AMIRO Spectra

AMIRO Spectra 5-in-1 Light Facial Mask User Manual

Model: Spectra

Introduction

Welcome to the AMIRO Spectra 5-in-1 Light Facial Mask. This innovative device is designed to integrate advanced light therapy into your daily skincare routine, offering a comprehensive solution for various skin concerns. With its full-spectrum light system and smart modes, achieving a refined and radiant complexion is made simple and efficient.

Key Features

- **5-in-1 Full-Spectrum Light Skincare System:** Combines five light wavelengths—red, blue, green, yellow, and infrared—into one synchronized system for a balanced, full-spectrum light experience.
- **3 Smart Skincare Modes:** Features Purify, Firm, and Glow modes, each designed for quick 5-minute at-home facial care sessions.
- **173 High-Density Light Points:** Equipped with 173 evenly distributed light points, providing uniform illumination across the face for consistent treatment.
- **Contour-Fit Silicone Face Mask Design:** Soft, skin-friendly silicone contours to the face, covering key areas like the T-zone, cheeks, and eye area for comfort and effectiveness.
- **Hands-Free Design with Smart Memory Display:** Designed for effortless, hands-free use, featuring a memory function and countdown display for convenient sessions.

Understanding Light Therapy

The AMIRO Spectra mask utilizes five distinct light wavelengths, each targeting specific skin layers and concerns:

- **Red Light (630nm)**: Targets the dermis layer, promoting metabolism acceleration and collagen regeneration.
- **Blue Light (415nm)**: Targets the stratum corneum, aiding in acne purification.
- **Green Light (525nm)**: Targets the granular layer, assisting with oil control and soothing the skin.
- **Yellow Light (590nm)**: Targets the spinous layer, contributing to skin brightening.
- **Infrared Light (850nm)**: Targets the dermis layer, enhancing collagen regeneration.

Illustration of how different light wavelengths target various skin layers.

Setup

1. **Charge the Controller:** Connect the provided Type-C charging cable to the controller. The indicator lights will show the charging status. Ensure the controller is fully charged before first use.
2. **Connect Mask to Controller:** Once the controller is charged, connect the mask to the controller using the dedicated cable.
3. **Prepare Your Skin:** Cleanse your face thoroughly before each session. Ensure your skin is dry and free of makeup or heavy creams to allow optimal light penetration.

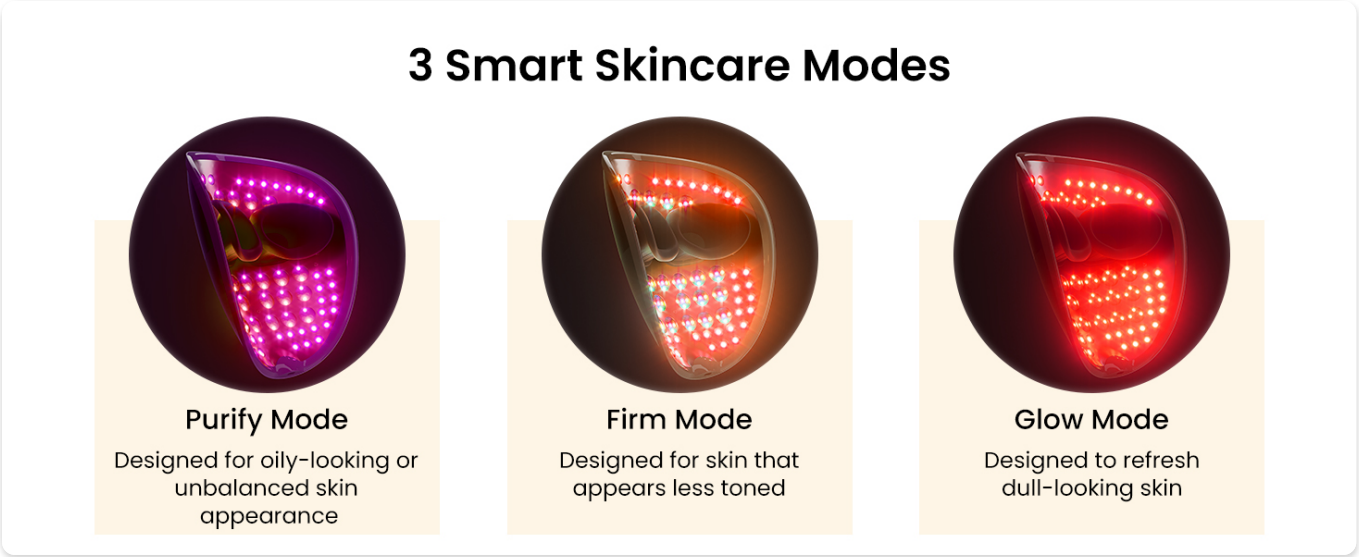

The AMIRO Spectra mask connected to its controller.

Operating Instructions

1. **Wear the Mask:** Gently place the mask on your face. The built-in silicone eye shields are designed to protect your eyes from the light and ensure a comfortable fit.
2. **Power On:** Press and hold the power button on the controller for 2 seconds to turn on the device. The default mode will activate.
3. **Select Mode:** Quickly press the power button to cycle through the three smart skincare modes:
    - **Purify Mode:** Combines Blue, Red, Green, Yellow, and Infrared Light. Ideal for oil control and acne-prone skin.

- **Glow Mode:** Utilizes Red and Infrared Light. Designed to refresh dull-looking skin for a brighter, smoother complexion.
- **Firm Mode:** Features Yellow, Red, and Infrared Light. Aims to improve elasticity for sagging and loose facial skin.

4. **Session Duration:** Each mode runs for a recommended 5 minutes. The smart memory function will automatically recall your last used setting for convenience.
5. **Hands-Free Use:** The mask's design allows you to continue with other activities, such as reading or watching TV, during your skincare session.

The three smart skincare modes and their primary benefits.

Enjoy hands-free light therapy sessions.

Maintenance and Care

The AMIRO Spectra mask is constructed with non-porous, quick-drying, and ultra-hygienic materials for straightforward cleaning and upkeep.

- After each use, gently wipe the mask's interior and exterior surfaces with a soft, damp cloth.
- Ensure the device is completely dry before storing it in a cool, dry place.
- Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the mask's materials.

Troubleshooting

- **Device not turning on:** Ensure the controller is fully charged. Connect the Type-C charging cable and allow sufficient time for the battery to replenish.
- **Light not activating:** Verify that the mask is securely connected to the controller. Check for any loose connections.
- **Discomfort during use:** Adjust the mask's position on your face for a comfortable fit. The silicone eye shields are designed for protection and should not cause discomfort.
- **Charging issues:** If the device does not charge, ensure you are using the provided Type-C cable. Contact customer support if issues persist.

Specifications

- **Model Name:** Spectra
- **Brand:** AMIRO
- **Color:** Silver
- **Package Dimensions:** 9.53 x 8.46 x 4.41 inches
- **Weight:** 2.12 Pounds
- **Light Wavelengths:** Red, Blue, Green, Yellow, Infrared
- **LED Points:** 173
- **Battery Capacity:** 3200mAh

Safety Information

- This device is not intended for use by children.
- Consult a healthcare professional before using this device if you have any pre-existing skin conditions, medical conditions, or are pregnant.
- Always use the built-in eye protection during operation to prevent direct light exposure to the eyes.
- Discontinue use if you experience any adverse reactions or discomfort and consult a healthcare professional.

Warranty and Support

For detailed warranty information, product support, or any inquiries regarding your AMIRO Spectra 5-in-1 Light Facial Mask, please contact AMIRO customer service. Refer to the official AMIRO website or your purchase documentation for contact details and service options.
