Bekrvio BARSROOLS-118

Bekrvio Swivel Counter Height Bar Stools

Model: BARSROOLS-118

Set of 2, Upholstered Faux Leather Barstools with Rattan Back, 26" Seat Height

INTRODUCTION

Thank you for choosing Bekrvio Swivel Counter Height Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- **Weight Limit:** Do not exceed the maximum weight recommendation of 300 lbs (136 kg) per stool. Exceeding this limit may result in damage to the product or potential injury.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- Do not stand on the stools.
- Keep small parts away from children during assembly to prevent choking hazards.

PACKAGE CONTENTS

Your Bekrvio Swivel Counter Height Bar Stools package includes all necessary parts and accessories for assembly. Please verify that all components are present and undamaged before proceeding.

- 2 x Swivel Counter Height Bar Stool Seats
- 2 x Backrests (Rattan or Upholstered, depending on model)
- 2 x Leg Frames with Footrests

- Assembly Hardware (screws, washers, Allen wrench)
- Instruction Manual

SETUP AND ASSEMBLY

Assembly of the Bekrvio bar stools is designed to be straightforward. Follow the step-by-step instructions provided in the included guide. It is recommended to assemble the stools on a soft, clean surface to prevent scratching.

1. Unpack all components and lay them out. Identify each part using the parts list in the separate assembly guide.
2. Attach the backrest to the seat frame using the provided hardware. Ensure proper alignment.
3. Connect the leg frame to the seat assembly. Secure all connections with the designated screws and tighten them firmly.
4. Once assembled, ensure all screws are fully tightened for stability.

OPERATING INSTRUCTIONS

360° Swivel Function

The bar stools feature a 360-degree swivel base, allowing for effortless rotation. Simply apply gentle pressure to the seat to rotate in any direction. This feature enhances interaction and mobility in your space.

Image: The 360-degree swivel function of the seat cushion, providing flexible and comfortable movement.

Adjustable Feet

Each stool is equipped with four adjustable feet. These feet allow you to easily level and stabilize the stool on uneven flooring surfaces. To adjust, simply twist the bottom of each foot until the stool is stable and does not wobble.

MAINTENANCE

- **Cleaning:** For general cleaning, wipe the surfaces with a soft, damp cloth. For upholstered faux leather, spot clean with a mild soap solution and dry thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Care for Faux Leather:** The faux leather upholstery is water-resistant and easy to maintain. Promptly wipe up any spills to prevent staining.
- **Frame Care:** The black wood frame can be wiped clean with a dry or slightly damp cloth.
- **Regular Checks:** Periodically inspect all connections and tighten any loose screws to ensure the stability and safety of the stools.

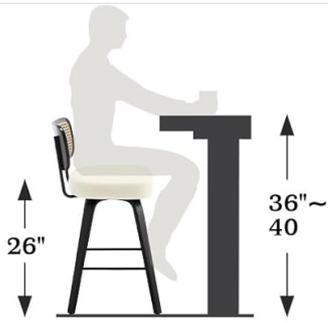

Image: The wide and soft cushion, designed to be water-resistant and easy to maintain for long-lasting comfort.

TROUBLESHOOTING

- **Wobbling Stool:** If the stool wobbles, check that all assembly screws are securely tightened. Use the adjustable feet at the bottom of the legs to level the stool on uneven floors.
- **Difficulty Swiveling:** Ensure no obstructions are beneath the seat or around the swivel mechanism. If the swivel feels stiff, it may loosen with regular use. Avoid applying excessive force.
- **Loose Parts:** If any parts become loose, re-tighten them immediately. Do not use the stool if any components are damaged or missing.
