### Mitsuba Store tks-sd-01-750-bk

# Mitsuba Store tks-sd-01-750-bk Exhaust Vent Cover Instruction Manual

Model: tks-sd-01-750-bk

## INTRODUCTION

---

The Mitsuba Store tks-sd-01-750-bk Exhaust Vent Cover is designed to enhance your kitchen's functionality and aesthetics. This practical tool serves to prevent oil splashes and dirt from accumulating in your stove's exhaust vent area, while also providing a convenient storage space. Its simple and modern design complements various kitchen styles, contributing to a clean and organized environment.

This cover effectively converts the often-unused space behind your stove into a valuable area for condiments or other kitchen essentials. Crafted from high-quality steel, it offers durability and a strong load capacity, ensuring long-lasting performance.

## SETUP INSTRUCTIONS

---

1. **Unpack and Inspect:** Carefully remove the exhaust vent cover from its packaging. Inspect the product for any signs of damage.
2. **Remove Protective Film:** As this is a stainless steel product, a protective film is affixed for shipping. Please remember to peel off this protective film completely before use. Failure to remove the film may damage the product over time.
3. **Placement:** Simply place the cover directly on top of your stove's exhaust outlet. Ensure it is stable and covers the vent opening effectively.

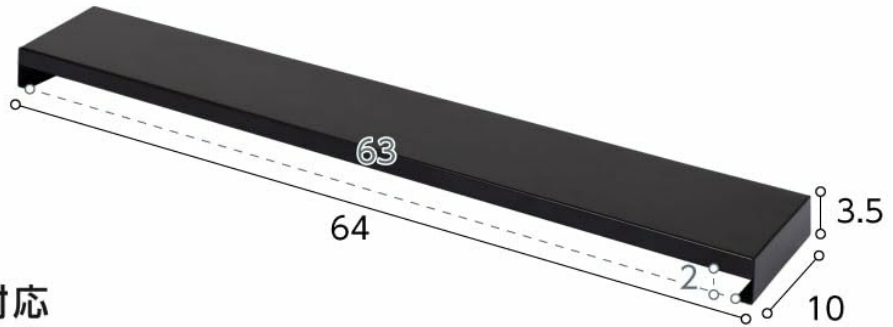

## Compatibility

This vent cover is compatible with built-in gas stoves and built-in IH cooking heaters, provided they meet the following dimensions:

- **For 60cm Stoves:** Width approximately 60cm or less, height approximately 2cm or less.
- **For 75cm Stoves:** Width approximately 75cm or less, height approximately 2cm or less.

## OPERATING INSTRUCTIONS

Once installed, the exhaust vent cover functions passively to protect your kitchen and provide additional utility space.

- **Oil Splash Prevention:** The primary function of the cover is to prevent oil and dirt from splashing into the stove's exhaust outlet, keeping your kitchen cleaner.
- **Storage Space:** Utilize the flat surface of the cover as a convenient storage area for condiments, spices, or other small kitchen items. The anti-slip design helps prevent items from sliding off.
- **Cookware Clearance:** The cover features a low-profile design (approximately 3.5cm height) to ensure it does not interfere with the use of cookware, such as frying pans or pots, during cooking.
- **Load Capacity:** The cover is designed to bear a load of up to 10kg, allowing you to place heavy kitchen utensils or pots without worrying about deformation.

## 置くだけ、排気口を汚れから守る Point.

排気口の上に設置するだけで汚れなどの飛び散りをガード。  
汚れてもサッとひと拭きでお掃除完了。

## Safety Warnings

- Do not place flammable materials on top of this product.
- Do not place hot items directly on the product immediately after cooking.
- The exhaust vent is designed to release heat and smoke from the grill. Do not cover the exhaust vent with the cover during grill operation.

## MAINTENANCE

Maintaining your exhaust vent cover is simple and ensures its longevity and hygiene.

- **Regular Cleaning:** If the cover gets dirty, it can be easily cleaned with a simple wipe of a cloth.
- **Deep Cleaning:** For more thorough cleaning, wash the cover gently with a mild detergent.
- **Drying:** After washing, wipe the cover with a dry cloth and allow it to air dry completely to maintain hygiene and prevent water spots.

面倒な掃除は不要!サラッと拭き取りやすくお手入れ簡単。

水洗いもOK!

## TROUBLESHOOTING

This product is a passive accessory and typically does not require troubleshooting. If you encounter any issues, please review the setup and operating instructions to ensure correct placement and usage.

- **Product Damage:** If the product appears damaged upon arrival or during use, discontinue use and contact the retailer.
- **Stability Issues:** Ensure the cover is placed on a flat, stable surface behind the stove. Verify that the stove dimensions are compatible as per the 'Setup Instructions'.

## SPECIFICATIONS
