TYCOLE T2104

TYCOLE T2104 Flower House Building Set with LED Lights Instruction Manual

Model: T2104 | Brand: TYCOLE

1. Introduction

Thank you for choosing the TYCOLE T2104 Flower House Building Set. This 705-piece building block set allows you to construct a detailed garden courtyard model featuring a greenhouse and integrated LED lighting. Designed to foster creativity and problem-solving skills, this set provides an engaging building experience for individuals aged 6 and up. Please read this manual carefully before beginning assembly to ensure a smooth and enjoyable process.

2. Safety Information

- **Warning:** Not for children under 3 years due to small parts which may present a choking hazard.
- Adult supervision is recommended during assembly, especially for younger builders.
- Keep all packaging materials away from infants and children to avoid suffocation risks.
- Ensure all pieces are securely connected to prevent accidental detachment.
- The set includes small batteries for the LED lights. Keep batteries out of reach of small children. If swallowed, seek immediate medical attention.

3. What's in the Box

Your TYCOLE T2104 Flower House Building Set includes the following components:

- 705 Building Block Pieces (sorted into numbered bags)
- 1 Instruction Manual
- LED Light Components (including 1 LR41 battery)
- Decorative Stickers (if applicable)

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

4. Assembly Instructions

Follow the detailed, step-by-step instructions provided in the included manual. The building blocks are organized into numbered bags, corresponding to the assembly stages. It is recommended to open bags sequentially as indicated in the manual to simplify the building process.

4.1. General Assembly Tips

- **Organize Your Workspace:** Clear a flat, well-lit surface to build on.
- **Follow Numbered Bags:** Open only the bags corresponding to the current step in the instruction manual.
- **Review Each Step:** Before attaching pieces, carefully examine the diagrams for correct placement and orientation.
- **Secure Connections:** Ensure all blocks are firmly pressed together for a stable structure.

4.2. Building the Garden Courtyard Structure

The assembly begins with the base and progresses upwards, forming the two-story garden courtyard. Pay close attention to the placement of structural elements, including walls, windows, and the distinctive spiral staircase.

4.3. Adding Architectural and Decorative Details

Once the main structure is complete, proceed to add the intricate details that bring the flower house to life. This includes the striped awning, the cafe area furniture, tropical palm trees, and various blooming flower elements. The open-back design allows for easy access to the interior for placement of furniture and other small accessories.

5. Operating Instructions: LED Lights

The TYCOLE T2104 Flower House features integrated LED lights to enhance its display. The set includes 1 LR41 battery for the lighting module.

5.1. Activating the LED Lights

1. Locate the LED lighting module within your assembled model.
2. Ensure the LR41 battery is correctly installed in the module.
3. Gently rotate the designated light knob or press the switch (as indicated in your specific instruction manual diagrams) to activate the lights.

The LED lights will cast a warm glow, illuminating the interior and exterior of the flower house, creating a cozy atmosphere.

6. Maintenance

To ensure the longevity and appearance of your TYCOLE Flower House Building Set, follow these maintenance

guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For more thorough cleaning, gently wipe with a damp cloth and mild soap, then dry immediately. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not on display, store the building set in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic pieces.
- **Battery Replacement:** If the LED lights dim or stop working, replace the LR41 battery. Ensure correct polarity during installation. Dispose of used batteries responsibly.

7. Troubleshooting

If you encounter any issues during assembly or operation, refer to the following common solutions:

- **Missing Pieces:** Double-check all bags and packaging. If a piece is genuinely missing, contact customer support with the specific part number (if identifiable from the manual) and the step number.
- **Unclear Instructions:** Review the diagrams carefully. Sometimes, rotating the manual or looking at subsequent steps can provide clarity on piece orientation.
- **Pieces Not Connecting Firmly:** Ensure you are using the correct pieces for the step. Apply firm, even pressure to connect blocks. If a piece is warped or damaged, contact customer support.
- **LED Lights Not Working:**
    a. Check if the battery is correctly installed with the correct polarity.
    b. Verify that the battery is not depleted. Replace if necessary.
    c. Ensure the light activation mechanism (knob/switch) is fully engaged.

8. Specifications

Feature	Detail
Model Number	T2104
Brand	TYCOLE
Number of Pieces	705
Assembled Dimensions (L x W x H)	8.43 x 5.79 x 6.18 inches (21.4 x 14.7 x 15.7 cm)
