## Xiaomi Redmi 14C

# Xiaomi Redmi 14C User Manual

Model: Redmi 14C (MZB0HQ8US)

## 1. INTRODUCTION

Welcome to the user manual for your new Xiaomi Redmi 14C smartphone. This guide provides essential information on setting up, operating, maintaining, and troubleshooting your device. Please read this manual thoroughly to ensure proper use and to maximize the performance of your Redmi 14C.

The Xiaomi Redmi 14C features a rounded design, an ultra-slim body, and a 6.88-inch cinema-view display with up to 120Hz refresh rate. It is equipped with a 50MP ultra-clear AI dual camera system, designed to capture stunning details and enhance your photography experience with the powerful Xiaomi Imaging Engine.

## 2. SAFETY INFORMATION

Always follow basic safety precautions when using your device to reduce the risk of injury, fire, or damage to the device.

- Do not expose the device to extreme temperatures or direct sunlight.
- Avoid contact with water or other liquids.
- Use only Xiaomi-approved chargers and accessories.
- Do not attempt to disassemble or repair the device yourself.
- Keep the device away from medical devices.
- Dispose of the device and its battery responsibly according to local regulations.

## 3. PACKAGE CONTENTS

Verify that all items are present in your product package:

- Xiaomi Redmi 14C Smartphone
- USB Type-C Cable
- SIM Eject Tool
- 18W Wall Charger

- Phone Case
- Fast Car Charger (if included in specific bundle)
- 33W Car Charger (if included in specific bundle)
- Adapter (if included in specific bundle)

## 4. SETUP

### 4.1 Inserting SIM Card and MicroSD Card

1. Locate the SIM card tray on the side of your phone.

2. Insert the SIM eject tool into the small hole next to the tray to open it.
3. Place your Nano-SIM card(s) and/or MicroSD card into the tray with the gold contacts facing down. Ensure they are correctly oriented.
4. Gently push the tray back into the phone until it clicks into place.

*Note: This device supports Dual Nano SIM + 1 Slot Micro SD.*

## 4.2 Charging the Battery

Before first use, fully charge the device battery. Connect the USB Type-C cable to the phone's charging port and the other end to the 18W wall charger. Plug the charger into a power outlet. The charging indicator will appear on the screen.

*The device comes with a 5160mAh (typical) battery.*

# 5. OPERATING INSTRUCTIONS

## 5.1 Power On/Off

- **To Power On:** Press and hold the Power button until the Xiaomi logo appears.
- **To Power Off:** Press and hold the Power button, then select "Power off" from the options on the screen.
- **To Restart:** Press and hold the Power button, then select "Restart" from the options.

## 5.2 Display and Navigation

The Redmi 14C features a 6.88-inch Dot Drop Display with a resolution of 1640x720 pixels. It supports a refresh rate of up to 120Hz and a touch sampling rate of up to 240Hz for a smooth user experience. Navigation is primarily touch-based, with gestures and on-screen buttons.

- **Home Screen:** Swipe left or right to navigate between home screens.
- **Notifications Panel:** Swipe down from the top of the screen to access notifications and quick settings.
- **Recent Apps:** Swipe up from the bottom of the screen and hold (or tap the recent apps button) to view recently used applications.

## 5.3 Camera Operation

Your Redmi 14C is equipped with a 50MP main camera and an auxiliary lens. The powerful AI dual camera system allows for various photography modes.

1. Open the "Camera" application.
2. Select your desired mode (e.g., Photo, Portrait, 50MP mode, Video).
3. Tap the shutter button to take a photo or start/stop video recording.
4. Explore features like HDR mode, Night mode, filmCamera filters, and Pro LUTs for creative effects.

## 5.4 Connectivity

The device supports 4G LTE, Wi-Fi, and Bluetooth connectivity.

- **Wi-Fi:** Go to *Settings > Wi-Fi* to connect to available networks.
- **Bluetooth:** Go to *Settings > Bluetooth* to pair with other Bluetooth devices.
- **Mobile Data:** Ensure your SIM card is active and mobile data is enabled in *Settings > SIM cards & mobile networks*.

## 6. MAINTENANCE

### 6.1 Cleaning Your Device

- Use a soft, lint-free cloth to clean the screen and body of the phone.
- Avoid using harsh chemicals, cleaning sprays, or abrasive materials.
- If necessary, slightly dampen the cloth with water.

### 6.2 Battery Care

- Avoid fully discharging the battery frequently.
- Do not leave the phone charging for extended periods after it's fully charged.
- Keep the phone within normal operating temperatures.

## 7. TROUBLESHOOTING

| Problem                    | Possible Solution   |
|----------------------------|---|
| Device does not power on.  | Ensure the battery is charged. Connect to charger for at least 10 minutes, then try powering on.          |
| Poor network signal.       | Check SIM card insertion. Move to an area with better network coverage. Restart the device.               |
| Apps are slow or freezing. | Close background apps. Clear app cache. Restart the device. Ensure sufficient storage space.              |
| Battery drains quickly.    | Reduce screen brightness. Disable unused features (Wi-Fi, Bluetooth, GPS). Limit background app activity. |
| Cannot connect to Wi-Fi.   | Ensure Wi-Fi is enabled. Restart your router. Forget and reconnect to the network.                        |

If the problem persists, please contact Xiaomi customer support.

## 8. SPECIFICATIONS
