CSNRHG Coffee Shop Building Blocks Model Set (T2071) Instruction Manual

Model: T2071 | Brand: CSNRHG

1. Introduction

Thank you for choosing the CSNRHG Coffee Shop Building Blocks Model Set. This 581-piece architectural model allows you to construct a detailed two-story coffee shop. Designed for builders aged 6 and up, this set provides an engaging and creative building experience. Please read this manual carefully before beginning assembly to ensure proper construction and enjoyment of your model.

This set includes all necessary building blocks and an instruction manual for assembly. The finished model features a coffee bar, leisure sofa area, and an elegant lounge.

2. Product Features

- **Double-Layered Design:** Features a ground floor with a coffee bar and sofa area, and a second floor with a lounge, offering a complete coffee shop experience.
- **Detailed Interior:** Each floor is designed with intricate details, including miniature furniture and accessories, to enhance realism.
- **Compact Size:** The assembled model measures approximately 5.66 inches (length) x 4.41 inches (width) x 4.64 inches (height), making it suitable for display in various settings.
- **Quality Materials:** Constructed from high-quality ABS plastic for durability and ease of assembly.
- **Integrated Lighting:** Includes components for atmosphere lights to illuminate the interior.

3. Assembly Instructions

Follow the step-by-step instructions provided in the included instruction manual. Ensure all pieces are accounted for before starting. Sort pieces by color and shape to facilitate the building process.

1. **Unpack Components:** Carefully open the packaging and lay out all bags of building blocks. Verify that all 581 pieces are present according to the parts list in the separate manual.
2. **Base Construction:** Begin by assembling the base plate and the foundational structure of the first floor as indicated in the manual.
3. **First Floor Details:** Construct the interior elements of the first floor, including the coffee bar, seating, and decorative items.
4. **Second Floor Construction:** Proceed to build the second floor, including its walls, windows, and lounge area.

5. **Roof and Exterior Details:** Attach the roof sections and any remaining exterior decorative elements, such as signage.
6. **Lighting Installation:** Install the atmosphere lights as directed. These lights are typically twist-to-turn-on type. Ensure they are correctly placed for optimal illumination.
7. **Layer Assembly:** The model is designed with removable layers. Ensure the connection points for each layer are secure but allow for easy separation to access interior details or lights.

5. Maintenance and Care

- **Cleaning:** To clean the model, gently wipe it with a dry, soft cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.

- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care, especially when separating layers, to avoid dislodging small pieces.

6. Troubleshooting

- **Missing Pieces:** If you discover any missing pieces during assembly, please refer to the contact information provided in the product packaging for assistance.
- **Loose Connections:** If parts do not fit securely, ensure they are aligned correctly and pressed firmly into place. Some pieces may require a gentle but firm push.
- **Lights Not Working:** Check if the light components are correctly installed and twisted to activate. If issues persist, ensure the batteries (if applicable, though typically these are small twist-on lights without user-replaceable batteries) are functional.
