## ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward and can typically be completed by one person. All necessary tools are included. Please follow these steps carefully:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided parts list.
2. **Assemble the Desk Frame:** Attach the metal leg frames to the desktop using the provided screws and Allen wrench. Ensure all connections are secure but do not overtighten until all components are aligned.

3. **Assemble the Drawers:** Construct the two drawer boxes according to the diagrams in the manual. Attach the gold drawer pulls to the front of each drawer.
4. **Insert Drawers:** Slide the assembled drawers into the pre-installed drawer slides on the desktop. Test for smooth operation.
5. **Assemble the Stool:** Connect the metal frame components of the stool and attach the padded seat using the provided hardware.
6. **Final Tightening:** Once all components are assembled and aligned, carefully tighten all screws and bolts.

## SETUP

Place the assembled desk on a level surface in your desired location. The desk features adjustable feet to ensure stability on uneven floors. Adjust each foot individually until the desk is stable and does not wobble. Ensure adequate space around the desk for comfortable use of the drawers and stool.

## OPERATING INSTRUCTIONS

- **Drawers:** The two drawers are equipped with smooth gliding mechanisms for easy opening and closing. To open, gently pull the gold knob. To close, push the drawer back until it is flush with the desk front. Avoid forcing the drawers if they encounter resistance.
- **Stool:** The included padded stool provides comfortable seating. It can be easily tucked under the desk when not in use to save space.

## MAINTENANCE

- **Cleaning:** For general cleaning, wipe the desk and stool surfaces with a damp cloth. For a dry finish, follow with a dry cloth. Avoid using abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspection:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability and safety.
- **Protection:** To prevent scratches and damage, use coasters under drinks and avoid placing hot items directly on the desktop.

## TROUBLESHOOTING

- **Wobbly Desk:** If the desk feels unstable, adjust the leveling feet located at the bottom of each leg until all four feet make firm contact with the floor.
- **Drawers Not Sliding Smoothly:** Ensure that the drawer slides are properly aligned and free of obstructions. Check that all screws securing the slides are tightened. If issues persist, re-check the drawer assembly steps.

- **Missing or Damaged Parts:** If you discover any missing or damaged parts upon unpacking, please contact SUPERJARE customer support immediately for assistance.
