## SETUP

---

Follow these steps to correctly install your Bmax Maxpad I11 Power 11-Inch Tablet into the case:

1. **Open the Case:** Lay the tablet case flat on a clean, stable surface.
2. **Insert Tablet:** Gently align your Bmax Maxpad I11 Power 11-Inch Tablet with the internal frame of the case. Ensure all corners and edges of the tablet fit securely into the protective shell.
3. **Secure the Tablet:** Press firmly but gently around the edges of the tablet until it is fully seated within the case. The case is designed to provide a snug fit for maximum protection.
4. **Verify Camera Alignment:** Confirm that the tablet's camera aligns with the reserved camera opening on the back of the case. This case features multiple pre-cutouts to accommodate various camera positions.

## OPERATING INSTRUCTIONS

---

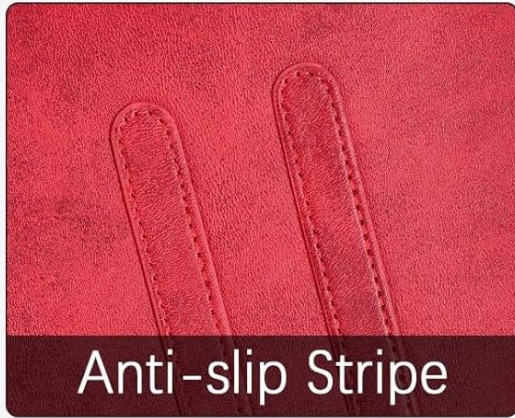

### Using the 360-Degree Rotation and Multi-Viewing Angles

The case is designed with a 360-degree rotating mechanism and anti-slip strips to provide versatile viewing experiences.

- **Adjusting Viewing Angle:** Open the folio cover. The tablet, secured within its frame, can be rotated 360 degrees.
- **Utilizing the Stand:** Fold the front cover back to form a triangular stand. Position the tablet's edge into one of the anti-slip grooves on the inside of the cover to achieve your desired viewing angle. This allows for both portrait and landscape orientations.

# MULTIPLE VIEWING

It turns into a convenient stand.

## MAINTENANCE

---

To ensure the longevity and appearance of your PU leather tablet case, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior with a soft, damp cloth. For tougher stains, use a mild soap solution and then wipe clean with a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Avoid Extreme Conditions:** Do not expose the case to direct sunlight for prolonged periods or to extreme temperatures, as this may cause the material to degrade or fade.
- **Storage:** When not in use, store the case in a cool, dry place away from direct heat or moisture.

## TROUBLESHOOTING

---

**Problem:** Tablet does not fit securely in the case.

**Solution:** Ensure your tablet is the Bmax Maxpad I11 Power 11-Inch model. This case is specifically designed for this

tablet size. Refer to the "Compatible with a lot of tablet" image in the Setup section to verify your tablet's dimensions against the case's design.

**Problem: Camera opening does not align perfectly.**

**Solution:** The case has multiple pre-cutouts to support various camera positions. While it supports 99% camera usage, some specific tablet camera placements might not align perfectly. Ensure the tablet is fully seated and try adjusting its position slightly within the frame if possible. The case is designed to allow camera use even if not perfectly centered in one cutout.

**Problem: Case stand is not stable.**

**Solution:** Ensure the tablet's edge is firmly seated in one of the anti-slip grooves on the inside of the cover. Make sure the surface you are placing the case on is flat and stable.
