## WHAT'S IN THE BOX

Verify that all items are present in your package:

- Tablet x1
- Charger and Data line x1
- Card removal needle x1
- User Manual x1
- Keyboard, Mouse, Stylus Pen and Case x1

## SETUP

### 1. Initial Charging

Before first use, fully charge your DOOGEE T30Max tablet. Connect the provided charger and data line to the tablet's charging port and a power outlet. The tablet supports 33W fast charging.

Image: The DOOGEE T30Max tablet connected to a charger, illustrating its 10800mAh battery and fast charging capability.

### 2. Powering On/Off

- **To Power On:** Press and hold the Power button until the DOOGEE logo appears.
- **To Power Off:** Press and hold the Power button, then select "Power off" from the options on the screen.

### 3. SIM Card and Micro SD Installation

The tablet supports dual 4G Nano-SIM cards and Micro SD expansion up to 2TB.

1. Locate the SIM card tray on the side of the tablet.

2. Insert the provided card removal needle into the small hole next to the tray to eject it.
3. Place your Nano-SIM card(s) and/or Micro SD card into the designated slots on the tray. Ensure correct orientation.
4. Gently push the tray back into the tablet until it is flush with the device body.

#### 4. Connecting Accessories

Your T30Max comes with a Bluetooth keyboard, mouse, and a capacitive touch pen.

- **Bluetooth Keyboard/Mouse:** Turn on the keyboard/mouse and enable Bluetooth on your tablet via Settings > Connected devices > Bluetooth. Select the device from the list to pair.
- **Stylus Pen:** The capacitive touch pen is ready for use upon removal from its packaging. No pairing is required for basic touch functions.

## OPERATING INSTRUCTIONS

### 1. Display Features

The DOOGEE T30Max features a 12.4-inch IPS screen with a 2560x1600 resolution and DCI-P3 color gamut support for vivid visuals. It also has TÜV certification for low blue light, reducing eye strain.

Image: The tablet's 12.4-inch 4K display, highlighting its anti-blue light feature, 16:10 aspect ratio, 2560x1600 resolution, and 87.5% screen-to-body ratio.

### 2. Audio and Multimedia

Experience high-resolution audio with the tablet's four smart speakers. The T30Max supports Widevine L1, allowing for streaming of 1080P and higher definition media from various video platforms.

# Widevine DRM L1 Support

Max brightness 350 nits, support the DCI-P3 color gamut, presenting you with high-resolution original images

Hi-Res Certified Quad Speakers , Smart PA

## 6. Connectivity and Navigation

The T30Max supports dual 4G, dual-band 2.4G/5G WiFi, and Bluetooth 5.0 for seamless connectivity. For navigation, it integrates Beidou, Galileo, Glonass, GPS, and AGPS for accurate positioning.

## MAINTENANCE

### 1. Battery Care

The 10800mAh battery provides extended usage. To maximize battery life:

- Use the original charger for optimal charging speed and safety.
- Avoid extreme temperatures.
- For long-term storage, charge the tablet to about 50% and power it off.
- The tablet supports OTG reverse charging, allowing it to charge other devices in emergencies.

## 2. Cleaning

To clean your tablet:

- Power off the device before cleaning.
- Use a soft, lint-free cloth.
- For stubborn marks, slightly dampen the cloth with water or a screen cleaner designed for electronics. Avoid harsh chemicals.

## TROUBLESHOOTING

Issue	Possible Cause / Solution
Tablet does not power on.	Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again. If unresponsive, press and hold the power button for 10-15 seconds for a forced restart.
Poor Wi-Fi connection.	Check if Wi-Fi is enabled. Ensure you are within range of the Wi-Fi router. Restart the router and the tablet. Forget the network and reconnect.
Applications are slow or crashing.	Close unnecessary background applications. Clear app cache (Settings > Apps > [App Name] > Storage > Clear cache). Restart the tablet. Ensure sufficient storage space is available.
Screen not displaying 4K resolution.	Ensure the content being viewed is 4K. Check display settings for resolution. For optimal viewing, disable "Battery Saver" and "Adaptive Brightness" in settings. A stable internet connection is crucial for streaming high-resolution content.
Accessories (keyboard, mouse) not connecting.	Ensure Bluetooth is enabled on the tablet and the accessory. Make sure the accessory is charged and in pairing mode. Unpair and re-pair the device.
