TROUBLESHOOTING

If you encounter any issues with your VONZOY patio furniture, please refer to the following common solutions:

Problem	Possible Cause	Solution
Furniture wobbles	Uneven surface; loose connections	Adjust the foot pads on each leg until stable. Check and tighten all assembly bolts.
Cushions slide off	Not properly positioned; excessive movement	Ensure cushions are placed correctly. The anti-slip design should help; if not, consider adding additional anti-slip pads.
Water pooling on covers	Improper cover application; lack of support	Ensure covers are taut and secured with drawstrings. Place objects under the cover to create a peak, allowing water to run off.
Parts missing or damaged upon arrival	Shipping damage; packaging error	Contact VONZOY customer service immediately for assistance and replacement parts.
