

Globlazer F70 Pro

Globlazer Heavy Duty Cat Tree F70 Pro Instruction Manual

Model: F70 Pro

1. SAFETY INFORMATION

Please read and understand all safety instructions before assembling and using the Globlazer Heavy Duty Cat Tree F70 Pro. Keep this manual for future reference.

- **Adult Supervision:** Ensure children do not climb or play on the cat tree.
- **Stable Placement:** Place the cat tree on a flat, stable surface to prevent tipping.
- **Anti-Tip Kit:** Always use the included anti-tip kit to secure the cat tree to a wall, especially for taller models or active cats.
- **Regular Inspection:** Check the firmness of all screws and connections at least once a month. Tighten any loose screws immediately.
- **Damage:** Do not use the cat tree if any part is damaged or broken. Contact customer support for replacement parts.
- **Flammable Materials:** Keep the cat tree away from open flames, heaters, and other heat sources.
- **Moisture:** Avoid placing the cat tree in damp or wet environments to prevent material degradation.

2. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact Globlazer customer service.

- Base Plate
- Various Platforms and Perches
- Sisal-Wrapped Scratching Posts
- Cat Condos (Enclosures)
- Hammock

- Dangling Toys (e.g., balls, mice)
- Assembly Hardware (screws, bolts, washers)
- Allen Key (Hex Wrench)
- Anti-Tip Wall Anchor Kit
- Instruction Manual

3. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Globlazer Heavy Duty Cat Tree F70 Pro. It is recommended to have two people for easier assembly.

1. **Unpack and Identify:** Carefully unpack all components and lay them out. Refer to the parts list in the manual to identify each piece.
2. **Base Assembly:** Begin by attaching the lowest scratching posts to the base plate using the provided hardware. Ensure they are securely tightened.
3. **First Level:** Attach the first level of platforms and cat condos to the posts. Follow the diagrams in the included manual for correct orientation.
4. **Continue Upwards:** Systematically build the cat tree upwards, attaching posts, platforms, condos, and the hammock as indicated in the step-by-step diagrams.
5. **Attach Toys:** Once the main structure is complete, attach any dangling toys to the designated points.
6. **Final Tightening:** After all parts are assembled, go back and ensure all screws and connections are firmly tightened. Do not overtighten.
7. **Install Anti-Tip Kit:** Secure the cat tree to a nearby wall using the anti-tip kit. This is crucial for stability and safety.

Important: Regularly check the firmness of all screws at least once a month to maintain stability.

4. USAGE GUIDELINES

The Globlazer Heavy Duty Cat Tree F70 Pro is designed to provide a multi-functional activity center for your cats.

- **Climbing and Exploration:** The multi-level design encourages natural climbing instincts and provides various vantage points.
- **Scratching:** The sisal-wrapped posts offer an appropriate surface for cats to scratch, helping to maintain claw health and protect furniture.
- **Resting and Napping:** The spacious cat condos, comfortable hammock, and top perch provide cozy spots for rest and sleep.
- **Play:** Dangling toys encourage interactive play and exercise.

5. MAINTENANCE

Proper maintenance will extend the lifespan of your cat tree and ensure a safe environment for your pets.

- **Screw Tightness:** Check the firmness of all the screws at least once a month and tighten as necessary.
- **Cleaning Plush Surfaces:** Use a vacuum cleaner with a brush attachment to remove loose fur and debris from plush surfaces. For spot cleaning, use a damp cloth with mild soap and water, then air dry thoroughly.
- **Sisal Posts:** Inspect sisal posts for wear and tear. While durable, sisal may fray over time.
- **Removable Parts:** The enlarged top perch is detachable for easy cleaning. Follow 'Hand Wash Only' instructions for any removable fabric components.

6. TROUBLESHOOTING

If you encounter any issues with your Globlazer Cat Tree, refer to the following common solutions:

- **Wobbling:** Ensure the cat tree is placed on a level surface. Re-check and tighten all screws. Verify that the anti-tip kit is correctly installed and secured to the wall.
- **Missing Parts:** If any parts were missing upon arrival, please contact Globlazer customer service with your purchase details.
- **Damaged Components:** Do not attempt to repair damaged components. Contact customer service for assistance or replacement parts.
- **Cat Disinterest:** Introduce your cat to the tree gradually. Use catnip, treats, or favorite toys to encourage exploration. Place the tree in a location your cat frequently visits.
