## Syfoetked HM-17

# AC Adapter for Jobsmart 2800 Lumen High Intensity Rechargeable Spotlight Charger User Manual

Brand: Syfoetked | Model: HM-17

## 1. PRODUCT OVERVIEW

This manual provides essential information for the safe and effective use of your Syfoetked HM-17 AC Adapter. This adapter is specifically designed as a replacement charger for the Jobsmart 2800 Lumen High Intensity Rechargeable Spotlight. It ensures reliable power delivery and charging capabilities.

Figure 1.1: Syofeetked HM-17 AC Adapter. This image shows the complete AC adapter unit, featuring the main power brick with a two-prong US plug and an attached cable terminating in a barrel connector.

## 2. SETUP INSTRUCTIONS

1. **Inspect the Adapter:** Before use, visually inspect the AC adapter and its cable for any signs of damage, such as cuts, frayed wires, or bent pins on the connector. Do not use if damaged.
2. **Identify the Device Port:** Locate the charging port on your Jobsmart 2800 Lumen High Intensity Rechargeable Spotlight. Ensure it matches the barrel connector of the AC adapter.
3. **Connect to Device:** Carefully insert the barrel connector of the AC adapter into the charging port of the spotlight. Ensure a firm and secure connection. Do not force the connector.
4. **Connect to Power Outlet:** Plug the two-prong AC plug of the adapter into a standard wall power outlet (100V - 246V AC).
5. **Verify Connection:** Once connected, the spotlight should indicate that it is receiving power or charging, typically via an indicator light on the spotlight itself.

Figure 2.1: Adapter Plug and Connector. This image provides an angled view of the adapter, highlighting the two-prong US plug and the barrel connector, which are crucial for proper setup.

### 3. OPERATING INSTRUCTIONS

---

The Syofeetked HM-17 AC Adapter is designed for straightforward operation. Once properly connected to both the Jobsmart spotlight and a power outlet, it will automatically begin charging the device.

- **Charging Indication:** Refer to your Jobsmart spotlight's user manual for specific charging indicators (e.g., LED lights changing color or turning off when fully charged).
- **Safety Features:** The adapter incorporates built-in safety mechanisms including over-voltage protection, over-current protection, and short-circuit protection to safeguard both the adapter and your connected device.
- **Unplugging:** When charging is complete or when the adapter is not in use, first disconnect the AC plug from the wall outlet, then disconnect the barrel connector from the spotlight.

Figure 3.1: Adapter Indicator Light. This image displays a side view of the adapter, showing a small red indicator light which typically signifies that the adapter is receiving power.

## 4. MAINTENANCE

---

Proper maintenance ensures the longevity and safe operation of your AC adapter.

- **Cleaning:** Disconnect the adapter from all power sources and devices before cleaning. Use a soft, dry cloth to wipe the exterior of the adapter. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tightly winding the cable to prevent damage.
- **Handling:** Always grasp the plug when inserting or removing the adapter from an outlet. Do not pull on the cable.

## 5. TROUBLESHOOTING

---

If you encounter issues with your AC adapter, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Adapter not providing power/device not charging.	<ul style="list-style-type: none"> <li>Loose connection.</li> <li>Faulty power outlet.</li> <li>Damaged adapter or cable.</li> <li>Incompatible device.</li> </ul>	<ul style="list-style-type: none"> <li>Ensure all connections are secure.</li> <li>Test the outlet with another device.</li> <li>Inspect adapter for damage; replace if necessary.</li> <li>Confirm the adapter is for Jobsmart 2800 Lumen Spotlight.</li> </ul>
Adapter feels unusually hot.	<ul style="list-style-type: none"> <li>Poor ventilation.</li> <li>Overload or internal fault.</li> </ul>	<ul style="list-style-type: none"> <li>Ensure adapter is in a well-ventilated area.</li> <li>Disconnect immediately and cease use. Contact support if issue persists.</li> </ul>

If troubleshooting steps do not resolve the issue, discontinue use and contact the manufacturer or seller for further assistance.

## 6. SPECIFICATIONS

Feature	Detail
