

HOVERAir X1 PRO

HOVERAir X1 PRO 4K Action Flying Camera

Model: X1 PRO

INTRODUCTION

The HOVERAir X1 PRO is a foldable, 4K action flying camera designed for adventurers and creators. It features advanced flight modes, hands-free operation, and robust construction, allowing users to capture cinematic footage in various environments.

KEY FEATURES

- **4K@60fps Cinematic Footage:** Capture ultra-clear, lifelike video.
- **SmoothCapture 2.0:** Two-axis gimbal with EIS and HL for steady shots.
- **Totally Hands-free:** Take off with a click or voice command, no controller needed.
- **OmniTerrain Capability:** Fly anywhere, including snow, water, and cliffs.
- **Fast Follow Speed:** Up to 42 KM/H (26 mph) with enhanced tracking.
- **Rear Active Collision Detection:** ToF proximity sensor for safer tracking.
- **Portable, Foldable, Durable:** Enclosed design with aerospace-grade HEM material.
- **Smart App Control:** Configure modes, download content, and more via the HOVERAir X1 app.
- **Ample Internal Storage:** 32GB internal storage, supports up to 1TB external SD card.

WHAT'S IN THE BOX

- HOVERAir X1 PRO Drone
- Propeller
- Memory Card
- Carrying Case
- Remote Control
- Battery (2 A batteries included)

Image: The HOVERAir X1 PRO drone, along with its propeller, memory card, carrying case, remote control, and two batteries, neatly packed in its box.

SETUP

Unfolding and Powering On

Gently unfold the drone's arms until they click into place. Press and hold the power button on the top of the drone until the indicator light turns green and you hear a chime, indicating it's powered on and ready for flight.

Free Your Hands And Your Perspective

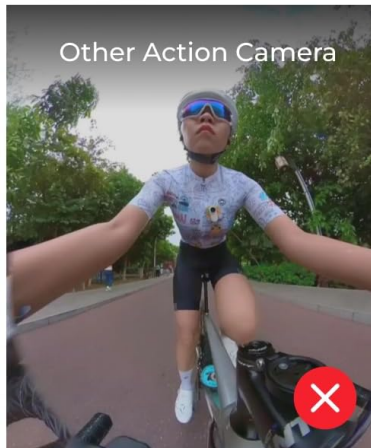

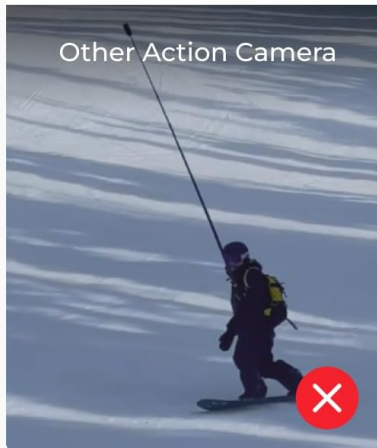

Image: A user's hands demonstrating the unfolding of the HOVERAir X1 PRO drone, revealing its propellers and camera.

Connecting to the App

Download the HOVERAir X1 app from your device's app store. Open the app and follow the on-screen instructions to connect to your drone via Wi-Fi. The app provides a live view from the drone's camera and access to various settings and flight modes.

Your browser does not support the video tag.

Video: A demonstration of navigating through the HOVERAir X1 PRO's electronic screen to select different flight modes and adjust settings.

Charging the Battery

The HOVERAir X1 PRO battery can be charged directly via USB-C on the drone or using the dedicated charging hub. A full charge for one battery takes approximately 45 minutes, and two batteries can be fully charged in 60 minutes using the hub.

Your browser does not support the video tag.

Video: A user guide demonstrating how to charge the HOVERAir X1 PRO battery using the charging hub and power adapter.

OPERATING MODES

The HOVERAir X1 PRO offers a variety of intelligent flight modes for diverse shooting scenarios. You can select modes directly on the drone's digital screen or through the app.

Your browser does not support the video tag.

Video: A demonstration of navigating through the HOVERAir X1 PRO's electronic screen to select different flight modes and adjust settings.

Hands-Free Takeoff and Hover

Simply unfold the drone, power it on, and place it on your palm. With a single press of the power button or a voice command, the drone will take off and hover steadily in front of you, ready to capture your moments.

Go With You Anywhere

Foldable & Portable

Safe & Enclosed

One-click takeoff

Image: A person launching the HOVERAIR X1 PRO drone from their open palm, showcasing its hands-free takeoff capability.

Follow Mode

The drone can automatically follow you, keeping you centered in the frame. This is ideal for capturing dynamic activities like cycling or skiing, even at speeds up to 42 KM/H.

X1 PRO | PRO MAX

4K Action Camera

Horizontal: 4K@60fps, Vertical: 2.7K@60fps

Image: The HOVERAir X1 PRO drone flying behind a cyclist, demonstrating its follow mode capability for action shots.

OmniTerrain Flight

The OmniTerrain feature allows the drone to operate across various challenging environments, including over snow, water, and cliffs, ensuring you can capture footage wherever your adventures take you.

OmniTerrain

Cliff Ready

Water Ready

Snow Ready

Image: A composite image showing the HOVERAir X1 PRO drone flying over a cliff, water, and snow, highlighting its OmniTerrain capabilities.

MAINTENANCE

Propeller Care

Regularly inspect the propellers for any signs of damage or wear. The propeller guards are made of HEM, an aerospace-grade material, providing superior safety and durability. Replace damaged propellers immediately to ensure safe and stable flight.

Battery Management

Smart batteries have built-in functions to prevent overcharging and over-discharging, extending their lifespan. Store batteries in a cool, dry place and avoid extreme temperatures.

Image: Two HOVERAir X1 PRO batteries standing upright, illustrating their design and smart charging features.

TROUBLESHOOTING

Connection Issues

If the drone fails to connect to the app, ensure both devices have Wi-Fi enabled and are within range. Restarting both the drone and the app can often resolve connectivity problems.

Flight Instability

Check propellers for damage or debris. Ensure the drone's gimbal is not obstructed. Calibrate the drone's sensors via the app if instability persists.

Poor Image Quality

Verify that the camera lens is clean and free from smudges. Ensure adequate lighting conditions. Adjust camera settings (e.g., resolution, frame rate) in the app for optimal results.

SPECIFICATIONS

Brand	HOVERAir
Model	X1 PRO
Item Weight	3.63 pounds
Product Dimensions	9.99 x 6.69 x 1.97 inches
Item Model Number	ZZ-H-1-003
Batteries	2 A batteries required (included)
Image Stabilization	Yes
Screen Size	0.77 Inches
Supported Image Format	JPEG

WARRANTY AND SUPPORT

The HOVERAir X1 PRO comes with a 1-year warranty against manufacturing defects. For any inquiries or assistance, 24/7 customer service is available. You can reach out to them via email at support@hoverair.com.

We Are Zero Zero

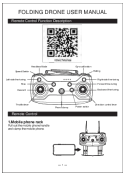

Zero Zero was co-founded in 2014 by Stanford Ph.D. graduates MQ Wang and Tony Zhang. With 140 core industry patents, ZeroZero has led the way in consumer aerial robotics, introducing innovations like the enclosed propeller design in the Hover series, which has been recognized by top-tier media and design awards. Last year, the HOVERAir X1 launched on Indiegogo and Makuake with tremendous success. This year, we're back with an all-new, upgraded version!

HOVERCare Terms of Service - US/1113

Thank you for purchasing HOVERCare Services hereafter referred to as "HOVERCare" or "the Service". All HOVERCare services are provided by Zens Data Solutions or its designated affiliated companies (hereinafter referred to as "Zens Data"). Please note the following important points:

- By purchasing HOVERCare, you acknowledge that you have read, understood, and agreed to the Terms of Service.
- If you receive a replacement device with a new serial number, the replacement device will automatically inherit the remaining validity period of the official warranty and HOVERCare coverage of the original device.
- The total number of your HOVERCare device is important for HOVERCare use. Please keep the serial number to yourself. If your HOVERCare device serial number is lost or stolen, you shall bear the corresponding consequences and responsibilities for losing rights to obtain the HOVERCare Services.
- Before applying for HOVERCare services, please go to the [HOVERCare Privacy Policy](#) page and read the HOVERCare Privacy Policy carefully. By applying for the Service, you hereby acknowledge that you have read, agree to and abide by the Privacy Policy, and authorize Zens Data to use your personal information and device information for the following purposes: Zens Data can use such information while providing services to you. Personal information includes but is not limited to your name, telephone number, email, and address. Device information includes but is not limited to your HOVERCare device model and serial number, settings data, and flight operation data.
- Before returning your HOVERCare device to HOVERCare services, please back up and/or delete all the data included or recorded in your HOVERCare device, including but not limited to images, videos, and recorded third-party software and software packages (like built-in memory and SD cards). If you are unable to delete such information, please notify us to prevent others from obtaining it or including it from the disclosure of personal data under applicable laws. If you fail to delete such information, Zens Data will immediately access such information when providing the Service and may share such data as a result of the Service. Zens Data will not be liable for any loss or disclosure of data from any HOVERCare device you have sent back to Zens Data or any device you have repaired by Zens Data.

HOVERCare services are applicable to non-warranty situations. If your HOVERCare device damage or malfunction is covered by the official warranty, no charge will incur for repair or replacement services.
