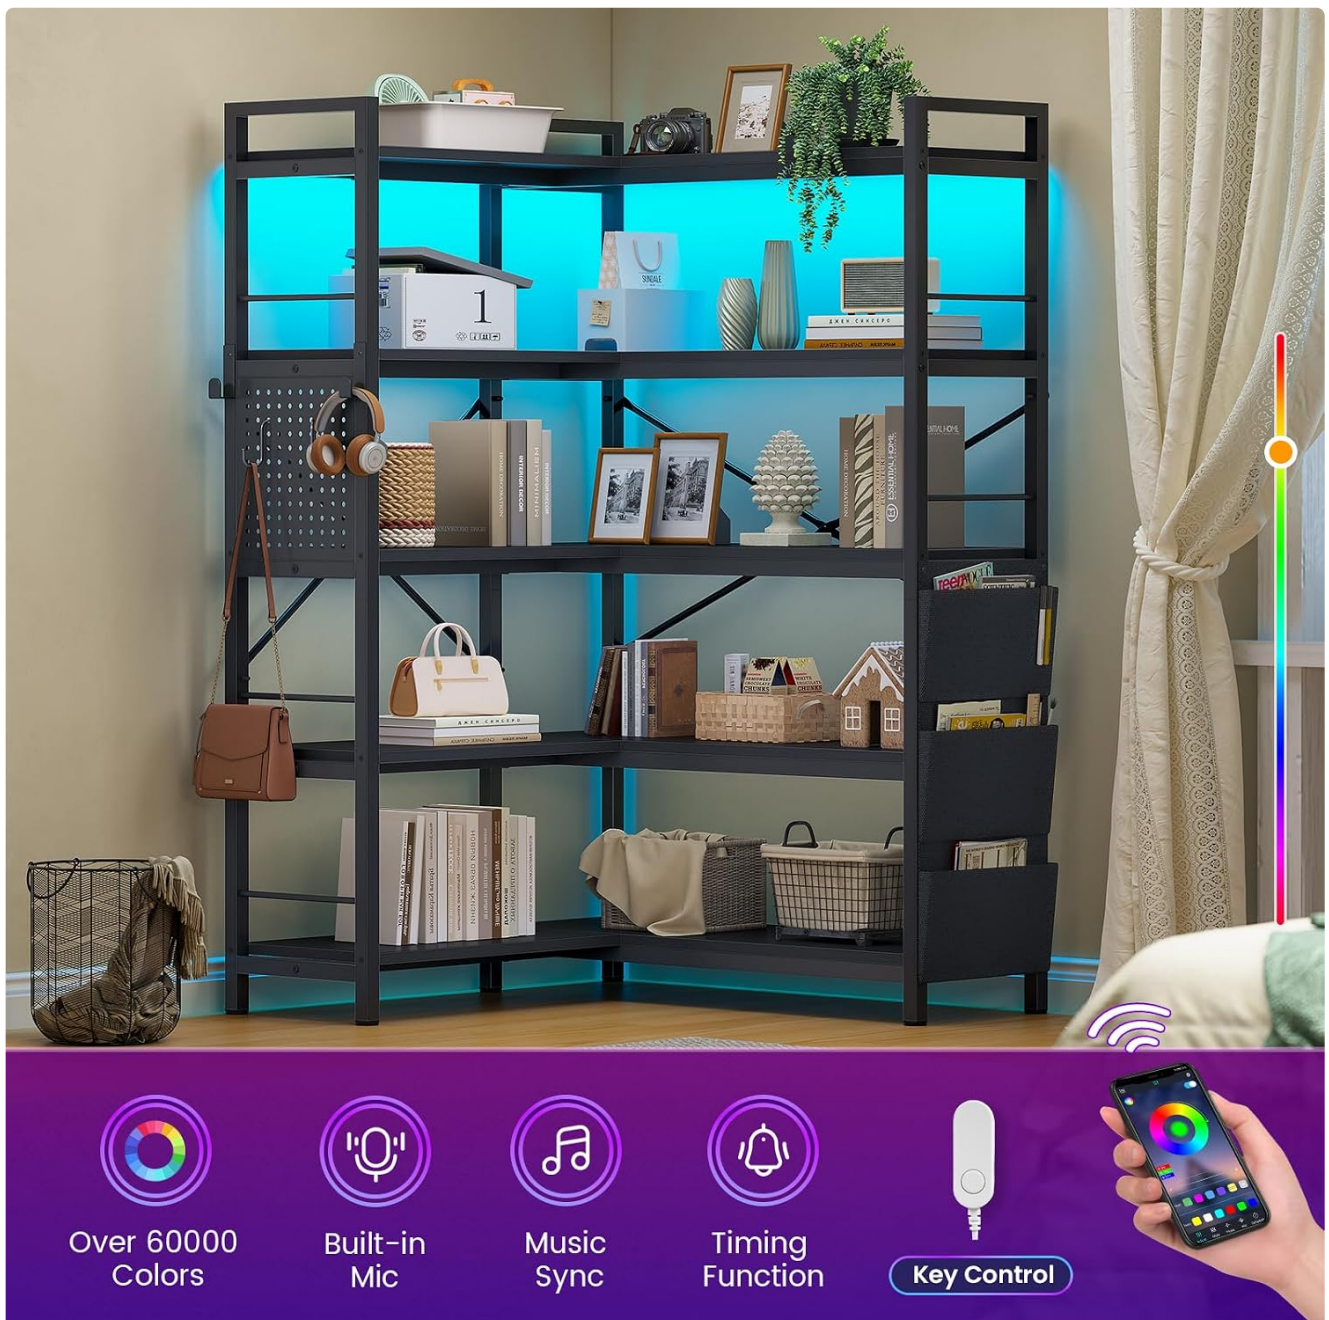

Image: This image illustrates the various control options and features of the RGB LED lighting system, including APP control, music synchronization, timing functions, and a physical key control.

5.2 Storage Bag and Pegboard

Utilize the integrated storage solutions for enhanced organization.

- **Fabric Storage Bags:** Attach the fabric storage bags to the designated areas on the bookshelf frame. These are ideal for storing magazines, small books, or other daily essentials.
- **Pegboard and Hooks:** The pegboard provides a customizable area for hanging items. Use the included hooks to organize headphones, keys, small tools, or decorative items.

3 Fabric Storage Bags

Redesign Your Organizing Ways

keeping your space clean, neat, and orderly

Image: This image details the multi-function pegboard and its four hooks, used for hanging items such as headphones, scissors, and a small instant camera, helping to keep the space tidy.

6. MAINTENANCE

To maintain the appearance and longevity of your SEDETA bookshelf, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Water Resistance:** The engineered wood panels feature a waterproof coating, making them easy to clean. Promptly wipe up any spills to prevent water damage.
- **Scratch Resistance:** The surfaces are designed to be scratch-resistant. However, avoid dragging sharp or heavy objects across the shelves to prevent damage.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.

Engineered Wood

-  Waterproof
-  Scratch-resistant
-  Easy to clean

Image: A close-up view of the engineered wood material, emphasizing its waterproof coating, scratch-resistant surface, and ease of cleaning, contributing to the bookshelf's durability.

7. TROUBLESHOOTING

If you encounter any issues with your bookshelf, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bookshelf is wobbly or unstable.	Uneven floor; loose fasteners; incorrect assembly.	Adjust the leveling feet until stable. Check and tighten all screws. Review assembly instructions to ensure all parts are correctly installed.
LED lights are not working.	Power connection issue; faulty LED strip; remote/APP issue.	Ensure the power adapter is securely plugged in. Check all LED strip connections. Replace remote batteries if applicable. Re-pair with APP if necessary.

Problem	Possible Cause	Solution
LED lights emit a high-pitched buzzing sound.	Power supply or LED driver issue.	This can sometimes occur with certain LED power supplies. Try unplugging and replugging the power. If the issue persists, contact customer support for a potential replacement of the LED light kit.
Parts missing or damaged upon arrival.	Shipping damage or packaging error.	Do not proceed with assembly. Contact SEDETA customer service immediately with your order details and a description of the issue.

8. SPECIFICATIONS

Feature	Detail
Brand	SEDETA
Model Number	3568_2N
