HANDY 54058400000

HANDY Oh! Smart Vibrator User Manual

Model: 54058400000 | Brand: HANDY

IMPORTANT SAFETY INFORMATION

Please read all instructions and safety warnings carefully before using the HANDY Oh! Smart Vibrator. Keep this manual for future reference.

- This device is intended for adult use only.
- Clean the device thoroughly before and after each use with warm water and a mild, toy-safe cleaner.
- Do not use with silicone-based lubricants, as these can damage the silicone material. Use only water-based lubricants.
- Discontinue use immediately if you experience any discomfort, irritation, or pain.
- Keep out of reach of children.
- Do not use if the device appears damaged or faulty.

PRODUCT OVERVIEW

The HANDY Oh! Smart Vibrator utilizes ResoTouch technology to deliver pleasure through soundwaves, offering customizable frequencies and intensities. It features app control for music synchronization and remote operation, providing a unique and immersive experience.

SETUP

Initial Charging

Before first use, fully charge your HANDE Oh! Smart Vibrator. Connect the magnetic USB charging cable to the charging port located at the base of the device. Plug the USB end into a compatible power source (e.g., computer USB port, USB wall adapter). The indicator light will show charging status.

App Download and Pairing

Download the free HANDY app from your device's app store. Follow the in-app instructions to pair your Oh! Smart Vibrator via Bluetooth. Ensure your device is charged and Bluetooth is enabled on your smartphone.

OPERATING INSTRUCTIONS

Basic Operation

- **Power On/Off:** Press and hold the power button (usually indicated by a universal power symbol) for 2-3 seconds until the device vibrates or the indicator light illuminates/extinguishes.
- **Adjust Intensity/Pattern:** Use the '+' and '-' buttons on the device to cycle through different vibration intensities and patterns.

Oh!

CONNECTED PLEASURE

- ⌚ **Control Oh!** remotely via its free app.
- ⌚ **Sync Oh!** with music for beat-responsive vibrations.
- ⌚ **Connect Oh!** with adult content for immersive experiences.
- ⌚ **Pair Oh!** with The Handy or another Oh! for shared sessions.

MAINTENANCE AND CARE

Cleaning

The HANDY Oh! Smart Vibrator is made from body-safe silicone. To clean:

1. Wash the device with warm water and a mild, toy-safe soap or specialized cleaner.
2. Rinse thoroughly to remove all soap residue.
3. Pat dry with a lint-free cloth or allow to air dry completely before storing.

Storage

Store the device in its provided storage pouch in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid storing with other toys made of different materials to prevent damage.

TROUBLESHOOTING

If you encounter any issues with your HANDY Oh! Smart Vibrator, please refer to the following common solutions:

- **Device not turning on:** Ensure the device is fully charged. Connect it to the charger and wait for the indicator light to confirm charging.
- **Vibrations are weak or inconsistent:** Recharge the device. If the issue persists, ensure there are no obstructions or damage to the device.
- **App connectivity issues:** Ensure Bluetooth is enabled on your smartphone and the device is within range. Try restarting both the device and the app.
- **Device not responding to controls:** Fully charge the device. If using the app, ensure it is properly connected.

For more detailed troubleshooting or persistent issues, please consult the full user manual included in your package or visit the HANDY support website.
