

## L LAVAREDO T15E

# L LAVAREDO Kids Digital Watch User Manual

Model: T15E

## 1. INTRODUCTION

Thank you for choosing the L LAVAREDO Kids Digital Watch, Model T15E. This watch is designed for children aged 5-13, offering a range of features to support an active lifestyle without the need for smartphone connectivity or app downloads. It combines timekeeping with fitness tracking capabilities, including a pedometer, calorie counter, and distance tracker. The watch also features a silent vibration alarm and is designed for daily water resistance.

Figure 1: L LAVAREDO Kids Digital Watch overview, emphasizing key features.

## 2. SETUP

### 2.1 Charging the Watch

Before initial use, ensure the watch is fully charged. The watch features an improved charging port designed to enhance water resistance. Use the provided magnetic charging cable. Connect the magnetic end to the charging points on the back of the watch. A full charge typically takes approximately two hours and provides 10-15 days of normal use.

Figure 2: Connecting the magnetic charging cable to the watch.

## 2.2 Initial Settings

To set the time, date, and other personal information (like height and weight for accurate pedometer readings), refer to the detailed instructions in the included user manual. The watch operates independently without requiring a smartphone app.

## 3. OPERATING INSTRUCTIONS

### 3.1 Time and Date Display

The watch displays the current time and date. Use the side buttons to navigate between display modes and adjust settings as needed. Consult the full manual for specific button functions.

### 3.2 Fitness Tracking (Pedometer, Calories, Mileage)

The built-in pedometer tracks steps, calculates calories burned, and estimates mileage. To ensure accuracy, set your child's height and weight in the watch settings. No external app is required for these functions.

Figure 3: The watch's fitness tracking features in action.

### 3.3 Stopwatch

Activate the stopwatch function to time activities. This feature is useful for sports, games, or tracking study intervals.

Figure 4: Using the stopwatch function during activities.

### 3.4 Silent Vibration Alarm

Set up to two silent vibration alarms. This feature allows children to manage their study or rest times without disturbing others, making it suitable for use in classrooms, libraries, or dormitories.

Figure 5: The silent vibration alarm in use.

#### 4. WATER RESISTANCE

The L LAVAREDO Kids Digital Watch is 50M water-resistant, suitable for daily activities such as hand washing, water splashing, and rainy days. **Note:** Do not wear the watch when it is completely submerged in water, such as during swimming or bathing, as this may compromise its water resistance.

Figure 6: Water resistance guidelines for the watch.

## 5. MAINTENANCE

- **Cleaning:** Wipe the watch clean with a soft, damp cloth. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the watch in a cool, dry place when not in use.
- **Strap Care:** The soft silicone strap is durable but can be cleaned with mild soap and water if needed.

## 6. TROUBLESHOOTING

If you encounter any issues with your L LAVAREDO Kids Digital Watch, please refer to the comprehensive troubleshooting section in the full user manual. For further assistance, contact L LAVAREDO customer support.

## 7. SPECIFICATIONS

Feature	Detail
Model Name	T15E
