

DOOGEE S41 MAX

DOOGEE S41 MAX Rugged Smartphone User Manual

Model: S41 MAX | Brand: DOOGEE

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your DOOGEE S41 MAX Rugged Smartphone. Please read this manual carefully before using the device to ensure proper operation and to maximize its features. Keep this manual for future reference.

2. DEVICE OVERVIEW

The DOOGEE S41 MAX is a rugged smartphone designed for durability and performance. It features an Octa-core processor, a 5.5-inch IPS HD+ display, a 13MP AI main camera, and robust memory options.

Image: Key features of the DOOGEE S41 MAX, highlighting its processor, display, camera, memory, and security options.

3. INITIAL SETUP

3.1. SIM Card and SD Card Installation

The device supports dual SIM cards (Nano-SIM1 and Nano-SIM2) and a TF (microSD) card for expandable storage up to 1TB. Ensure the device is powered off before inserting or removing cards.

1. Locate the SIM/SD card tray on the side of the device.
2. Use the provided SIM ejector tool to open the tray.
3. Place the Nano-SIM cards and/or TF card into the designated slots, ensuring correct orientation.
4. Gently push the tray back into the device until it clicks into place.

3.2. Powering On/Off

- To power on: Press and hold the Power button until the screen lights up.
- To power off: Press and hold the Power button, then select 'Power off' from the options.

3.3. Initial Configuration

Follow the on-screen prompts to complete the initial setup, including language selection, Wi-Fi connection, Google account setup, and security settings.

4. OPERATING INSTRUCTIONS

4.1. Basic Navigation

- **Touchscreen:** Tap, swipe, pinch-to-zoom for navigation and interaction.
- **Volume Buttons:** Adjust media volume, call volume, and ringtone volume.
- **Power Button:** Short press to lock/unlock the screen, long press for power options.

4.2. Calls and Messaging

Use the Phone app for making and receiving calls. The Messages app handles SMS and MMS communications.

4.3. Internet Connectivity

Connect to the internet via Wi-Fi or 4G cellular data. Navigate to *Settings > Network & internet* to manage connections.

4.4. Camera Usage

The device features a 13MP AI main camera and an 8MP front camera. Open the Camera app to capture photos and videos. Various modes like Beauty, Night mode, Pro Mode, and Portrait are available.

Image: The DOOGEE S41 MAX's certified triple protection, suitable for various outdoor conditions.

7.1. Waterproofing (IP68)

The device can withstand immersion in water up to 1.5 meters deep for 30 minutes. Ensure all ports are securely closed before exposure to water.

Video: Demonstrates the rugged features of the DOOGEE S41 MAX, including its IP68, IP69K, and MIL-STD-810H ratings, showcasing its durability against water, dust, and drops. This video also highlights the camera, battery, and processor.

7.2. Dustproofing (IP69K)

The device is protected against high-pressure, high-temperature jet sprays and is fully dustproof, making it suitable for dusty environments.

7.3. Drop Resistance (MIL-STD-810H)

The DOOGEE S41 MAX is built to military-grade standards, offering enhanced resistance to shocks and vibrations from drops.

8. SOFTWARE FEATURES

8.1. Android 14 Operating System

The DOOGEE S41 MAX runs on Android 14, providing a seamless and efficient user experience with advanced privacy and security features.

8.2. Octa-core Processor

Powered by a robust Octa-core processor (T606 Spreadtrum, 1.6GHz, 12nm, Arm Mali-G57 GPU), the device delivers fast speed and smooth multitasking.

Image: Technical details of the DOOGEE S41 MAX's Octa-core processor.

Video: Highlights the large memory and cost-effectiveness of the DOOGEE S41 MAX rugged smartphone, demonstrating its performance in gaming and daily tasks.

8.3. Software Toolbox

The device includes a software toolbox with useful utilities such as Compass, Flashlight, Pic Hanging, Magnifier, Protractor, Plumb Bob, Height Meter, SoundMeter, and Gradienter.

Image: Icons representing the various tools available in the Software Toolbox.

8.4. Navigation

The DOOGEE S41 MAX supports multiple navigation systems including GPS, Glonass, Galileo, and Beidou for accurate positioning.

Image: The DOOGEE S41 MAX displaying navigation, highlighting its multi-system GPS support.

9. DISPLAY

The device features a 5.5-inch IPS HD+ display with a resolution of 720*1440, an 18:9 aspect ratio, 400cd/m2 brightness, and an 87% screen-to-body ratio. The screen is protected by Corning Gorilla Glass.

Image: Detailed specifications of the DOOGEE S41 MAX's 5.5-inch IPS HD+ display.

10. CONNECTIVITY

The DOOGEE S41 MAX supports 4G cellular technology and Wi-Fi connectivity. It is an unlocked phone compatible with GSM T-Mobile. Please verify compatibility with your local frequency bands before purchase.

11. TROUBLESHOOTING

11.1. Device Not Powering On

- Ensure the battery is charged. Connect the device to a charger for at least 15 minutes.
- Press and hold the Power button for 10-15 seconds to perform a forced restart.

11.2. Poor Network Signal

- Check if the SIM card is correctly inserted.
- Move to an area with better network coverage.
- Restart the device.

11.3. Apps Crashing or Freezing

- Clear the cache of the problematic app (*Settings > Apps > [App Name] > Storage & cache > Clear cache*).
- Update the app to the latest version.
- If the issue persists, uninstall and reinstall the app.

12. SPECIFICATIONS
