Baodiale Makeup Vanity Desk Instruction Manual

MODEL: 24904SZT 87-1 (80CM GREY)

Introduction

Thank you for choosing the Baodiale Makeup Vanity Desk. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new vanity desk. Please read these instructions carefully before assembly and retain them for future reference.

This vanity desk features a 360° rotating mirror with 3-color touch screen dimming, a UV slate tabletop, and five storage drawers, designed for bedroom use.

Safety Information

- Ensure all components are present and undamaged before beginning assembly.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly.
- Keep small parts away from children during assembly.
- Always use the vanity desk on a flat, stable surface.
- Do not place excessively heavy items on the tabletop or in drawers.

Setup and Assembly

This section outlines the general steps for assembling your Baodiale Makeup Vanity Desk. Specific diagrams and hardware may vary; refer to the included assembly guide for detailed instructions.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all hardware and furniture pieces are present according to the packing list.
2. **Assemble the Main Desk Frame:** Attach the metal legs to the main desk tabletop using the provided screws and tools. Ensure they are securely fastened but do not overtighten.
3. **Install Drawers:** Insert the solid wood storage drawers into their respective slots. Ensure the drawer slides operate smoothly.
4. **Attach Side Cabinet (if applicable):** Position the side cabinet next to the main desk. The design allows

for retractable and interchangeable left/right placement. Secure it as per the detailed assembly instructions.

5. **Mount the Mirror:** Place the 360° rotation mirror onto the designated area on the tabletop. Connect any necessary power cables for the mirror light.
6. **Final Placement:** Once assembled, carefully move the vanity desk to its desired location.

Maintenance

Proper care will ensure the longevity and appearance of your Baodiale Makeup Vanity Desk.

- **UV Slate Tabletop:** The UV slate tabletop is designed to be waterproof, anticorrosion, and easy to care for. For daily cleaning, wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the surface.
- **Metal Frame and Legs:** The iron painted table legs are designed to be resistant to rust. Clean metal surfaces with a soft, dry cloth. If necessary, a slightly damp cloth can be used, followed by immediate drying.
- **Drawers:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone-based lubricant can be applied. Clean drawer interiors with a dry or slightly damp cloth.
- **Mirror:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Avoid spraying cleaner directly onto the mirror frame or electrical components.

Troubleshooting

If you encounter any issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Mirror light does not turn on.	Power cable not connected or loose.	Ensure the power cable is securely plugged into both the mirror and a working power outlet.
Mirror light flickers or is dim.	Low power supply or faulty connection.	Check power connection. Try adjusting brightness using the long press function.
Drawers are difficult to open/close.	Drawer slides are dry or obstructed.	Remove the drawer and inspect the slides for obstructions. Apply a silicone-based lubricant to the slides if needed.
Vanity desk feels unstable.	Loose leg connections.	Check and tighten all screws connecting the legs to the tabletop. Ensure the desk is on a level surface.

If the problem persists after attempting these solutions, please contact customer service for further assistance.
