# HJPLPXH Cherry Blossom Tree House Micro Building Block Set

Model: B0DGD42DQS - Instruction Manual

## 1. INTRODUCTION

---

This instruction manual provides detailed guidance for assembling the HJPLPXH Cherry Blossom Tree House Micro Building Block Set. This set allows you to construct an intricate architectural model inspired by a Japanese tower courtyard surrounded by cherry blossom trees. With 3,809 micro-blocks, the assembly process offers a rewarding experience, culminating in a detailed and decorative display piece.

## 2. SAFETY INFORMATION

---

**WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.**

This building block set contains numerous small components. Please keep all parts out of reach of young children to prevent accidental ingestion. Adult supervision is recommended during assembly, especially for younger builders.

## 3. WHAT'S IN THE BOX

---

Upon opening your HJPLPXH Cherry Blossom Tree House Micro Building Block Set, you will find the following:

- Micro Building Blocks (3,809 pieces, sorted into numbered bags)
- Comprehensive Instruction Manual
- Base Plate(s) for construction

## 4. ASSEMBLY INSTRUCTIONS

---

The assembly of this micro building block set requires patience and attention to detail. Please follow the

included comprehensive instruction manual step-by-step for the best building experience. The blocks are smaller than standard building blocks, which allows for greater detail in the final model.

#### 4.1. Preparation

- Clear a well-lit, flat workspace.
- Open block bags one at a time as instructed in the manual to avoid mixing pieces.
- Familiarize yourself with the instruction manual's symbols and piece identification.

#### 4.2. Step-by-Step Building

Refer to the dedicated instruction manual provided in the box for detailed, illustrated steps. Each step will guide you through connecting the micro-blocks to form the base, the main tower courtyard, the cherry blossom trees, and other intricate details.

Pay close attention to the color and shape of the blocks in each step. Some steps may require careful alignment due to the small size of the pieces.

## 5. DISPLAY AND CARE

### 5.1. Displaying Your Model

Once assembled, your Cherry Blossom Tree House model is designed to be a decorative piece. Choose a stable, flat surface away from direct sunlight and excessive heat to prevent potential discoloration or warping of the plastic blocks.

## 5.2. Cleaning and Maintenance

To clean your model, gently dust it with a soft brush or a dry cloth. For more stubborn dust, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners, as these can damage the plastic.

## 6. TROUBLESHOOTING

### 6.1. Missing Pieces

While quality control is maintained, in the rare event of missing pieces, please double-check all packaging and sorting areas. If pieces are still missing, contact customer support with details of the missing parts (as identified in the instruction manual).

### 6.2. Difficulty Connecting Blocks

Micro-blocks require precise alignment. If you encounter difficulty, ensure the blocks are correctly oriented and apply gentle, even pressure. Avoid forcing blocks, as this may cause damage.
