Care and Maintenance

- **Cleaning:** The cushion and back pillow covers are removable and machine washable. Refer to the fabric care label for specific washing instructions. For spot cleaning, use a mild detergent and a damp cloth. Blot gently; do not rub.
- **Regular Maintenance:** Vacuum the sofa regularly using an upholstery attachment to remove dust and debris.
- **Cushion Care:** Periodically fluff and rotate cushions to maintain their shape and extend their lifespan.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sunlight or use window coverings.
- **Check Connections:** Periodically inspect all screws and connections to ensure they remain tight. Tighten as necessary.
