EUHOMY Countertop Ice Maker Machine User Manual

Model: IM-06D-02X-VC

INTRODUCTION

This manual provides comprehensive instructions for the safe and efficient operation, maintenance, and troubleshooting of your EUHOMY Countertop Ice Maker Machine. Designed for convenience, this portable ice maker produces bullet-shaped ice cubes quickly, making it ideal for home, kitchen, camping, and RV use.

Figure 1: EUHOMY Countertop Ice Maker Machine. This compact unit is designed for easy portability and efficient ice production.

SETUP

- 1. Unpacking:** Carefully remove the ice maker and all accessories from the packaging. Verify that all included components are present: the ice maker unit, ice basket, ice scoop, and this manual.
- 2. Placement:** Place the ice maker on a stable, level surface away from direct sunlight and heat sources. Ensure adequate ventilation around the unit. The compact size of 11.4"(L)x9"(W)x11.4"(H) inches allows for versatile placement on countertops.
- 3. Initial Cleaning:** Before first use, clean the interior of the ice maker. Remove the ice basket and wash it with mild detergent and warm water. Wipe the interior water reservoir with a soft cloth. Rinse thoroughly and dry.
- 4. Power Connection:** Plug the ice maker into a grounded 115 Volts electrical outlet.

Figure 2: The compact design of the EUHOMY ice maker, showing its dimensions and included accessories like the ice scoop and ice basket.

OPERATING INSTRUCTIONS

- 1. Add Water:** Open the top lid and fill the water reservoir with potable water up to the MAX fill line. Using room temperature filtered water is recommended for optimal performance.
- 2. Start Ice Production:** Press the "ON/OFF" button on the control panel. The "POWER" indicator light will illuminate. The ice maker will begin the ice-making cycle.
- 3. Ice Collection:** The machine produces 9 bullet-shaped ice cubes in approximately 6 minutes. The ice will drop into the ice basket. The "ICE FULL" indicator will flash when the basket is full, prompting you to remove the ice.
- 4. Add Water Indicator:** If the water level is low, the "ADD WATER" indicator will flash, signaling that more water is needed to continue ice production.

Figure 5: Visual representation of the rapid ice production, yielding 9 cubes in just 6 minutes.

26.4 Lbs Day

Figure 6: The ice maker's capacity to produce up to 26.4 pounds of ice per day, suitable for various needs.

MAINTENANCE

- Auto-Cleaning Function:** The ice maker features a one-touch auto-cleaning function. To activate, ensure water is in the reservoir, then press and hold the "ON/OFF" button for 5 seconds. The automatic cleaning cycle will run for 30 minutes.
- Regular Cleaning:** For best results and hygiene, regularly clean the water reservoir and ice basket. Unplug the unit before cleaning. Drain any remaining water. Use a soft cloth with a mild, non-abrasive cleaner. Rinse thoroughly.
- Storage:** If storing the ice maker for an extended period, ensure it is completely dry. Drain all water, clean the unit, and allow it to air dry before storing in a cool, dry place.

AUTOMATIC CLEANING

TROUBLESHOOTING

Problem	Possible Cause	Solution
"ADD WATER" indicator flashes	Water reservoir is empty or low.	Add potable water to the reservoir up to the MAX fill line.
"ICE FULL" indicator flashes	Ice basket is full.	Remove ice from the basket.
Ice maker not producing ice	No power, insufficient water, or water is too cold.	Ensure unit is plugged in. Check water level. Use room temperature filtered water.
Ice melts quickly in basket	The ice maker is not a freezer and does not maintain ice in a frozen state.	Transfer ice to a freezer or insulated container immediately after production.

SPECIFICATIONS

Feature	Detail
Brand	EUHOMY
Model Name	ice maker
Product Dimensions	11.4"D x 9"W x 11.4"H
Capacity	26.4 Pounds (per day)
Wattage	170 watts
Voltage	115 Volts
Refrigerant	R600a
Material	Acrylonitrile Butadiene Styrene
Item Weight	12.9 pounds
Model Number	IM-06D-02X-VC
UPC	850068328116
Included Components	Ice maker, ice scooper, ice handle, manual, ice basket
