## EarFun EarFun K2

# EarFun K2 Kids Bluetooth Headphones User Manual

Model: EarFun K2 | Brand: EarFun

## INTRODUCTION

---

Welcome to the user manual for your new EarFun K2 Kids Bluetooth Headphones. These headphones are designed with children in mind, featuring safe volume limiting, comfortable materials, and a durable, foldable design. This manual provides essential information on setup, operation, maintenance, and troubleshooting to ensure a safe and enjoyable listening experience for your child.

## WHAT'S IN THE BOX

Please check the package contents to ensure all items are present:

- EarFun K2 Kids Bluetooth Headphone
- User Manual
- Charging Cable (USB-C)
- 3.5mm Audio Cable

## PRODUCT FEATURES

---

- **Kids-Friendly and Comfy Material:** Made from CPC-certified, RoHS2.0, and FCC compliant materials, featuring soft memory foam for a safe and cozy fit.
- **Safe Volume Limiting:** Adjustable volume limits at 74dB (Normal Mode), 85dB (Study Mode), and 94dB (Travel Mode) to protect children's hearing, meeting WHO recommended levels.
- **Bluetooth 5.4 & Hands-Free Call:** Ensures stable wireless connection and includes a built-in microphone for clear hands-free communication.
- **Balanced Stereo Sound:** Equipped with 40mm drivers for clear, crisp vocals and full dynamic bass, promoting good listening habits.
- **Extended Playtime:** Up to 40 hours of battery life on a single charge. A 2.5-hour charge via USB-C provides full battery.
- **Reliable & Foldable Design:** Constructed from wear-resistant material with an ergonomic headband that can be twisted and bent without breaking. The lightweight and foldable design enhances portability.

## SETUP

### 1. Charging the Headphones

Before first use, fully charge your EarFun K2 headphones.

1. Connect the provided USB-C charging cable to the charging port on the headphones.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator will show charging status (refer to LED indicator section for details). A full charge takes approximately 2.5 hours and provides up to 40 hours of playtime.

# Ultra-Long Up to 40H Playtime

**2.5H**

## 2. Bluetooth Pairing

To connect your EarFun K2 headphones to a Bluetooth-enabled device:

1. Ensure the headphones are charged and powered off.
2. Press and hold the Power button on the headphones until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "EarFun K2" from the list of found devices.
5. Once connected, the LED indicator will turn solid blue or off, depending on the model.

The headphones will automatically attempt to reconnect to the last paired device when powered on.

## 3. Wired Connection (Optional)

For devices without Bluetooth or when the battery is low, you can use the included 3.5mm audio cable.

1. Plug one end of the 3.5mm audio cable into the audio jack on the headphones.
2. Plug the other end into the 3.5mm audio output of your device (e.g., PC, tablet, laptop, Kindle Fire, cell phone).
3. The headphones will function in wired mode, even if the battery is depleted.

## OPERATING INSTRUCTIONS

---

### Controls Overview

The EarFun K2 headphones feature intuitive controls located on the earcup.

- **Power Button:** Press and hold to power on/off. Press briefly to play/pause music or answer/end calls.
- **Volume Up (+):** Increase volume.
- **Volume Down (-):** Decrease volume.
- **Volume Limiting Switch:** (If applicable, refer to specific model for location) Allows selection between 74dB, 85dB, and 94dB modes.

### Safe Volume Limiting

The EarFun K2 headphones are equipped with a volume limiting feature to protect your child's hearing. You can select from three different maximum volume levels:

- **74dB (Normal Mode):** Suitable for quiet environments and general listening.
- **85dB (Study Mode):** Ideal for educational content or slightly noisier settings.
- **94dB (Travel Mode):** For use in louder environments like cars or airplanes, providing necessary volume without exceeding safe limits.

To switch between modes, locate the volume limiting switch on the headphones and adjust it to the desired setting.

# Safe Volume Limiting Better Protect Kids' Hearing

74dB

Study Mode  
85dB

Travel Mode  
94dB

Image: A child wearing the EarFun K2 headphones, with graphics explaining the three safe volume limiting modes: Normal (74dB), Study (85dB), and Travel (94dB).

## MAINTENANCE

Proper care will extend the life of your EarFun K2 headphones.

- **Cleaning:** Use a soft, dry cloth to wipe the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in a cool, dry place. The foldable design makes them compact for storage and travel.
- **Avoid Moisture:** The headphones are not water resistant. Avoid exposure to water, rain, or excessive humidity.
- **Handle with Care:** While durable, avoid dropping the headphones or subjecting them to strong impacts.

## TROUBLESHOOTING

If you encounter issues with your EarFun K2 headphones, try the following solutions:

Problem	Possible Solution
Headphones do not power on.	Ensure the headphones are fully charged. Connect to a power source and check the charging indicator.
Cannot pair with device.	<ul style="list-style-type: none"> <li>Ensure headphones are in pairing mode (LED flashing blue/red).</li> <li>Make sure Bluetooth is enabled on your device.</li> <li>Move headphones closer to your device.</li> <li>Forget "EarFun K2" from your device's Bluetooth list and try pairing again.</li> <li>Restart both the headphones and your device.</li> </ul>
No sound or low volume.	<ul style="list-style-type: none"> <li>Increase the volume on both the headphones and your connected device.</li> <li>Ensure the headphones are properly paired.</li> <li>Check the volume limiting switch setting.</li> <li>If using wired connection, ensure the 3.5mm cable is fully inserted into both jacks.</li> </ul>
Sound is distorted or cuts out.	<ul style="list-style-type: none"> <li>Move closer to your device to avoid interference.</li> <li>Ensure there are no obstacles between the headphones and your device.</li> <li>Disconnect and reconnect the Bluetooth connection.</li> <li>Try playing audio from a different source or device.</li> </ul>
