Noise AUD-HDPHN-AIRCLIPS-BLK

Noise Air Clips Wireless Open Ear Earbuds Instruction Manual

Model: AUD-HDPHN-AIRCLIPS-BLK

INTRODUCTION

The Noise Air Clips are wireless open-ear earbuds designed for comfortable, all-day wear. Featuring AirWave™ Technology for precise sound delivery, dual device pairing, and intuitive touch controls, these earbuds offer a unique listening experience while maintaining environmental awareness. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your Air Clips earbuds.

SETUP

What's in the Box

Before you begin, ensure all components are present:

- 1N Bluetooth Headphone
- 1N Charging Case
- 1N Charging Cable (Type-C)
- 1N User Manual
- 1N Warranty Registration Card

Charging the Earbuds and Case

For optimal performance, fully charge your Noise Air Clips before first use. The charging case provides power to the earbuds.

1. Place the earbuds into the charging case, ensuring they are correctly seated.
2. Connect the Type-C charging cable to the charging port on the case and a power source.
3. The indicator lights on the case will show the charging status. A full charge takes approximately 120 minutes.

Image: Instacharge feature, showing earbuds in their charging case.

Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

Bluetooth Pairing

To connect your Noise Air Clips to a device:

1. Ensure the earbuds are charged and powered on (open the case).
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "Noise Air Clips" from the list.
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

The Noise Air Clips support **Dual Device Pairing**, allowing you to connect to two devices simultaneously and switch between them seamlessly.

OPERATING INSTRUCTIONS

Wearing the Earbuds

The Noise Air Clips feature an Open Beam Design for a comfortable and secure fit. Gently clip the earbuds onto your ears, ensuring the sound outlet is positioned correctly for optimal audio delivery without blocking your ear canal.

Open Beam Design

You've just found a cool new way to listen to music, and it's also drippin' in chrome.

Image: Open Beam Design, highlighting the unique clip-on style of the earbuds.

Comfort in style

They look so good you'll always want to have them on. That's why it's great they've been designed for long wear!

Touch Controls

The Noise Air Clips feature responsive touch controls for easy management of your audio and calls:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant (Google Assistant/Siri):** Triple tap on either earbud.

Simple touch controls

A few taps is all it takes to control your audio experience. Conveniently play, pause, skip and more.

Audio Features

- **AirWave™ Technology:** This technology ensures precise air conduction, delivering sound directly to your ears while minimizing sound leakage.
- **Environmental Noise Cancellation (ENC):** Equipped with Quad Mics and ENC, the earbuds reduce ambient noise during calls, ensuring clear communication.
- **12mm Dynamic Driver:** Experience clear audio with enhanced bass response.

AirWave™ Technology

Battery Life

The Noise Air Clips provide up to 40 hours of total playtime with the charging case, ensuring extended use throughout your day.

Up to 40 hours of playtime

The music never stops and you have a background score that keeps you going throughout the day.

MAINTENANCE

Cleaning

To maintain the performance and hygiene of your earbuds:

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Avoid using abrasive materials, solvents, or harsh chemicals.
- Do not immerse the earbuds or case in water.

Water Resistance

The Noise Air Clips are rated **IPX5 water resistant**. This means they are protected against low-pressure water jets from any direction. They are suitable for workouts and light rain but should not be submerged in water or exposed to high-

pressure water.

TROUBLESHOOTING

If you encounter issues with your Noise Air Clips, refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	• Ensure earbuds are charged and out of the case. • Turn off and on Bluetooth on your device. • Forget the device in your Bluetooth settings and re-pair. • Try pairing with another device to check earbud functionality.
Only one earbud working	• Place both earbuds back in the case, close the lid, wait a few seconds, then open and try again. • Ensure both earbuds are charged. • Reset the earbuds (refer to manufacturer's website for specific reset instructions if needed).
Charging issues	• Ensure the charging cable is securely connected to both the case and the power source. • Try a different charging cable or power adapter. • Clean the charging contacts on the earbuds and inside the case with a dry cotton swab.
Low volume or poor sound quality	• Adjust the volume on both your device and the earbuds. • Ensure the earbuds are worn correctly and securely on your ears. • Check for any obstructions on the sound outlets. • Move closer to your connected device to avoid interference.

Problem	Possible Solution
Touch controls not responding	• Ensure your fingers are clean and dry when using touch controls. • Restart the earbuds by placing them in the case and taking them out again. • Ensure the earbuds are connected to your device.
