AMERLIFE Queen Murphy Bed Instruction Manual

Model: BPB008 | Brand: AMERLIFE

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your AMERLIFE Queen Murphy Bed with Storage & Charging Station. Designed for maximizing space, this versatile furniture piece functions as a stylish cabinet when folded and a comfortable queen-sized bed when unfolded. It features integrated storage, a charging station, and a durable construction for long-lasting use.

KEY FEATURES

- **Dual Functionality:** Seamlessly converts from a compact storage cabinet to a queen-sized bed, ideal for guest bedrooms, living rooms, or offices.
- **Integrated Storage & Charging:** Features a desktop surface for decor or work, a built-in storage area for the mattress, and an integrated charging station with 2 AC outlets, 1 USB, and 1 Type-C port. A spacious drawer provides additional storage for pillows and linens.
- **Durable Construction:** Equipped with smooth twin-track slides, fixed universal wheels, and an anti-tipping device for stability and safety. The folding frame is reinforced with zinc alloy connectors for enhanced longevity.
- **Enhanced Comfort:** Incorporates EVA material to reduce noise and improve comfort during use. Convenient handles on the underside facilitate easy pull-out and folding.
- **Farmhouse Design:** Elevates your space with a timeless farmhouse aesthetic, featuring distinctive patterns.

SETUP INSTRUCTIONS

Unpacking and Preparation

1. Upon receipt, please confirm that all items are intact and undamaged.
2. Unpack all components carefully and lay them out in an organized manner. Each part is numbered for easy identification.
3. Ensure you have sufficient space for assembly. A 2-3 hour setup time is estimated with two people.

Assembly Steps

Follow the detailed manual provided with your product for step-by-step assembly. Key steps include:

1. **Step 1:** Position the main cabinet unit.
2. **Step 2:** Pull out the bottom storage drawer.
3. **Step 3:** Lift the top board of the cabinet and press the red safety button to release the bed frame.

4. **Step 4:** Gently lower the bed panel into place.

5. **Important Note:** When installing the slide rail, follow the instructions to separate the two sections into two parts. When assembling the drawers, ensure they are installed on a flat surface, paying attention to the direction of the slide rail.

OPERATING INSTRUCTIONS

Converting from Cabinet to Bed

1. Ensure the area in front of the cabinet is clear.
2. Pull out the bottom storage drawer completely.
3. Lift the top panel of the cabinet. Simultaneously, locate and press the red safety buttons on both sides to release the bed mechanism.
4. Gently lower the bed frame until it is fully extended and rests securely on the floor.
5. Place your tri-fold mattress (not included) onto the bed frame. The bed is spacious enough for a fold-out mattress.

Converting from Bed to Cabinet

1. Remove any bedding or mattress from the bed frame.
2. Using the convenient handles located on the underside of the bed panel, lift the bed frame upwards.

3. Push the bed frame back into the cabinet until it locks securely into place. The top panel will also fold back down.
4. Push the bottom storage drawer back into the cabinet.

Using the Charging Station

The integrated charging station is located on the side of the cabinet. Simply plug the bed's power cord into a wall outlet. You can then use the 2 AC outlets, 1 USB port, and 1 Type-C port to charge your devices.

CARE AND MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Tighten if necessary to maintain stability.
- **Moving the Unit:** If relocating the Murphy bed, ensure it is in the fully folded cabinet position. Use caution and ideally two people to move it to prevent damage or injury.

- **Mattress Care:** Follow the care instructions for your specific tri-fold mattress. Ensure the mattress is properly folded and stored when the bed is in cabinet mode.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed does not unfold or fold smoothly.	Obstruction in the track; misaligned components; safety buttons not fully pressed.	Check for any objects blocking the slides. Ensure all assembly components are correctly aligned and tightened. Verify that the red safety buttons are fully depressed when unfolding.
Drawer does not close properly.	Misaligned drawer slides; obstruction in the drawer path.	Ensure the drawer slides are correctly installed and aligned. Check for any items inside the drawer or along its path that might be preventing it from closing.
Mattress slides on the bed platform.	Slippery bed platform surface.	Consider placing an anti-slip mat or rug pad underneath the mattress to prevent movement.
Charging station not working.	Power cord not plugged in; faulty outlet.	Ensure the bed's power cord is securely plugged into a functional wall outlet. Test the outlet with another device.
