## Überprüfen Sie die Modellnummer Ihres iPads

### Methode 1

Auf der Rückseite des iPads überprüfen

### Methode 2

Im iPad-Einstellungen prüfen

1. Öffnen Sie die Einstellungen auf dem iPad
2. Gehen Sie zu „Allgemein“ > „Über“
3. Tippen Sie auf die Modellnummer, um sie anzuzeigen

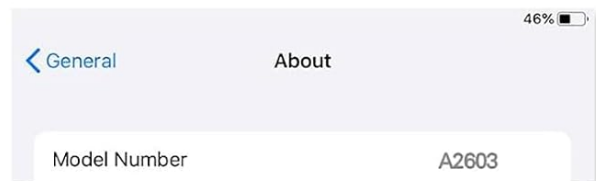

Image: Compatibility chart for MMK Keyboard Case, illustrating compatible iPad models and how to locate your iPad's model number.

### How to Check Your iPad's Model Number:

1. **Method 1: On the back of the iPad.** The model number is printed in small text on the back of your iPad.
2. **Method 2: In iPad Settings.**
  - Open the 'Settings' app on your iPad.
  - Go to 'General' > 'About'.
  - Tap on the 'Model Number' to display the A-number (e.g., A2603).

## Setup Instructions

### 1. Charging the Keyboard

Before initial use, fully charge the keyboard. Connect the provided USB charging cable to the keyboard's charging port and a USB power adapter (not included). A full charge takes approximately 2-3 hours. The keyboard offers up to 80 hours of continuous working time and 130 days of standby time on a single charge.

## 2. Attaching the iPad to the Case

Carefully insert your iPad into the protective case. Ensure all edges are securely fitted and that the precise cutouts align with your iPad's ports, buttons, and camera.

## 3. Bluetooth Pairing

1. Ensure the keyboard is charged.
2. Turn on the keyboard by sliding the ON/OFF switch. The Bluetooth indicator light will flash.
3. On your iPad, go to 'Settings' > 'Bluetooth'.
4. Turn on Bluetooth. Your iPad will search for available devices.
5. Select 'Bluetooth Keyboard' (or similar name) from the list of devices.
6. If prompted, enter the pairing code displayed on your iPad using the keyboard and press Enter.
7. Once paired, the Bluetooth indicator light on the keyboard will stop flashing and remain solid, then turn off to save power.

## Operating Instructions

### Keyboard Functions (QWERTZ Layout)

The keyboard features a QWERTZ German layout and includes several multi-function shortcut keys for convenience. These keys are typically accessed by pressing the 'Fn' key in combination with another key.

- **Fn + Search:** Activates search function.
- **Fn + Copy:** Copies selected text.
- **Fn + Cut:** Cuts selected text.
- **Fn + Play/Pause:** Controls media playback.
- **Fn + Volume Down/Up:** Adjusts audio volume.
- **Fn + Brightness Down/Up:** Adjusts screen brightness.
- **Fn + Lock Screen:** Locks the iPad screen.

- **Fn + Home:** Returns to the home screen.
- **Fn + Select All:** Selects all content.
- **Fn + Paste:** Pastes copied or cut text.
- **Fn + Previous Track/Next Track:** Navigates media tracks.

### Adjusting Viewing Angles

The case features 3 integrated grooves that allow you to adjust your iPad to multiple viewing angles. This provides flexibility for typing, watching videos, drawing, or browsing, ensuring you can find the most comfortable position for your activity.

### Using the Pen Holder

An integrated pen holder is provided to securely store your Apple Pencil or other stylus, keeping it readily accessible when needed and preventing loss.

## Maintenance

---

### Cleaning

To clean the keyboard and case, use a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the product. Ensure the keyboard is turned off and disconnected from any power source before cleaning.

### Battery Care

To prolong the battery life of your keyboard, avoid fully discharging it frequently. Charge the keyboard regularly, even if it's not completely depleted. If storing the keyboard for an extended period, ensure it has at least a 50% charge and recharge it every few months.

## Troubleshooting

---

- **Keyboard not connecting via Bluetooth:**

- Ensure the keyboard is turned on and fully charged.
- Make sure Bluetooth is enabled on your iPad.
- Forget the device in your iPad's Bluetooth settings and attempt to re-pair.
- Restart both your iPad and the keyboard.

- **Keys not responding:**

- Check if the keyboard is properly connected via Bluetooth.
- Ensure the keyboard battery is not low.
- Clean any debris from under the keys.

- **iPad not fitting correctly in the case:**

- Verify your iPad model number against the compatibility list in this manual.
- Ensure the iPad is inserted correctly and all corners are seated.

## Specifications

---
