OPERATING INSTRUCTIONS

Using the 360° Rotating Stand

1. **Open the Case:** Open the front cover of the case.
2. **Rotate the Tablet:** The tablet holder portion of the case can be rotated 360 degrees. Gently rotate the tablet to your desired orientation (portrait or landscape).
3. **Form the Stand:** Fold the front cover back to create a triangular stand. Utilize the anti-slip strips on the interior of the cover to secure the tablet at various viewing angles.
4. **Adjust Viewing Angle:** Experiment with different positions along the anti-slip strips to find the most comfortable viewing angle for your activity (typing, watching videos, browsing).

ADJUSTABLE MULTIPLE ANGLES

Using the Storage Pocket

The case includes a convenient storage pocket on the inside of the front cover. This pocket can be used to store small items such as credit cards, identification, small documents, or cash. Simply slide your items into the designated pocket.

MAINTENANCE AND CARE

- **Cleaning:** To clean the PU leather surface, wipe gently with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these can damage the material.
- **Stain Removal:** For stubborn stains, use a mild soap solution on a cloth and wipe the affected area, then wipe clean with a damp cloth and dry thoroughly.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Avoid Sharp Objects:** Keep the case away from sharp objects to prevent scratches or punctures to the PU leather.

TROUBLESHOOTING

Tablet Does Not Fit Securely

Issue: The tablet feels loose or does not snap into place.

Solution:

- Ensure you have the correct tablet model (Weelikeit P39w 10.95"). This case is specifically designed for this model.
- Re-align the tablet carefully, ensuring all corners and edges are properly seated within the case's frame.
- Apply gentle, even pressure around the edges of the tablet to ensure it clicks into place.

Stand is Not Stable

Issue: The tablet slips or falls when in stand mode.

Solution:

- Ensure the tablet is positioned correctly on one of the anti-slip strips inside the case cover.
- Verify that the stand is formed into a stable triangular shape.
- Avoid placing the tablet on very smooth or uneven surfaces when using the stand.

Ports or Buttons are Obstructed

Issue: Cannot access charging port, headphone jack, or buttons.

Solution:

- Remove the tablet from the case and re-insert it, ensuring precise alignment with all cutouts.
- Double-check that you have the correct case for your specific tablet model.
