2. SAFETY INFORMATION

- **WARNING:** Risk of electric shock. Disconnect power at the circuit breaker or fuse box before installation or

servicing.

- All electrical connections must be in accordance with local codes, ordinances, or the National Electric Code (NEC). Consult a qualified electrician if you are unfamiliar with proper electrical wiring connections.
- Use only UL/ETL listed wire connectors.
- This fixture is designed for indoor use only and is damp-rated, suitable for bathroom environments.
- Do not exceed the maximum wattage specified for the bulbs.
- Handle glass components with care to prevent breakage.

3. PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Light Fixture Body (with backplate)
- Glass Shades (3 pieces)
- Mounting Hardware (screws, wire nuts, mounting bracket)
- Instruction Manual

| Feature | Detail |
|------------------------|------------------------------|
| Water Resistance Level | Water Resistant (Damp-rated) |
| Assembly Required | Yes |

5. SETUP AND INSTALLATION

This fixture is designed for easy installation. Ensure power is disconnected before proceeding.

5.1 Dimensions

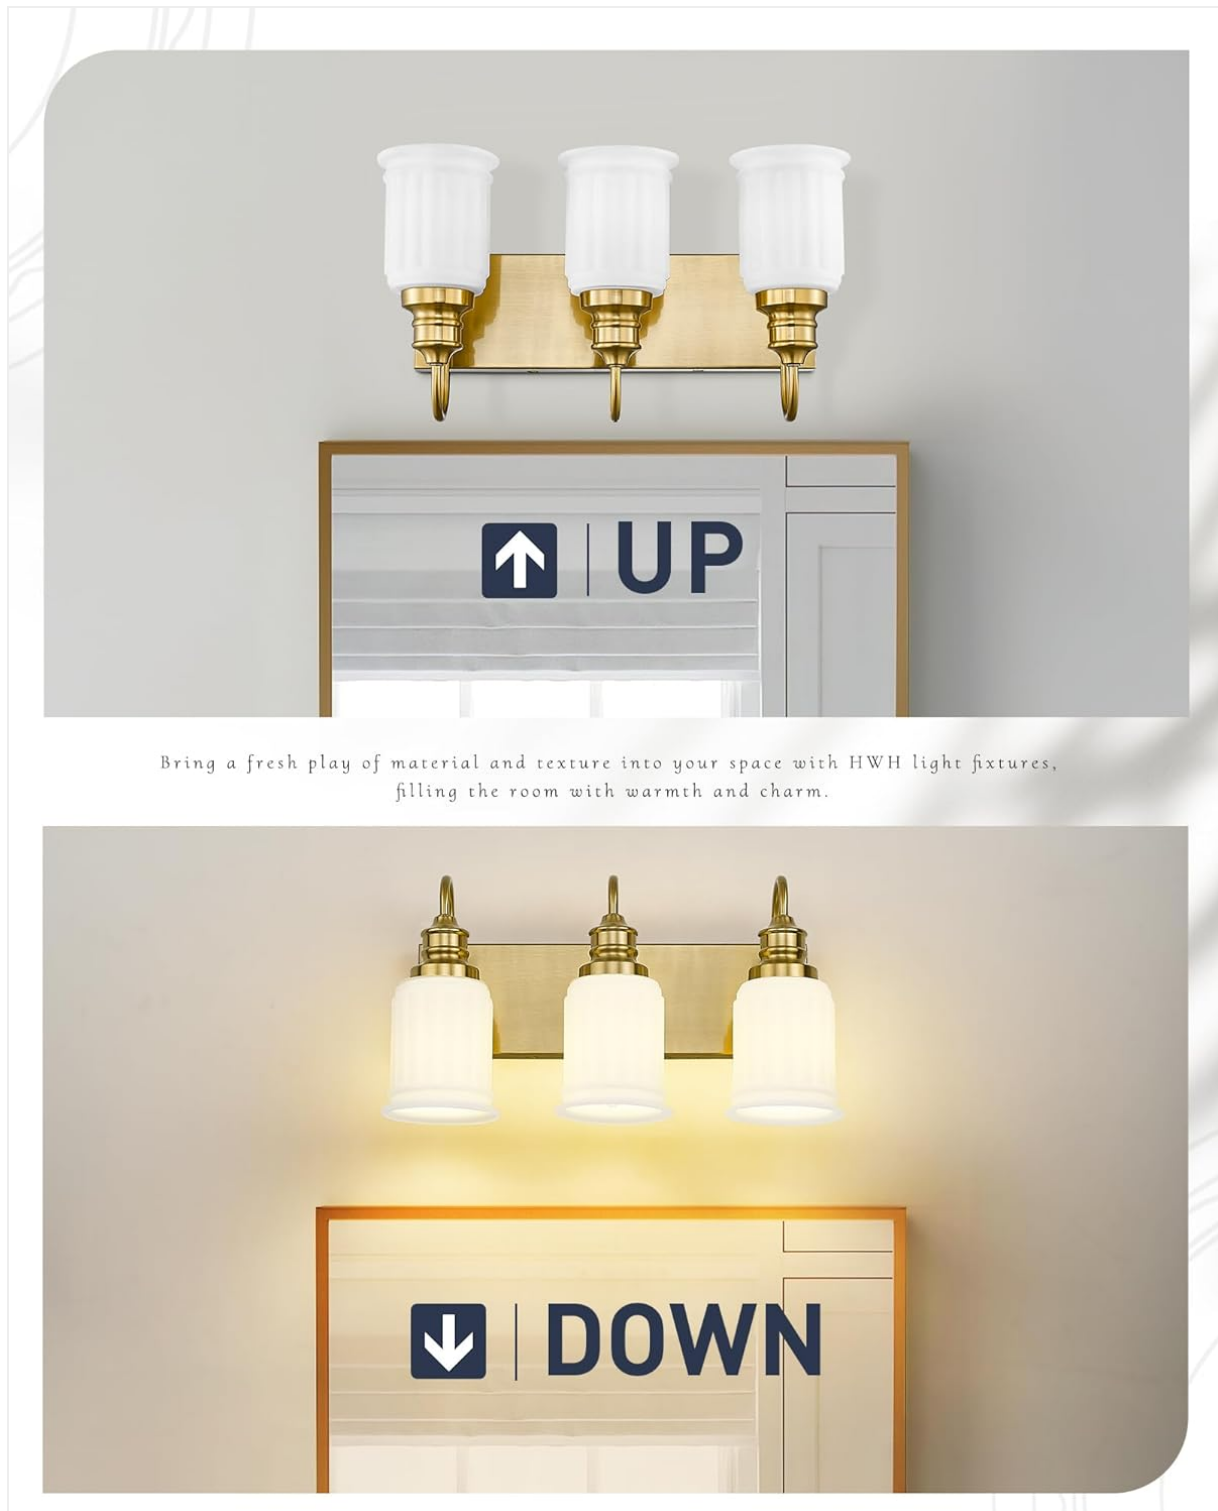

Figure 2: Product Dimensions

5.2 Installation Steps

1. **Prepare for Installation:** Turn off power at the main circuit breaker.
2. **Mounting Bracket:** Attach the mounting bracket to the junction box using the provided screws.
3. **Wiring:** Connect the fixture's wires to the household electrical wires (black to black, white to white, ground to ground) using wire nuts. Ensure all connections are secure.
4. **Secure Fixture:** Attach the fixture body to the mounting bracket, ensuring it is flush against the wall.
5. **Install Glass Shades:** Carefully attach the bell-shaped frosted glass shades to each light socket.
6. **Insert Bulbs:** Screw in E26 base bulbs (not included), ensuring they do not exceed 60W per bulb.

The fixture can be mounted with the lights facing upwards or downwards, allowing for versatile aesthetic and lighting effects.

Bring a fresh play of material and texture into your space with HWH light fixtures, filling the room with warmth and charm.

7. MAINTENANCE

To maintain the appearance and functionality of your light fixture:

- **Cleaning:** Ensure power is off before cleaning. Wipe the metal parts with a soft, dry cloth. For glass shades, use a mild glass cleaner and a soft cloth. Avoid abrasive cleaners or harsh chemicals.
- **Bulb Replacement:** Always turn off power before replacing bulbs. Allow bulbs to cool completely before handling.
- **Inspection:** Periodically check for any loose connections or signs of wear.

The sturdy metal construction is designed to be damp-proof, resisting oxidation and color fading in bathroom environments.

8. TROUBLESHOOTING

If you encounter issues with your light fixture, refer to the following common solutions:

- **Light does not turn on:**
 - Check if the power is on at the circuit breaker.
 - Ensure the bulb is screwed in correctly and is not burnt out.
 - Verify all wire connections are secure.
- **Flickering light:**
 - Ensure the bulb is fully tightened.
 - Check for loose wiring connections.
 - Confirm the bulb wattage is within the fixture's specified limits.
- **Glass shade is chipped or broken:** Contact customer support for replacement options.

If problems persist, consult a qualified electrician or contact HWH INVESTMENT customer support.

9. WARRANTY AND SUPPORT

HWH INVESTMENT offers a **30-day money-back guarantee** and a **1-year warranty** for this product. This warranty covers defects in materials and workmanship under normal use.

For warranty claims, technical assistance, or any questions regarding your product, please do not hesitate to contact HWH INVESTMENT customer support. Please have your model number (5HZG106B-3W) and purchase information ready when contacting support.
