pininfarina Senso Hybrid Smartwatch User Manual

An Analogue Watch with Digital Display, Tracks Heart Rate, Steps, Calories, Sleep, Fitness - Compass & Connected GPS Tracking

1. INTRODUCTION

Welcome to the world of the pininfarina Senso Hybrid Smartwatch. This timepiece seamlessly blends classic analogue design with advanced digital functionality, offering a sophisticated way to monitor your health and stay connected.

The Senso Smartwatch is engineered for durability and precision, featuring a robust 316L stainless steel body, anti-fingerprint coated Sapphire Crystal glass, and water resistance up to 5ATM. It tracks essential health metrics including heart rate, steps, calories, and sleep, providing comprehensive insights into your well-being through its companion app.

The pininfarina Senso Hybrid Smartwatch, where technology meets elegant design.

2. WHAT'S IN THE BOX

Your pininfarina Senso Hybrid Smartwatch package includes the following items:

- pininfarina Senso Hybrid Smartwatch (Mercurio Grey Leather)
- Brown Leather Strap (pre-attached or included)
- Charging Dock
- 1M USB-C Fast Charging Cable
- Microfiber Cleaning Cloth
- User Guide (this manual)

The premium gift box and its contents, including the smartwatch and charging accessories.

3. SETUP GUIDE

3.1 Initial Charging

Before first use, fully charge your smartwatch. Connect the USB-C cable to the charging dock and plug it into a compatible USB power adapter (not included). Place the smartwatch onto the charging dock, ensuring the contacts align. The watch display will indicate charging status.

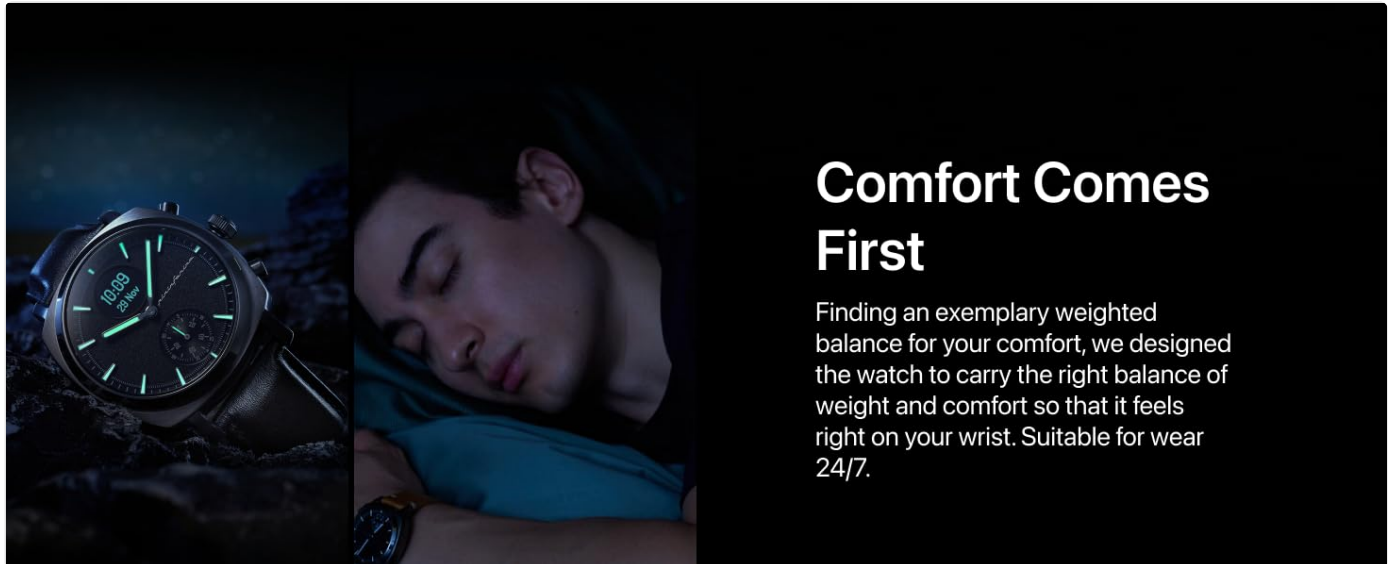

The main display of the Pininfarina Senso Hybrid Smartwatch.

3.2 App Download and Installation

The pininfarina Senso Hybrid Smartwatch requires a companion app for full functionality and data synchronization. Scan the QR code provided in the Quick Start Guide or search for "pininfarina Hybrid Watch" on the Google Play Store (for Android devices) or Apple App Store (for iOS devices).

1. Download and install the app on your smartphone.
2. Open the app and follow the on-screen instructions to create an account or log in.

Comfort Comes First

Finding an exemplary weighted balance for your comfort, we designed the watch to carry the right balance of weight and comfort so that it feels right on your wrist. Suitable for wear 24/7.

The companion app provides detailed health insights at your fingertips.

3.3 Device Pairing

Once the app is installed and you are logged in, proceed with pairing your smartwatch:

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the pininfarina Hybrid Watch app and navigate to the "Add Device" or "Pair Device" section.
3. The app will search for nearby devices. Select your pininfarina Senso Smartwatch from the list.
4. Confirm the pairing request on both your watch and smartphone if prompted.
5. The watch's analogue hands will automatically calibrate to the correct time upon successful pairing.

4. OPERATING YOUR SMARTWATCH

The pininfarina Senso Hybrid Smartwatch combines traditional watch aesthetics with smart features accessible via its small digital display and the companion app.

4.1 Navigating the Watch Display

The small digital display at the top of the watch face shows various information. Use the physical buttons on the side of the watch to cycle through different modes and information screens, such as:

- **Time & Date:** Digital display of current time and date.
- **Activity:** Steps taken, calories burned, distance covered.
- **Health:** Heart rate monitoring, sleep data.
- **Weather:** Current weather conditions (requires app connection).
- **Notifications:** Alerts for calls, messages, and app notifications (configured via app).

Mechanical & Connected.

The watch's internal mechanics and digital display showing health data.

4.2 Using the Companion App

The pininfarina Hybrid Watch app is your central hub for detailed data, settings, and customization:

- **Dashboard:** View a summary of your daily activity, heart rate, sleep patterns, and more.
- **Goal Setting:** Set personal fitness goals for steps, calories, and sleep.
- **Activity Tracking:** Initiate and track specific workouts (e.g., walking, running) using connected GPS via your smartphone.
- **Health Monitoring:** Access historical data for heart rate, ECG (where available), and blood oxygen (SpO2) levels.
- **Notifications:** Customize which app notifications appear on your watch.
- **Watch Settings:** Adjust watch face settings, alarm clocks, and other preferences.

5. MAINTENANCE AND CARE

Proper care will ensure the longevity and optimal performance of your pininfarina Senso Hybrid Smartwatch.

5.1 Cleaning Your Smartwatch

- Wipe the watch case and sapphire crystal glass with the provided microfiber cloth to remove fingerprints and smudges.
- For deeper cleaning, lightly dampen the cloth with water and gently wipe the surfaces. Avoid using harsh chemicals or abrasive materials.
- Clean the charging contacts on the back of the watch and the charging dock regularly to ensure efficient charging.

5.2 Strap Care

The genuine Italian leather strap requires specific care:

- Avoid prolonged exposure to direct sunlight, extreme temperatures, and moisture.
- If the leather gets wet, gently wipe it dry with a soft cloth and allow it to air dry naturally. Do not use heat.
- Consider using a leather conditioner periodically to maintain its suppleness and prevent cracking.
- Interchangeable straps are available for different styles and activities (e.g., FKM rubber for sports).

Premium Giftbox

Pininfarina Hybrid Watch in its Watch displayed in its ebony wooden effect case.

- Genuine Italian Leather strap
- Docking charger + 1M USB-C fast charging cable
- Micro fiber cloth
- User guide

Explore different strap options for your Senso Hybrid Smartwatch.

5.3 Water Resistance

The watch is water resistant up to 5 ATM (50 meters). This means it is suitable for everyday use and can withstand splashes, rain, and brief immersion in water. However, it is not recommended for swimming, diving, or high-pressure water activities. Avoid operating the buttons underwater.

Stainless steel case for a timeless aesthetics that last.

The stainless steel case and water resistance ensure durability.

6. TROUBLESHOOTING

If you encounter issues with your pininfarina Senso Hybrid Smartwatch, refer to the solutions below:

Problem	Possible Cause	Solution
Watch not turning on or responding.	Low battery; software glitch.	Place the watch on its charger for a few seconds to reboot. Ensure it is fully charged.
Cannot pair with smartphone.	Bluetooth off; app issue; watch not discoverable.	Ensure Bluetooth is on. Restart both watch and phone. Reinstall the app. Check app permissions.

Problem	Possible Cause	Solution
Time is incorrect.	Not synchronized with phone; app connection lost.	Ensure the watch is connected to the app. The time automatically syncs with your phone.
Health data not syncing.	App not running in background; connectivity issues.	Check app permissions for background activity. Ensure stable Bluetooth connection. Open the app regularly to force sync.
Digital display is blank or unresponsive.	Low battery; software error.	Charge the watch. Perform a soft reset by holding down the main button for 10-15 seconds.
