ION 5f9247ea-64b5-4765-93db-5e9c130c66a3

ION Digital Watch User Manual

Model: 5f9247ea-64b5-4765-93db-5e9c130c66a3

INTRODUCTION

This manual provides instructions for the ION Digital Watch, designed to assist you in setting up, operating, and maintaining your device. Please read this manual thoroughly to ensure proper use and to maximize the features of your smartwatch.

WHAT'S IN THE BOX

- Smartwatch
- Magnetic charging cable
- User manual

SETUP

Initial Charging

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power adapter (not included). A full charge takes approximately 2 hours.

Power On/Off

To power on, press and hold the side button until the screen lights up. To power off, navigate to the settings menu and select "Power Off".

App Installation and Pairing

Download the "RunmeFit" app from your smartphone's app store. Ensure your phone's Bluetooth is enabled. Open the app, create an account, and follow the on-screen instructions to pair your watch. The watch supports Android 4.4 and iOS 9.0 and above.

Battery Care

The 300 mAh battery provides 7-10 days of typical usage and up to 45 days of standby time. To prolong battery life, avoid extreme temperatures and fully charge the device when prompted.

TROUBLESHOOTING

Watch Not Pairing

- Ensure Bluetooth is enabled on your smartphone.
- Make sure the watch is sufficiently charged.
- Restart both your watch and smartphone.
- Try unpairing and re-pairing the device through the Runmefit app.

Inaccurate Health Data

- Ensure the watch is worn snugly on your wrist, not too tight or too loose.
- Clean the sensors on the back of the watch.
- For best results, remain still during measurements.

Screen Unresponsive

- Restart the watch by pressing and holding the side button.
- Ensure the screen is clean and dry.

Date/Time Incorrect

- Ensure the watch is properly synced with the RunmeFit app on your smartphone. The time and date should automatically update upon successful synchronization.
