Puzau 80994

Puzau 80994 Front Driver Side Armrest Instruction Manual

Model: 80994 | Brand: Puzau

1. Introduction

Thank you for choosing the Puzau 80994 Front Driver Side Armrest. This product is designed as a high-quality replacement part for your vehicle's interior, specifically for the front driver side armrest. It is engineered to provide a durable and comfortable solution, restoring the functionality and aesthetics of your car's interior.

This manual provides essential information regarding the product's features, compatibility, installation guidelines, and maintenance tips to ensure optimal performance and longevity.

2. Product Overview and Components

The Puzau 80994 armrest is constructed with high-quality materials to offer superior durability and a refined finish. Key features include:

- **Mazda-sourced leather:** Provides a premium feel and enhanced durability.
- **Thickened stainless steel plate:** Offers anti-corrosion and anti-rust properties, preventing deformation.
- **ABS reinforced skeleton:** Ensures anti-aging, non-fading, and anti-deformation characteristics for long-term stability.
- **Recessed screws:** Designed for easy and direct insertion into door panels, simplifying installation.

What's in the Box

- 1 x Puzau 80994 Front Driver Side Armrest
- Necessary mounting hardware (washers, nuts, etc.)

Figure 2.1: Puzau 80994 Front Driver Side Armrest and included components.

Figure 2.2: Detailed view of the armrest's construction and materials.

3. Compatibility

This armrest repair kit is specifically designed for certain vehicle models. Please verify your vehicle's door panel configuration before installation.

Door Panel Handle Position

The Puzau 80994 armrest is suitable for door panels where the door handle is located **above** the armrest. It is *not compatible* with door panels that have handles positioned **below** the armrest.

Figure 3.1: Armrest compatibility based on door handle placement.

Compatible Vehicle Models

This armrest is compatible with various Chevrolet and GMC models. Please refer to the table below for specific year and model compatibility.

Figure 3.2: Visual guide to compatible Chevrolet and GMC models.

Table 3.1: Compatible Chevrolet and GMC Models

Year	Chevrolet Model	Year	GMC Model
2010-2013	Avalanche	2010-2013	Sierra
2010-2013	Silverado 1500	2010-2013	Sierra 1500
2010-2014	Silverado 2500	2010-2014	Sierra 2500 HD
2010-2014	Silverado 2500 HD	2010-2014	Sierra 3500 HD
2010-2014	Silverado 3500 HD	2010-2014	Yukon
2014	Suburban	2010-2014	Yukon XL 1500
2010-2014	Suburban 1500	2010-2013	Yukon XL 2500

Year	Chevrolet Model	Year	GMC Model
2010-2013	Suburban 2500		
2010-2014	Tahoe		

Replacement Part Numbers

This armrest is designed to replace various GM part numbers. The following numbers are compatible for all colors:

Figure 3.3: Compatible GM Part Numbers for replacement.

- 84127278, 84127282, 22818485, 20954878
- 20920349, 20954899, 20954888, 84127285
- 20920343, 20874749, 20920362, 22818475
- 20954880, 20920351, 84127277, 84127280
- 20954886, 22818496, 20920341
- 22818483, 22818477

4. Installation Guide

Installation of the Puzau 80994 armrest typically involves removing the existing armrest and securing the new one. While the design features recessed screws for easier installation, it is recommended to consult a professional or refer to vehicle-specific repair manuals/videos if you are unfamiliar with automotive interior work.

Disclaimer: Improper installation can lead to damage to the product or vehicle. The manufacturer is not responsible for damages caused by incorrect installation.

General Installation Steps (Consult vehicle-specific guides for details):

1. **Prepare the Vehicle:** Ensure the vehicle is turned off and parked safely. Gather necessary tools (e.g., screwdrivers, trim removal tools).
2. **Remove Door Panel (if necessary):** Depending on your vehicle model, you may need to partially or fully remove the door panel to access the armrest mounting points. Carefully detach any electrical connectors.
3. **Remove Old Armrest:** Locate and remove the screws or clips securing the old armrest. Carefully detach it from the door panel.
4. **Inspect Mounting Area:** Clean any debris from the mounting area on the door panel.
5. **Install New Armrest:** Align the Puzau 80994 armrest with the mounting points. Use the provided recessed screws to secure the new armrest firmly. Ensure it is seated correctly and does not wobble.
6. **Reassemble Door Panel:** Reconnect any electrical connectors. Carefully reattach the door panel, ensuring all clips and screws are properly secured.
7. **Test Functionality:** Verify that the armrest is stable and that all door panel functions (e.g., window switches, door lock) operate correctly.

5. Maintenance

To ensure the longevity and appearance of your Puzau armrest, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the armrest regularly with a soft, damp cloth. For deeper cleaning, use a mild automotive interior cleaner suitable for leather and ABS plastics. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** Avoid prolonged exposure to direct sunlight and extreme temperatures, which can cause material degradation over time.
- **Inspection:** Periodically check the mounting screws to ensure they remain tight. Retighten if necessary.

6. Troubleshooting

If you encounter any issues with your Puzau 80994 armrest, consider the following common troubleshooting steps:

- **Armrest feels loose after installation:**
    - Ensure all mounting screws are fully tightened.
    - Verify that the armrest is correctly aligned with the door panel's mounting points.
- **Difficulty installing:**
    - Double-check your vehicle's specific door panel removal and installation procedures.
    - Confirm that your vehicle model and door handle configuration are compatible (refer to Section 3).
    - Ensure no wires or obstructions are preventing proper seating of the armrest or door panel.

- **Cosmetic issues (e.g., scratches, fading):**
    - While the product is designed for durability, extreme conditions or abrasive cleaning can cause damage. Refer to maintenance guidelines.

If problems persist, please contact Puzau customer support for assistance.
