SUOERNUO SEN-AZZ1262-Black

SUOERNUO Clothes Rack with Wheels (Model SEN-AZZ1262-Black) Instruction Manual

Model: SEN-AZZ1262-Black

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your SUOERNUO Clothes Rack with Wheels, Model SEN-AZZ1262-Black. This heavy-duty metal garment rack features double hanging rods, a bottom storage shelf, and lockable wheels for versatile use in various home environments such as bedrooms, closets, or laundry areas. Please read this manual thoroughly before use to ensure proper setup and safe operation.

ASSEMBLY INSTRUCTIONS

The SUOERNUO Clothes Rack is designed for minimal and straightforward assembly. While the product specifications state "No assembly required," user experience indicates an easy assembly process. No special tools are typically needed.

Parts List:

- Main Frame Components (vertical supports, horizontal base)
- Double Hanging Rods
- Bottom Storage Shelf
- 4 Swivel Wheels (2 with locking brakes)
- Connecting hardware (screws, bolts, or snap-fit mechanisms, if applicable)

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list.
2. **Assemble Base:** Connect the horizontal base components to the vertical support frames. Ensure all connections are secure.
3. **Attach Wheels:** Insert the four swivel wheels into the designated slots at the bottom of the base frame. Press firmly until they click into place. Ensure the two wheels with brakes are positioned on the same side for easier access.
4. **Install Bottom Shelf:** Place the bottom storage shelf onto the lower support bars. Ensure it sits securely and evenly.
5. **Attach Hanging Rods:** Insert the double hanging rods into the upper sections of the vertical support frames. Ensure they are fully seated and stable.
6. **Final Check:** Gently shake the assembled rack to confirm all connections are tight and the structure is stable.

OPERATING INSTRUCTIONS

Hanging Clothes:

- Utilize both the upper and lower hanging rods to maximize storage capacity for garments.
- Distribute clothing weight evenly across the rods to maintain stability. Avoid concentrating heavy items on one side.
- The rack is designed to hold a significant weight of clothing, including damp items, but avoid overloading beyond its structural capacity.

Using the Bottom Shelf:

- The metal bottom shelf provides additional storage for folded clothes, shoes, storage bins, or accessories.
- Ensure items placed on the shelf do not obstruct the movement of the rack if it is to be rolled.

Mobility and Stability:

- The rack is equipped with four swivel wheels for easy movement across various surfaces, including carpet and hard floors.
- Two of the wheels feature locking brakes. To secure the rack in place, press down on the brake levers until they engage.
- To move the rack, release the brakes by lifting the levers.

MAINTENANCE

- **Cleaning:** Wipe down the metal frame and shelves with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically check all connections (screws, joints) to ensure they remain tight and secure. Tighten any loose fittings as necessary.
- **Wheel Care:** Keep the wheels free of debris (hair, lint) to ensure smooth rolling. If wheels become stiff, clean them and apply a small amount of silicone lubricant if needed.
- **Corrosion Prevention:** The rack features a black painting coating for resistance to corrosion. Avoid prolonged exposure to excessive moisture to maintain its finish.

TROUBLESHOOTING

Rack is Wobbly or Unstable:

- **Check Connections:** Ensure all frame components and rods are fully inserted and securely fastened.
- **Even Weight Distribution:** Redistribute clothing and items on the shelves and rods to ensure weight is balanced. Overloading one side can cause instability.
- **Level Surface:** Ensure the rack is placed on a flat, level surface. Uneven flooring can affect stability.

Wheels Not Rolling Smoothly or Locking:

- **Clear Debris:** Inspect wheels for any accumulated hair, dust, or other debris that might be obstructing movement. Clean as necessary.
- **Engage/Disengage Brakes:** Ensure the brake levers are fully engaged when locking the wheels and fully disengaged when attempting to roll the rack.

Missing or Damaged Parts:

- If you encounter missing or damaged parts upon unboxing, please refer to the "Warranty and Support" section for contact information.

PRODUCT SPECIFICATIONS

Brand:	SUOERNUO
--------	----------

Model Number:	SEN-AZZ1262-Black
Color:	Golden+Double Rods Small
Product Dimensions (D x W x H):	16.54" x 31.5" x 61.61"
