Mingdaln Smart Watch User Manual

Model: T17

INTRODUCTION

This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your Mingdaln Smart Watch (Model T17). Please read this manual thoroughly before using your device to ensure proper functionality and to maximize its features.

The Mingdaln Smart Watch is designed to be compatible with both Android and iOS devices, offering features such as fitness tracking, call answering/making, and message reminders.

PACKAGE CONTENTS

- Mingdaln Smart Watch (Model T17)
- Charging Cable
- User Manual

PRODUCT OVERVIEW

Figure 1: Mingdaln Smart Watch (Model T17) front view, displaying the main watch face with time, date, step count, and heart rate. An additional smaller image shows the watch displaying an incoming call notification.

The Mingdaln Smart Watch features a 1.83-inch full touch screen. It includes a physical button on the side for navigation and power control. The back of the watch houses the charging contacts and sensors for health monitoring.

SETUP

1. Charging the Smart Watch

Before first use, fully charge the smart watch. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a standard USB power adapter (not included) or a computer USB port.

- Charging time: Approximately 2 hours for a full charge.
- The battery icon on the watch screen will indicate charging status.

2. Downloading the Companion App

To unlock all features and synchronize data, you need to download the dedicated companion application on your smartphone. Search for the app name (usually mentioned in the quick start guide or on the watch screen during initial setup) in your device's app store (Google Play Store for Android or Apple App Store for iOS).

- Ensure your smartphone's Bluetooth is enabled.

3. Pairing the Smart Watch with Your Smartphone

1. Open the companion app on your smartphone.
2. Follow the on-screen instructions to create an account or log in.
3. Navigate to the "Device" or "Add Device" section within the app.
4. The app will search for available Bluetooth devices. Select "Mingdaln T17" or a similar device name from the list.
5. Confirm the pairing request on both your smartphone and the smart watch if prompted.
6. Once paired, the watch will synchronize time and data with your phone.

OPERATING INSTRUCTIONS

Basic Navigation

- **Power On/Off:** Press and hold the side button for a few seconds.
- **Screen Wake/Sleep:** Press the side button briefly or raise your wrist (if enabled).
- **Touch Screen Gestures:**
 - *Swipe Up:* Access notifications or quick settings.
 - *Swipe Down:* Access quick settings or notifications.
 - *Swipe Left/Right:* Navigate between different functions (e.g., activity tracking, heart rate, weather).
 - *Tap:* Select an item or enter a menu.

Call Functionality

The Mingdaln Smart Watch supports answering and making calls directly from the watch when connected to your smartphone via Bluetooth.

- **Answering Calls:** When an incoming call is displayed, tap the green answer icon on the watch screen.
- **Making Calls:** Access the dial pad or contact list through the watch's phone menu.

Fitness Tracking

The watch tracks various fitness metrics, including steps, distance, calories burned, and heart rate.

- **Activity Modes:** The watch offers over 100 sports modes. Select the appropriate mode before starting an exercise for accurate tracking.
- **Heart Rate Monitoring:** The watch continuously monitors your heart rate. View real-time data on the watch or historical data in the app.
- **Sleep Monitoring:** Wear the watch during sleep to track sleep patterns and quality.

Message Reminders

Receive notifications for calls, SMS, and various social media apps directly on your watch. Ensure notification

permissions are enabled in the companion app and your smartphone settings.

MAINTENANCE

- **Cleaning:** Wipe the watch and strap regularly with a soft, dry cloth. If necessary, use a slightly damp cloth and dry thoroughly.
- **Water Resistance:** Refer to the specifications for the watch's water resistance rating. Avoid exposing the watch to hot water, steam, or strong chemicals.
- **Charging:** Use only the provided charging cable. Ensure charging contacts are clean and dry before charging.
- **Storage:** Store the watch in a cool, dry place when not in use for extended periods.

TROUBLESHOOTING

Problem	Possible Solution
Watch does not power on.	Ensure the watch is fully charged. Press and hold the side button for at least 10 seconds.
Cannot pair with smartphone.	◦ Ensure Bluetooth is enabled on your phone and watch. ◦ Restart both the watch and your smartphone. ◦ Forget the device in your phone's Bluetooth settings and try pairing again. ◦ Ensure the companion app is updated to the latest version.
Notifications are not received.	◦ Check notification permissions in the companion app. ◦ Verify notification settings on your smartphone (e.g., ensure app notifications are not blocked). ◦ Ensure the watch is connected via Bluetooth.
Inaccurate fitness data.	Ensure the watch is worn snugly on your wrist. Update your personal information (height, weight) in the companion app.
